Patience Miracle In Progress:

A STROKE OF GENIUS Sandy Simon, 2014-05-28 This book's first edition was written after my six year odyssey following my stroke. The doctors said if I did not die I would be completely incapacitated physically, mentally, and emotionally. They said I had lost 45% of my brain and was declared 100% disabled for life. Somehow I found a way to healing and thriving as a human being. This extended second edition has added information on my eleven additional years of successful therapies which have helped me fulfill my life beyond my dreams. This edition includes my mentoring with other stroke survivors who have contacted me after they read the first edition.

An Everyday Miracle Jennifer Muszik, 2015-12-11 In February 2015 everything changed in an instant for Jennifer Muszik. One moment she had a healthy loving husband who embraced his role as stay at home dad for their three children. The next moment she was dealing with a shocking reality. Paul was on life support and the doctors did not think he would make it through the next hour. Much less the night Jennifer soon learned Paul was suffering from toxic shock syndrome and hung precariously between life and death while she helplessly watched. As family arrived for what they believed would be their last moments together with Paul Jennifer realized she had a choice to make: either focus on the dire prognosis or focus on God and pray for Him to heal her husband. Jennifer fixed her eyes on God and engaged their community to pray with her on their journey. And what happened next was nothing short of an everyday miracle. In this moving story a wife and mother shares how she prayed God would save her husband from almost certain death and in the process illustrated to others that He is always there no matter how difficult the circumstances.
