Patient Lover:

Therapists Who Have Sex With Their Patients Herbert S. Streehan, 2018-10-24 First published in 1994 Therapists who use and abuse their power make for high talk show ratings and tabloid sales but are these people simply to be written off as sick and evil Dr Herbert Streehan believes not In this unflinchingly honest book Dr Streehan who has treated such abusive caregivers many times in his practice seeks to create a more humane portrait of therapists who have affairs with their patients Central to the book are four fascinating case studies of therapists Ronald S is a heterosexual psychiatrist with homosexual fantasies who wants to be a woman with his own male therapist Roslyn M is a therapist who administers love treatment in the therapy room and charges for it Bob W is a promiscuous sex addict who thinks despite his physical unattractiveness that all his women patients hunger for him Al G is a sadomasochistic social worker who makes his female ex patients suffer These cases give voice to the feelings fantasies and dreams of therapists who have crossed the boundary Through them we come to understand that it is treatment not punishment that will prevent others from falling prey to healers who are themselves in desperate need of healing

Fairbairn's Object Relations Theory in the Clinical Setting David P. Celani, 2010 W R D Fairbairn 1889 1964 challenged the dominance of Freud's drive theory with a psychoanalytic theory based on the internalization of human relationships Fairbairn assumed that the unconscious develops in childhood and contains dissociated memories of parental neglect insensitivity and outright abuse that are impossible for the children to tolerate consciously In Fairbairn's model these dissociated memories protect developing children from recognizing how badly they are being treated and allow them to remain attached even to physically abusive parents Attachment is paramount in Fairbairn's model as he recognized that children are absolutely and unconditionally dependent on their parents Kidnapped children who remain attached to their abusive captors despite opportunities to escape illustrate this intense dependency even into adolescence At the heart of Fairbairn's model is a structural theory that organizes actual relational events into three self and object pairs one conscious pair the central ego which relates exclusively to the ideal object in the external world and two mostly unconscious pairs the child's antilibidinal ego which relates exclusively to the rejecting parts of the object and the child's libidinal ego which relates exclusively to the exciting parts of the object The two dissociated self and object pairs remain in the unconscious but can emerge and suddenly take over the individual's central ego When they emerge the other is misperceived as either an exciting or a rejecting object thus turning these internal structures into a source of transferences and reenactments Fairbairn's central defense mechanism splitting is the fast shift from central ego dominance to either the libidinal ego or the antilibidinal ego a near perfect model of the borderline personality disorder In this book David Celani reviews Fairbairn's five foundational papers and outlines their application in the clinical setting He discusses the four unconscious structures and offers the clinician concrete suggestions on how to recognize and respond to them effectively in the heat of the clinical interview Incorporating decades of experience into his analysis Celani emphasizes the internalization

of the therapist as a new good object and devotes entire sections to the treatment of histrionic obsessive and borderline personality disorders

Introduction to the Practice of Psychoanalytic Psychotherapy Alessandra Lemma, 2013-05-28
A clear and thorough introduction to techniques and practice issues as well as basic theoretical frameworks for beginners
Psychoanalysis is not so much skill based as dependent upon the development of the analytic attitude guided by principles of technique that are used in the clinical situation
Alessandra Lemma's accessible guide has been based on her long experience of teaching trainee practitioners
It includes discussion of interventions and the possible dynamics associated with the different stages of therapy: assessment, beginnings, middle and end phases of therapy
It exposes the rationale underlying a range of interventions and discusses research evidence where relevant and available
Written by a well known author with plenty of practical experience
Introductory and aimed at trainees
Uniquely it combines practical advice with theoretical explanation

Literary Anatomies Delese Wear, Lois LaCivita Nixon, 1994-07-01
This book shows how imaginative literature brings women's medical experiences back to lived moments in living bodies where readers can perhaps better understand what it feels like to be someone else
The authors provide four sections that discuss birth, abortion, miscarriage and fertility, breast cancer, middle age menopause and hysterectomy and aging
While the focus is on twentieth century North American women, a particular emphasis is placed on the diversity of women's experiences within that time and culture

The Virtuous Physician James A. Marcum, 2012-01-03
Although modern medicine enjoys unprecedented success in providing excellent technical care, many patients are dissatisfied with the poor quality of care or the unprofessional manner in which physicians sometimes deliver it
Recently this patient dissatisfaction has led to quality of care and professionalism crises in medicine
In this book the author proposes a notion of virtuous physician to address these crises
He discusses the nature of the two crises and efforts by the medical profession to resolve them and then he briefly introduces the notion of virtuous physician and outlines its basic features
Further virtue theory is discussed along with virtue ethics and virtue epistemology and specific virtues especially as they relate to medicine
The author also explores the ontological priority of caring as the metaphysical virtue for grounding the notion of virtuous physician and two essential ontic virtues: care and competence
In addition to this he examines the transformation of competence into prudent wisdom and care into personal radical love to forge the compound virtue of prudent love which is sufficient for defining the virtuous physician
Lastly two clinical case stories are reconstructed which illustrate the various virtues associated with medical practice and it is discussed how the notion of virtuous physician addresses the quality of care and professionalism crises

The Woman-Hater; Or, True and Feigned Love. A Dramatic Tale A. F. Clarence, 1858

Will You Love a Depressed Person? Abraham Reymond, 2025-07-23
What if the one you loved most pulled away in silence? What if they couldn't smile back? Would you still stay?
This piercing collection of poems is a cry from the shadows where depression, faith and love collide
Reymond writes from within the ache, not outside it
With every line he invites you to see the sacred behind the sorrow and the tenderness still alive

inside the numbness It is a book for the ones who stayed And for the ones who couldn't It is for the depressed soul who wonders if love can outlast the silence And for the one asking Can I keep loving someone who no longer loves life Rooted in Christian truth but wide enough for all who wrestle with despair this is not a self help book it is a soul echo A gospel whispered in the dark A question that waits for an answer I'm not asking you to fix me I'm asking if you'll still hold my hand when I don't have the strength to lift it *Jesus My Love* Henry F. Jacobs Iii,2012-06 [Kyra's Fate Or, Love Knows No Bonds](#) Charles Garvice,1902 **Full Circle** George Sweeting,2022-02-01 Be inspired by the story of a life well lived In this book you'll encounter through words and images the uplifting story of George Sweeting and his beloved wife Hilda You'll discern the providential hand of God as He brings the Sweetings lives full circle George's parents were converted by the ministry of D L Moody Then God brought George into two leadership positions connected with this great evangelist as pastor of the historic Moody Church in downtown Chicago and as president of Moody Bible Institute From humble beginnings to academic leadership to friendship with a U S president God used George and Hilda Sweeting to make an impact on the world Enter the story of the Sweetings and find your spirit refreshed by their legacy of faithfulness And as you read ask yourself Lord how do you want to bring my life full circle as well [Love and Hate](#) David Mann,2013-11-12 Love and hate seem to be the dominant emotions that make the world go round and are a central theme in psychotherapy Love and Hate seeks to answer some important questions about these all consuming passions Many patients seeking psychotherapy feel unlovable or full of rage and hate What is it that interferes with the capacity to experience love This book explores the origins of love and hate from infancy and how they develop through the life cycle It brings together contemporary views about clinical practice on how psychotherapists and analysts work with and think about love and hate in the transference and countertransference and explores how different schools of thought deal with the subject David Mann together with an impressive array of international contributors represent a broad spectrum of psychoanalytic perspectives including Kleinian Jungian Independent Group and Lacanian psychotherapists psychoanalysts and analytical psychologists With emphasis on clinical illustration throughout the writers show how different psychoanalytic schools think about and clinically work with the experience and passions of love and hate It will be invaluable to practitioners and students of psychotherapy psychoanalysis analytical psychology and counselling **A Vampire Trilogy: Tides of the Undead** N. E. Tovell,2011-11 Newlyweds Galian and Delbeth McDermot are the willing participants of an arranged vampire marriage to fulfill an ancient Celtic Prophecy Moving to Ireland they take their destined place as harbingers of a new world order Delbeth knows that Galian is the only vampire willing to tolerate her willful ways and unique Faerie gifts but neither suspects that their enemies lurk in the shadows preparing to destroy their fated existence Accustomed to the constant threats from the Croatian Tribunal Delbeth is unaware that she has endangered Galian until he informs her that he will also be killed if she is captured Cedric their trusted bodyguard has his work cut out for him but even more surprising are the long held secrets Galian reveals to Delbeth as their

plane soars through the clouds to their new home Hours later Delbeth finds herself in a strange house in a strange woods in a strange country facing a plot more sinister than neither she nor Galian ever imagined As Delbeth and Galian prepare to bring new leadership and hope to a world facing the terrifying possibility of extinction both are left wondering if they can even trust one another *Love Out Loud* Joyce Meyer,2011-11-02 Jesus said You must love the Lord your God with all your soul and with all your strength and with all your mind and your neighbor as yourself Luke10 27 If one had to choose a single verse in the Bible that is a formula for successful living this would be the one to live by says Joyce Meyer love God yourself and others in that order Many Christians get mixed up about love They know they should love God and others but many do not understand that loving oneself is one third of God's equation They mistakenly think of it as selfishness or self aggrandizement Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey Loving oneself in a balanced healthy manner is essential in order to have healthy relationships with God ourselves and others Drawing upon her previous work and teaching series as well as original devotions the author of *Power Thoughts* examines the three loves that we've been commanded to exhibit **When AIDS Began** Michelle Cochrane,2004-08-02 By examining the early outbreaks in San Francisco Cochrane unfolds the creation of AIDS in one geographic location and then traces how and why major claims about the transmission of HIV were made extrapolated and then disseminated to the rest of the world all important factors in understanding this disease *Belgravia* ,1874 **Lacan on Love** Bruce Fink,2017-09-05 Quintessentially fascinating love intrigues and perplexes us and drives much of what we do in life As wary as we may be of its illusions and disappointments many of us fall blindly into its traps and become ensnared time and again Deliriously mad excitement turns to disenchantment if not deadening repetition and we wonder how we shall ever break out of this vicious cycle Can psychoanalysis with ample assistance from philosophers poets novelists and songwriters give us a new perspective on the wellsprings and course of love Can it help us fathom how and why we are often looking for love in all the wrong places and are fundamentally confused about what love really is In this lively and wide ranging exploration of love throughout the ages Fink argues that it can Taking within his compass a vast array of traditions from Antiquity to the courtly love poets Christian love and Romanticism and providing an in depth examination of Freud and Lacan on love and libido Fink unpacks Lacan's paradoxical claim that love is giving what you don't have He shows how the emptiness or lack we feel within ourselves gets covered over or entwined in love and how it is possible and indeed vital to give something to another that we feel we ourselves don't have This first ever commentary on Lacan's Seminar VIII Transference provides readers with a clear and systematic introduction to Lacan's views on love It will be of great value to students and scholars of psychology and of the humanities generally and to analysts of all persuasions **Consultation-Liaison Psychiatry** Hoyle Leigh,2012-12-06 The essential role of the psychiatrist as consultant and educator of primary care physicians is increasing in importance as the American health care system faces fundamental restructuring In a recent workshop during the annual meeting of the

American Psychiatric Association a number of prominent consultation liaison psychiatrists reviewed major developments in consultation liaison psychiatry during the past decade and looked toward the future This book is based on these presentations but it is not simply a proceedings book A number of additional experts have contributed important chapters and all the chapters based on the presentations are expanded and updated Thus this book reviews the current state of consultation liaison psychiatry and anticipates future challenges It also informs the reader about the state of the art knowledge and skills in consultation liaison psychiatry as of 1994 This book should be a valuable up to date overview refresher for both consultation liaison psychiatrists and general psychiatrists who wish to update and formulate his her consultant role It should be especially valuable for psychiatric residents for whom the role as consultant to primary physicians assumes increasing importance and for primary physicians and medical students who are interested in learning about commonly encountered complex biopsychosocial problems of their patients and integrating these dimensions in patient care I am grateful to Mary Safford and Eileen Bermingham of Plenum for their help with the preparation and production of this book I am also thankful to Anita Shaw for her secretarial help Hoyle Leigh M D **Love Signs and You** Rochelle Gordon,Nadia Stieglitz,2003 Love Signs and You is the definitive volume of romantic astrology **Love and its Vicissitudes** André Green,Gregorio Kohon,2006-02-01 In Love and its Vicissitudes Andr Green and Gregorio Kohon draw on their extensive clinical experience to produce an insightful contribution to the psychoanalytic understanding of love In Part I To Love or Not to Love Eros and Eris Andr Green addresses some important questions What is essential to love in life What in the psychoanalytic method is related to it Should we understand love by referring to its earliest and most primitive roots Or should we take as our starting point the experience of the adult He argues that while science has made no contribution to our understanding of love art literature and especially poetry are the best introduction to it In Part II Love in the Time of Madness Gregorio Kohon provides a detailed clinical study of an individual suffering a psychotic breakdown He describes how the exclusive as well as the intense lasting dependence to a primary carer create the conditions for a normal madness to develop This is not only at the source of later psychotic states and the perversions but also at the origin of all forms of love as demonstrated in its re appearance in the situation of transference Love and its Vicissitudes moves beyond conventional psychoanalytic discourse to provide a stimulating and revealing reflection on the place of love in psychoanalytic theory and practice *The Unfolding Covid-19 My Thoughts, Memoirs and Patient's Stories* Ramsis F. Ghaly MD,2021-06-08 There is so much happening as we the people of the world continue to evolve through COVID 19 with it undoubtedly being one of the most catastrophic events of modern times This book is a continuation of my previous book titled Coronavirus The Pandemic of the Century and the Wrath of God It recalls actual stories and memories thus far as mankind continues to evolve from the gloominess of COVID 19 This book represents my thoughts views and various life events that I wish to share with you all As a neurosurgeon and an anesthesiologist working the front lines within three major medical centers of the greater metropolitan

area of Chicago I have without hesitancy never closed my doors to my patients My faith in our Lord Jesus and my abounding love to my patients residents and students has kept me going and strengthened my soul During COVID and as the world coming out of COVID it was a good time to flash back in marvelous works of our Lord my patients stories and my achievements performances lessons learned This book is centered in deep Christian rituals and meditations consisting of 115 chapters distributed over 12 sections touching on various topics that have passed through my mind during the evolution of COVID 19 These topics range from what I deem critical COVID all the way to vaccines political COVID and concomitant events as well as my personal memoirs patient care and the living stories of my patients There is so much to share with you from April 2020 until the time of publication so let us open the book and explore my time during COVID 19
