

A digital illustration of a male doctor with a friendly expression, wearing a white lab coat over a light blue shirt and a dark blue tie. A stethoscope is draped around his neck. He is holding a light blue clipboard with his left hand and a dark blue pen in his right hand, poised to write. The clipboard contains a checklist with five items, each preceded by a small square checkbox. The first three checkboxes are empty, and the last one is partially filled. The background is a soft, out-of-focus teal color. A white rectangular box with an orange vertical bar on its left side is positioned in the center, containing the title and website information.

Atlas of Metabolic Diseases Second edition William L Nyhan,Bruce A Barshop,Pinar T. Ozand,2005-08-26 In a field where even experts may find that years have elapsed since they last encountered a child with a given disorder it is essential for the clinician to have a comprehensive source of practical and highly illustrated information covering the whole spectrum of metabolic disease to refer to The second edition of this highly regarded book authored by three of the foremost authorities in pediatric metabolic medicine fulfils this need by providing an invaluable insight into the problems associated with metabolic diseases For ease of reference Atlas of Metabolic Disease is divided into sections of related disorders such as disorders of amino acid metabolism lipid storage disorders and mitochondrial diseases with an introductory outline where appropriate summarizing the biochemical features and general management issues Within

sections each chapter deals with an individual disease starting with a useful summary of major phenotypic expression and including clear and helpful biochemical pathways identifying for the reader exactly where the defect is occurring Throughout the book plentiful photographs often showing extremely rare disorders are an invaluable aid to diagnosis
