Patriarchal Precedents Rosalind Coward, 2022-11-30 First published in 1983 Patriarchal Precedents is an excavation of the term patriarchy Rosalind Coward shows how the debates about patriarchy and matriarchy were crucial to social theories in the nineteenth century discussing how the resolution of these debates resulted in our present ways of misunderstanding the family sexual relations and sexual characteristics Rosalind Coward argues that the violent debates around patriarchy tell a salutary tale about how the term presupposed as much as it set out to explain She demonstrates how it was used in Marxism and psychoanalysis in ways which blocked any radical thinking about sexual relations and how the arguments against the term patriarchy within anthropology still have to be taken seriously She argues that in order to advance our understanding of how power is exercised in sexual relations of the place which sexual relations have within society and the construction of sexual characteristics a series of presuppositions about sexual relations must now be cleared away This book will be of interest to students of gender studies women's studies sexuality men's studies sociology and anthropology *The Cultural Construction of Sexuality* Pat Caplan, 2013-11-05 First Published in 1987 Illustrates the argument that sexuality is not a thing in itself but a concept that can only be understood with reference to economic political and social factors The SAGE Handbook of Sociology Craig Calhoun, Chris Rojek, Bryan S Turner, 2005 Providing an authoritative guide to theory and method the key sub disciplines and the primary debates in contemporary sociology this work brings together the leading authors to reflect on the condition of the discipline **Black Peril, White Virtue** Jock McCulloch, 2000 Over the next decades more than twenty men were executed though many were innocent of any serious crime As Jock McCulloch shows the panics were complex events which encompassed such issues as miscegenation prostitution the management of venereal disease the politics of concubinage and the construction of whiteness **BOOK JACKET** The Pursuit of Pleasure Jane Rendell, 2002 The Pursuit of Pleasure presents the figures of the rambler and the cyprian the Eighteenth Century precursors to the Parisian flaneur and prostitute The urban spaces traced by these figures were the clubs sporting venues operas assembly rooms streets and arcades of central London Drawing on critical theory geography and philosophy The Pursuit of Pleasure extends and critiques the discipline of architectural history from a feminist perspective The gendering of public space is considered to be a complex and shifting series of moves and looks between men and women constructed and represented through spatial and social relations of consumption display and exchange **Book cover** **Routledge Revivals: Homosexuality: A Research Guide (1987)** Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but

Psychoanalysis and the Postmodern Impulse Barnaby B. Barratt, 2015-11-06 According to the author psychoanalytic theory and practice which discloses the interminable falsity of the human subject's belief in the mastery of its own mental life is in part responsible for the coming of the postmodern era In this title originally published in 1993 Barratt examines the role of psychoanalysis in what he sees as the crisis of modernism shows why the modernist position what he calls the modern episteme is failing and proposes that psychoanalysis should redefine itself as a postmodern method In Barratt's innovative account of psychoanalysis which focuses on the significance of the free associative process Freud's discovery of the repressed unconscious leads to a claim that is basic to postmodern ideas that all thinking and speaking the production and reproduction of psychic reality is inherently dynamic polysemous and contradictory He argues that subsequent attempts to normalize and systematize psychoanalysis are reactionary and antipsychoanalytic efforts to salvage the modern episteme that psychoanalysis itself calls into question *Routledge Library Editions: Psychoanalysis* Various, 2021-07-14 Routledge Library Editions Psychoanalysis brings together as one set or individual volumes a series of 8 previously out of print titles originally published between 1923 and 1993 Written by international authors from a variety of backgrounds this set looks at psychoanalysis in a number of different areas including culture religion sociology postmodernism literary criticism and others

Socialist Women June Hannam, Karen Hunt, 2012-11-12 This fascinating new study examines the experiences of women involved in the socialist movement during its formative years in Britain and the active role they played in campaigning for the vote. By giving full attention to this much neglected group of women *Socialist Women* examines and challenges the orthodox views of labour and suffrage history. Torn between competing loyalties of gender, class and politics socialist women did not have a fixed identity but a number of contested identities. June Hannam and Karen Hunt probe issues that created divisions between these women as well as giving them the opportunity to act together.
