essays from a wide range of scholars in a number of countries including China Japan Korea Singapore and the United States Crossing Oceans focuses on strategies for critically reading and teaching American literature especially ethnic American literature within the Asia Pacific region This book will be an important tool for scholars and teachers from around the globe who desire fresh perspectives on American literature from a variety of national contexts The contributors use perspectives dealing with race feminism cultural geography and structures of power as lenses through which to interpret texts and engage students critical thinking The collection is crossing oceans through the transnational perspectives of the contributors who come from and or teach at colleges and universities in both Asia and the United States Many of the essays reveal how narratives of and about ethnic Americans can be used to redefine and reconfigure not only American literary studies but also constructions of Asian and American identities *Crossing Borders, Reinforcing Borders* Pablo Vila, 2013-08-28 Along the U S Mexico frontier where border crossings are a daily occurrence for many people reinforcing borders is also a common activity Not only does the U S Border Patrol strive to hold the line against illegal immigrants but many residents on both sides of the border seek to define and bound themselves apart from groups they perceive as others This pathfinding ethnography charts the social categories metaphors and narratives that inhabitants of El Paso and Ciudad Ju rez use to define their group identity and distinguish themselves from others Pablo Vila draws on over 200 group interviews with more than 900 area residents to describe how Mexican nationals Mexican immigrants Mexican Americans African Americans and Anglos make sense of themselves and perceive their differences from others This research uncovers the regionalism by which many northern Mexicans construct their sense of identity the nationalism that often divides Mexican Americans from Mexican nationals and the role of ethnicity in setting boundaries among Anglos Mexicans and African Americans Vila also looks at how gender age religion and class intertwine with these factors He concludes with fascinating excerpts from re interviews with several informants who modified their views of other groups when confronted by the author with the narrative character of their identities Crossing Roads Thomas James, 2013-11-27 Eighteen year old Elizabeth receives an unexpected phone call from an old friend Michael who she knew in high school and had since moved away inviting her to a wedding Although her father forbids her to go she packs for a weekend trip to New York Before she leaves her home in Pennsylvania her father tells her if she leaves don t even think about coming home again Despite her troubling mind Elizabeth has a good time meeting Michael s family and is treated like a new addition which ruffles the feathers of the new Brides Michael and Elizabeth experience their first sexual encounter that night and Michael knows he can not let this girl walk out of his life and asks Elizabeth to live with him Knowing she can not go home and falling in love with Michael she accepts The young couple begins a journey through a new life together www.thomasjh.com **Friends Journal** ,1969

Books and Library Notes Mississippi State University,1972 Dylan Thomas Andrew Lycett,2005-07-05 The renowned literary biographer offers a thoroughly well written chronicle of the legendary Welsh poet s life that is rich in anecdote The New Yorker Dylan Thomas is as legendary for his raucous life as for his literary genius The author of the immortal poems Death Shall Have No Dominion Before I Knocked and Do Not Go Gentle into That Good Night as well as the short story A Christmas in Wales and the play for voices Under Milk Wood published his first book 18 Poems in 1934 when he was only twenty years old When he died in New York in 1953 at age thirty nine the myths took hold he became the Keats and the Byron of his generation the romantic poet who died too young his potential unfulfilled Making masterful use of original material from archives and personal papers Andrew Lycett describes the development of the young poet brings valuable new insights to Thomas s poetry and unearths fascinating details about the poet s many affairs and his tempestuous marriage to his passionate Irish wife Caitlin The result is a poignant yet stirring portrait of the chaos of Thomas s personal life and a welcome re evaluation of the lyricism and experimentalism of his literary legacy This is the best biography of the poet I have ever read Robert Nye The Scotsman

To Each Their Own Camino Roxey Edwards,2018-06-19 There I was an average middle aged woman living and working on Canada s west coast How then did I come to be walking this ancient path family and friends left behind and everything I owned in a pack on my back Exchanging my office pumps for hiking boots and my purse for a backpack for forty days I followed the Camino de Santiago a historic pilgrimage of almost eight hundred kilometres across northern Spain During my journey to Santiago I experienced climbs and descents that challenged my endurance ancient towns and historical landmarks that excited my imagination and endless plains and stretches of solitude that tested my soul I bent against blinding snow and pummeling winds endured drenching rains and basked in brilliant sunshine My steps led over rocky trails through whispering forests among dancing grasslands and through bustling cosmopolitan cities and crumbling towns A colourful international cast of characters strolled through my days from an irreverent Irishman to a Polish political prisoner to a young German couple packing their new baby to a Tennessee twosome that was walking the world Their stories were as varied as the landscapes through which we passed Some sought spiritual renewal some walked to exercise grief and some in hope or gratitude for personal miracles Others just enjoyed walking seeing a new country and meeting new people Each experienced their own Camino in their own way Ordinary people living ordinary lives suddenly stepping out on an extraordinary journey we shared food wine and bunk rooms Through laughter and tears we broke down barriers of language religion and nationality Strangers became friends and friends became family some
