It forms the basis of a character sketch of the saint. It enables us to discuss in some detail his cultural and social background, his natural talents and temperament and the general slant of his religious convictions. The author of this book helps us to know St Patrick both by his readable new translation of the Confession and his lively personal analysis of it and by his simple presentation of the background of the times, the places and the people involved. **Denis Edwards in His Own Words** ATF Press, 2020-05-01 Denis Edwards was a theologian concerned with the science and religion discourse and eco-theology.
