Sheftel, S. Zembrzycki, 2013-09-11 Because oral history interviews are personal interactions between human beings they rarely conform to a methodological ideal These reflections from oral historians provide honest and rigorous analyses of actual oral history practice that address the complexities of a human centered methodology *Raising the Workers' Flag* Stephen Lyon Endicott, 2012-01-01 The Workers Unity League WUL occupies a storied place in Canadian labour history In the bleak early years of the Great Depression as jobs vanished wages sank and unions stood transfixed a small but feisty organization ix exploded onto industrial Canada and by force of sheer political will it seems rallied an array of workers in heroic battle against some of the most recalcitrant employers in the country Tales of these conflicts particularly those in small centres such as Bienfait Flin Flon and Stratford or in the woods of Vancouver Island or the mining communities of the Crowsnest Pass are staples of labour history in this country and provide classic vignettes of class struggle at its rawest The On to Ottawa Trek the culmination of WUL organizing in the relief camps represents in many a Canadian history survey the denouement of a narrative of social tensions stretched to the breaking point at mid decade Whatever one thinks of the wisdom of the WUL s actions and historians views are varied the organization is credited with reigniting working class resistance and with training a new generation of labour and political activists Raising the Workers Flag Stephen L Endicott s engaging and well researched history of the WUL skilfully conveys the breadth and the intensity of the movement through its short history *The Fate of Labour Socialism* James Naylor, 2016-01-01 Almost a century before the New Democratic Party rode the first orange wave their predecessors imagined a movement that could rally Canadians against economic insecurity win access to necessary services such as health care and confront the threat of war The party they built during the Great Depression the Co operative Commonwealth Federation CCF permanently transformed the country s politics Past histories

have described the CCF as social democrats guided by middle class intellectuals a party which shied away from labour radicalism and communist agitation James Naylor s assiduous research tells a very different story a CCF created by working class activists steeped in Marxist ideology who sought to create a movement that would be both loyal to its socialist principles and appealing to the wider electorate The Fate of Labour Socialism is a fundamental reexamination of the CCF and Canadian working class politics in the 1930s one that will help historians better understand Canada s political intellectual and labour history

**From Left to Right** Brian T. Thorn,2016-07-22 In From Left to Right Brian Thorn explores what motivated Canadian women to become politically engaged in the 1940s and 50s Although women in these decades are often depicted as being trapped in the suburbs caring for children baking pies and leaving politics to men they joined diverse political parties including the Social Credit Party the Co operative Commonwealth Federation and the Communist Party of Canada Thorn argues controversially that while women on the left and right had different goals their activism continued to be informed by maternalism They used their roles as wives and mothers to influence their parties positions on war and unions to break down barriers between the private and public spheres and to push for a new world order Along the way they laid the foundations for the 1960s feminist movement
