Patriotism For Grownups:

Patriotism for Grownups Eda J. LeShan, Lawrence L. LeShan, 2005 Patriotism is loyalty to a group We regard the person without it as paltry at best Historically the size of the group to which most of us have been loyal has increased from the family to the tribe to the city to the state or province and now to the nation Today our children use the Internet as if there were no such things as national borders We all know the radioactive clouds viruses the clean air from healthy oceans and rainforests and the polluted air from uncaring human acts do not notice the fences and custom offices that mark off spaces as separate countries on our only beautiful planet We have for the first time in history an opportunity and necessity to continue the great slow movement of patriotism toward inclusion of all human beings This book is a handbook on how to do this not to make our loyalty to our native country less but to make our loyalty to the entire human race more The great Utopian goals have all failed and we have little interest in them today The way to go forward is in small steps and actions that can be done without major changes in our everyday life Eleanor Roosevelt wrote It is better to light one candle than to curse the darkness If enough of us light one candle each we will have a blazing light to guide us to a brighter future **Authentic Patriotism** Stephen P. Kiernan, 2010-05-06 Authentic Patriotism presents a provocative inspiring account of our neglected American ideals and the people who are living them today Patriotism has become a loaded word one that is wielded against people with whom we might disagree or whose cultural origins don't match our own But our founding fathers Washington Jefferson Adams and others saw patriotism as a dynamic force an act of service in an evolving nation that defined its purpose by offering all people a better way of life In Authentic Patriotism author and award winning journalist Stephen P Kiernan explores the original ideals that have been lost in our current climate where war and economic turmoil have eroded our sense of civic obligation Kiernan describes a nation adrift out of touch with its origins and then introduces a range of inspiring people who have revived our national purpose by taking action The out of work college graduate who led an economic and environmental renewal of her blighted home community The retired executive who pioneered a revolutionary concept in health care for people without insurance The minister who created a legendary choir with the goal of uniting children of different races genders and classes in one voice The family who donated their daughter's heart so that another might live These and other New Americans are profiled in a book that offers hope ideas examples and practical resources for readers who want to renew the American spirit **A Critical Analysis of Patriotism As an Ethical Concept** Clarence Reidenbach, 2022-08-21 A Critical Analysis of Patriotism As an Ethical Concept by Clarence Reidenbach Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format *Serious Grownup Sh*t*

Dr. Brandon Day ,2024-11-23 After a lifetime of bad decisions job after job excessive indulgence in drugs and booze a massive accumulation of debt and a couple of unwanted divorces none of which were his fault of course bestselling author and comedian Dr Brandon Day has lots to share with his readers But those listeners need to prepare for a bucket load of barely credible sometimes shocking experiences delivered with an earful of expletives a bottomless pit of clever analogies lots of self deprecation a good measure of sarcasm and lots of tongue in cheek humor Dr Brandon Day has elected to laugh at his messy life can be and he invites us to laugh along with him Though circumstances differ many of us will see ourselves in Dr Brandon He connects with us draws us in and leaves us thinking about the many issues political social and cultural that he addresses ever so subtly and sometimes like a brick over the head Are you ready for an outrageous often irreverent read Brace yourself I always hated being an adult I resented the idea of being so caught up in all of that silly grown up stuff like forgetting to pay my bills finding socks that matched and lying about why I was late for work everyday that I lost sight of everything that ever made me happy as a child I gave up on popping wheelies I stopped ding dong ditching the crazy old cat lady who lived down the street I didn t even think spitballs or really loud farts were as funny as they used to be and I hadn t drawn a dick on a school desk or a bathroom stall in years Heck I couldn t even remember the last time I threw an underage drinking party at my parent s house when they weren t home or when I had sex with a sixteen year old girl in the back seat of my mom s car By my 40th birthday I was completely broken and just a shell of that spry boy who left the loudest farts in the 5th grade It was sometime after I graduated college when I realized that I needed to find a fucking job and move the hell out so I could start paying my own goddamn bills already At least that s what my parents were always telling me What my parents didn t understand was that I was a Psychology major and we Psychology majors well we don t do stuff like get good jobs or move out of our parent s house With a shitty college major and not enough charm or good looks to enter the lucrative world of pharmaceutical sales like my mom and dad wanted me to it looked like I was destined to smoke pot all day and live with my parents forever But with a little luck and a lot of white privilege my life is finally on the right track I healed the damaged relationship with my father even though he could be a real dick sometimes I also awakened my inner child Now I am the same fun loving happy go lucky kid who used to masturbate five times a day and played with matches I have dental insurance an amicable divorce and two kids who aren t in therapy yet I am even back to drawing dicks on people s stuff at work again Let s just say my life turned out exactly as God had planned

approach of studying European Jewish patriotism as a whole with particular attention given to creative literature Despite their growing awareness of racial genocidal hatred most European Jews between 1789 and 1939 tended to be patriotic toward the countries of their citizenship an attitude reflected in the literature of the time Yet the common assumption among emancipated Jews that anti-Semitism would fade in a world governed by reason proved false For millions of European Jews the infinite possibilities they associated with emancipation came to nothing The Jewish experience exposed many of the weaknesses and failings of the liberal multicultural state and demonstrated that its survival cannot be taken for granted but is dependent on vigilance and struggle By focusing on Jewish patriotism from 1789 1939 this book explores the nature of the liberal state how it can fail and the conditions needed for its survival Shakespeare for Grown-ups Elizabeth Foley, Beth Coates, 2014-09-18 Rather jolly and very helpful The Times Need to swot up on your Shakespeare The ultimate guide to the Bard perfect for the Shakespeare aficionado and general reader alike If you've always felt a bit embarrassed at your precarious grasp on the plot of Othello or you haven't a clue what a petard as in hoist with his own petard actually is then fear not because this at last is the perfect guide to the Bard From the authors of the number one bestselling Homework for Grown ups Shakespeare for Grown ups is the essential book for anyone keen to deepen their knowledge of their plays and sonnets For parents helping with their children's homework casual theatre goers who want to enhance their enjoyment of the most popular plays and the general reader who feels they should probably know more about Britain's most splendid scribe Shakespeare for Grown ups covers Shakespeare's time his personal life his language his key themes his less familiar works and characters his most famous speeches and quotations phrases and words that have entered general usage and much more
