Douglas Price, 2024-08-01 Praise for the series Perhaps the most important historical undertaking of our age one of the most valuable historical works ever produced Times Literary Supplement A landmark in the field of historical endeavour the most admirable collection of sources on English history that exists American Historical Review English Historical Documents is the most ambitious impressive and comprehensive collection of primary documents on English history ever published The volumes have each become landmark publications in their own fields This long awaited volume covers 1558 1603 the reign of Elizabeth I when government culture religion and foreign policy all underwent profound change This volume includes informative introductory pieces for the parts and sections and editorial comment is directed towards making sources intelligible rather than drawing conclusions from them Opening with an introductory section which contextualises the accession of Elizabeth to the throne the volume covers all key aspects of the Elizabethan period including Institutions Social and economic structures The marriage question and the problem of the succession Family and household Cultural life The Church and religious affairs Elizabethan wars Overseas trade and exploration Crime and disorder The format of the series has been updated and the documents gathered here encompass the most up to date approaches to the material

Women and Politics in Early Modern England, 1450-1700 James Daybell, 2017-03-02 This collection of essays examines women's involvement in politics in early modern England as writers as members of kinship and patronage networks and as petitioners intermediaries and patrons It challenges conventional conceptualizations of female power and influence defining politics broadly in order to incorporate women excluded from formal male dominated state institutions The chapters embrace a range of interdisciplinary approaches historical literary palaeographic linguistic and gender based They deal with a variety of issues related to female intervention within political spheres including women's rhetorical persuasive and communicative skills the production by women of a range of texts that can be termed political the politicization of marital family and kinship networks and female involvement in patronage and court politics Women and Politics in Early Modern England 1450 700 also looks at ways in which images of female power and authority were represented within canonical texts such as Shakespeare's plays and Milton's epic poetry The volume extends the range of areas and texts for the study of women gender and politics and locates women's political social and cultural activities within the contexts of the family locality and wider national stage It argues for a blurring of the boundaries between the traditional categories of the public and the private the domestic and the political and enhances our understanding of the ways in which women exerted political force through informal intimate and personal as well as more official and formal channels of power As a whole the book makes an important contribution to the reassessment of early modern politics from the perspective of women

Shakespeare Studies Susan Zimmerman, 2006-10 Shakespeare Studies is an international volume published every year in hard cover that contains essays and studies by critics and cultural historians from both

hemispheres Although the journal maintains a focus on the theatrical milieu of Shakespeare and his contemporaries it is also concerned with Britain's intellectual and cultural connections to the continent its sociopolitical history and its place in the emerging globalism of the period In addition to articles the journal includes substantial reviews of significant publications dealing with these issues as well as theoretical studies relevant to scholars of early modern culture Volume XXXIV continues the journal's series of Forums in which a group of scholars address an issue of importance to early modern studies The Forum in this issue is entitled *Is There Character After Theory* Organized and introduced by Raphael Falco it features Tom Bishop Dympna Callaghan Jonathan Crewe Christy Desmet Elizabeth Fowler and Alan Sinfield Volume XXXIV also includes three essays Roger Chartier on *Jack Cade the Skin of a Dead Lamb and the Hatred for Writing* Julian Yates on *Stealing Shakespeare's Oranges* and Anston Bosman on *Best Play with Mardian Eunuch and Blackamoor* and Imperial Culturegram Susan Zimmerman is Professor of English at Queens College City University of New York Garrett Sullivan is Associate Professor of English at Pennsylvania State University

[The Oxford History of Anglicanism, Volume I](#) Anthony Milton, 2017-01-26 The Oxford History of Anglicanism is a major new and unprecedented international study of the identity and historical influence of one of the world's largest versions of Christianity This global study of Anglicanism from the sixteenth century looks at how was Anglican identity constructed and contested at various periods since the sixteenth century and what was its historical influence during the past six centuries It explores not just the ecclesiastical and theological aspects of global Anglicanism but also the political social economic and cultural influences of this form of Christianity that has been historically significant in western culture and a burgeoning force in non western societies today The chapters are written by international experts in their various historical fields which includes the most recent research in their areas as well as original research The series forms an invaluable reference for both scholars and interested non specialists Volume one of The Oxford History of Anglicanism examines a period when the nature of Anglicanism was still heavily contested Rather than merely tracing the emergence of trends that we associate with later Anglicanism the contributors instead discuss the fluid and contested nature of the Church of England's religious identity in these years and the different claims to what should count as Anglican orthodoxy After the introduction and narrative chapters explain the historical background individual chapters then analyse different understandings of the early church and church history variant readings of the meaning of the royal supremacy the role of bishops and canon law and cathedrals the very diverse experiences of religion in parishes styles of worship and piety church decoration and Bible usage and the competing claims to Anglican orthodoxy of puritanism avant garde conformity and Laudianism Also analysed are arguments over the Church of England's confessional identity and its links with the foreign Reformed Churches and the alternative models provided by English Protestant activities in Ireland Scotland and North America The reforms of the 1640s and 1650s are included in their own right and the volume concludes that the shape of the Restoration that emerged was far from inevitable or expressive of a

settled Anglican identity **The Politics of Female Households: Ladies-in-waiting across Early Modern Europe**, 2013-10-24 The Politics of Female Households is the first collection that seeks to integrate ladies in waiting into the master narrative of early modern court studies Presenting evidence and analysis of the multifarious ways in which women above stairs shaped the European courts of the sixteenth and seventeenth centuries it argues for a re assessment of their political influence The cultural agency of ladies in waiting is viewed in the reflection of portraiture pamphlets and masques their political dealings and patronage are revealed through analysis of letters family networks career patterns gift exchange and household structures as well as their activities in the fields of intelligence gathering and espionage By concentrating on a previously neglected area of female agency this collection demonstrates clearly that the political climate of Europe was often shaped outside the male dominated institutions of government and administration Contributors include Helen Graham Matheson Hannah Leah Crumm Katrin Keller Vanessa de Cruz Birgit Houben Dries Raeymaekers Janet Ravenscroft Una McIlvenna Rosalind K Marshall Oliver Mallick Cynthia Fry Nadine Akkerman Sara J Wolfson Fabian Persson and Jeroen Duindam **Monumental London** Richard Barras, 2023-10-26 This book presents an original interpretation of the building history of London in terms of its evolving political economy Each of the seven ages of the city from the Roman to the modern are portrayed through their monumental buildings concentrating in particular on their symbolic purpose as expressions of the status and authority of those who built them The concluding synthesis explores how these successive layers of building can be seen to be a product of the evolving class structure the changing distribution of wealth and the shifting struggle for political power within the city and the nation Although the focus is on London the analysis is applicable to any urbanized economy at any stage of development This book offers unique insight into London as a landscape of power and as a city that has assumed a succession of identities over the last two millennia It will be relevant to students and researchers interested in urban economy economic history and the political economy **Elizabeth** John Guy, 2016-05-03 COSTA AWARD FINALIST ECONOMIST BOOK OF THE YEAR FINANCIAL TIMES BOOK OF THE YEAR Film rights acquired by Gold Circle Films the team behind My Big Fat Greek Wedding A fresh thrilling portrait Guy's Elizabeth is deliciously human Stacy Schiff The New York Times Book Review A groundbreaking reconsideration of our favorite Tudor queen Elizabeth is an intimate and surprising biography that shows her at the height of her power Elizabeth was crowned queen at twenty five but it was only when she reached fifty and all hopes of a royal marriage were behind her that she began to wield power in her own right For twenty five years she had struggled to assert her authority over advisers who pressed her to marry and settle the succession now she was determined not only to reign but to rule In this magisterial biography John Guy introduces us to a woman who is refreshingly unfamiliar at once powerful and vulnerable willful and afraid We see her confronting challenges at home and abroad war against France and Spain revolt in Ireland an economic crisis that triggers riots in the streets of London and a conspiracy to place her cousin Mary Queen of Scots on her throne For a while she is smitten by a much younger man but can

she allow herself to act on that passion and still keep her throne For the better part of a decade John Guy mined long overlooked archives scouring handwritten letters and court documents to sweep away myths and rumors This prodigious historical detective work has enabled him to reveal for the first time the woman behind the polished veneer determined prone to fits of jealous rage wracked by insecurity often too anxious to sleep alone At last we hear her in her own voice expressing her own distinctive and surprisingly resonant concerns Guy writes like a dream and this combination of groundbreaking research and propulsive narrative puts him in a class of his own Significant forensic and myth busting John Guy inspires total confidence in a narrative which is at once pacy and rich in detail Anna Whitelock TLS Most historians focus on the early decades with Elizabeth's last years acting as a postscript to the beheading of Mary Queen of Scots and the defeat of the Spanish Armada Guy argues that this period is crucial to understanding a more human side of the smart redhead The Economist Book of the Year *The Burlington Magazine* ,2002 »*Spiritus intus agit*« Oliver Mallick,2016-04-11 Es gibt kaum eine französische Königin bei der so zahlreiche Biografien vorliegen wie bei Anna von Österreich Gleichwohl beschränken sie sich meist auf eine Nacherzählung der politischen Ereignisse ohne der Königin und ihrer tatsächlichen Bedeutung wirklich gerecht zu werden Basierend auf einer erstmals grundlegend durchgeführten Betrachtung von Anna von Österreichs Patronagepolitik unter besonderer Berücksichtigung der Aspekte Inszenierung Hof und Freundschaft ist die vorliegende Studie daher bemüht sich eingehender mit ihrer Person aber auch mit den grundsätzlichen Handlungsspielräumen weiblicher Herrschaft in der Frühen Neuzeit auseinanderzusetzen Dabei wird ein begrifflicher und methodischer Ansatz zugrunde gelegt der dem nachweislich weit gefassten Verständnis von Patronage im 17. Jahrhundert Rechnung trägt Auf diese Weise ist es möglich das größtenteils immer noch vorherrschende Bild von Anna von Österreich als eine politisch inkompetente von ihrem Ersten Minister Mazarin völlig abhängig und in ihren letzten Lebensjahren als Ludwig XIV. beschloss allein zu regieren und sie den Kronrat verlassen musste politisch einflusslose Königin zu modifizieren und in weiten Teilen auch klar zu widerlegen **Current contents Arts and Humanities** ,2002 The Progresses, Pageants, and Entertainments of Queen Elizabeth I Jayne Elisabeth Archer,Elizabeth Goldring,Sarah Knight,2007-03-29 More than any other English monarch before or since Queen Elizabeth I used her annual progresses to shape her royal persona and to bolster her popularity and authority During the spring and summer accompanied by her court Elizabeth toured southern England the Midlands and parts of the West Country staying with private and civic hosts and at the universities of Oxford and Cambridge The progresses provided hosts with unique opportunities to impress and influence the Queen and became occasions for magnificent and ingenious entertainments and pageants drawing on the skills of architects artists and craftsmen as well as dramatic performances formal orations poetic recitations parades masques dances and bear baiting The Progresses Pageants and Entertainments of Queen Elizabeth I is an interdisciplinary essay collection drawing together new and innovative work by experts in literary studies history theatre and performance studies art history and antiquarian studies

As such it will make a unique and timely contribution to research on the culture and history of Elizabethan England Chapters include examinations of some of the principal Elizabethan progress entertainments including the coronation pageant Veritas temporis filia 1559 Kenilworth 1575 Norwich 1578 Cowdray 1591 Bisham 1592 and Harefield 1602 while other chapters consider the themes raised by these events including the ritual of gift giving the conduct of government whilst on progress the significance of the visual arts in the entertainments regional identity and militarism elite and learned women as hosts the circulation and publication of entertainment and pageant texts the afterlife of the Elizabethan progresses including their reappropriation in Caroline England and the documenting of Elizabeth s reign by late eighteenth and early nineteenth century antiquarians such as John Nichols who went on to compile the monumental *The Progresses of Queen Elizabeth* 1788 1823 **The British Art Journal** ,2004 **The Building of Elizabethan and Jacobean England** Maurice Howard,2007 Building accounts government regulation and theoretical writing on the one hand and pictorial representation on the other directed new ways of documenting the changed appearance of the buildings in which people lived worshipped and worked This book shows how changes of style in architecture emerged from the practical needs of building a new society through the image making of public and private patrons in the revolutionary century between Reformation and Civil War BOOK JACKET Patronage, Politics, and Literary Traditions in England, 1558-1658 Cedric Clive Brown,1993
