advanced coach and counsellor by asking a simple question What is NLP Inviting us on his personal journey he provides the  
reader in this book with an insight as to how he coaches using his own NLP model as well as exploring the complexity of NLP

base Ground breaking and thought provoking this book offers a modern examination of NLP Highlighting why NLP is still  
useful and popular and exploring why it fills a gap in the market place for effective coaching this book will be essential
