Lema-Hincapié, Conxita Domènech, 2020-11-13 *Indiscreet Fantasies* Iberian Queer Cinema is a collection of fifteen essays each focusing on a queer film by a prominent Iberian filmmaker The films studied here span nearly five decades beginning with Narciso Ib ez Serrador s *La residencia* *The House That Screamed* 1970 and ending with Jo o Pedro Rodrigues *O ornithólogo* *The Ornithologist* 2016 The first of its kind for English speaking readers this book examines the work of filmmakers Ventura Pons Cesc Gay Marta Balleb Coll Paulo Rocha Roberto Cast n Ignacio Vilar and Pedro Almod var among others from various Iberian cultural and linguistic cultures including that of Portugal Catalonia Galicia and the Basque Country Rather than presenting a historical survey of Iberian queer films *Indiscreet Fantasies* encourages a deep reading of each film sends readers to other related films writings and fosters meditation on the ways these films cast light on particular moments and aspects of contemporary Iberian queer issues in history and society *Gay Directors, Gay Films?* Emanuel Levy, 2015-08-25

Through intimate encounters with the life and work of five contemporary gay male directors this book develops a framework for interpreting what it means to make a gay film or adopt a gay point of view For most of the twentieth century gay characters and gay themes were both underrepresented and misrepresented in mainstream cinema Since the 1970s however a new generation of openly gay directors has turned the closet inside out bringing a poignant immediacy to modern cinema and popular culture Combining his experienced critique with in depth interviews Emanuel Levy draws a clear timeline of gay filmmaking over the past four decades and its particular influences and innovations While recognizing the queering of American culture that resulted from these films Levy also takes stock of the ensuing conservative backlash and its impact on cinematic art a trend that continues alongside a growing acceptance of homosexuality He compares the similarities and differences between the North American attitudes of Todd Haynes Gus Van Sant and John Waters and the European perspectives of Pedro Almod var and Terence Davies developing a truly expansive approach to gay filmmaking and auteur cinema

Queer Transitions in Contemporary Spanish Culture Gema Pérez-Sánchez, 2012-02-01 Gema P rez S nchez argues that the process of political and cultural transition from dictatorship to democracy in Spain can be read allegorically as a shift from a dictatorship that followed a self loathing homosexual model to a democracy that identified as a pluralized queer body Focusing on the urban cultural phenomenon of *la movida* she offers a sustained analysis of high queer culture as represented by novels along with an examination of low queer culture as represented by comic books and films P rez S nchez shows that urban queer culture played a defining role in the cultural and political processes that helped to move Spain from a

premodern fascist military dictatorship to a late capitalist parliamentary democracy The book highlights the contributions of women writers Ana Mar a Moix and Cristina Peri Rossi as well as comic book artists Ana Juan Victoria Martos Ana Miralles and Asun Balzola Its attention to women s cultural production functions as a counterpoint to its analysis of the works of such male writers as Juan Goytisolo and Eduardo Mendicutti comic book artists Nazario Rubin and Luis Prez Ortiz and filmmaker Pedro Almod var

After Hitchcock David Boyd,R. Barton Palmer,2010-01-01 Alfred Hitchcock is arguably the most famous director to have ever made a film Almost single handedly he turned the suspense thriller into one of the most popular film genres of all time while his Psycho updated the horror film and inspired two generations of directors to imitate and adapt this most Hitchcockian of movies Yet while much scholarly and popular attention has focused on the director s oeuvre until now there has been no extensive study of how Alfred Hitchcock s films and methods have affected and transformed the history of the film medium In this book thirteen original essays by leading film scholars reveal the richness and variety of Alfred Hitchcock s legacy as they trace his shaping influence on particular films filmmakers genres and even on film criticism Some essays concentrate on films that imitate Hitchcock in diverse ways including the movies of Brian de Palma and thrillers such as True Lies The Silence of the Lambs and Dead Again Other essays look at genres that have been influenced by Hitchcock s work including the 1970s paranoid thriller the Italian giallo film and the post Psycho horror film The remaining essays investigate developments within film culture and academic film study including the enthusiasm of French New Wave filmmakers for Hitchcock s work his influence on the filmic representation of violence in the post studio Hollywood era and the ways in which his films have become central texts for film theorists

The Passion of Pedro Almodóvar James Miller,2025-04-29 The films of Pedro Almod var teem with characters who at once are and are not alter egos of the director In film after film the Spanish auteur mines his past for alternative selves telling and retelling formative stories from his own life plumbing the depths of his memory while exploring other lives he might have led What can Almod var s work tell us about the quest for self knowledge for understanding who we are and who we might yet become James Miller considers seven of Almod var s most personal films arguing that together they offer a revealing self portrait of the director and his search for meaning Beginning with Volver Miller traces Almod var s

signature obsessions backward and forward through the director's filmography Deeply shaped by the counterculture of the 1960s which arrived belatedly in Franco's Spain Almodóvar has long been fascinated by the exhilarating power and devastating limitations of artistic and sexual transgression In rich readings Miller shows how Almodóvar tests the blurry line between fiction and reality the bounds of individual freedom and the durability of a sense of self In so doing the director turns cinema into a form of philosophical investigation and self exploration A keenly observed masterfully written portrait of one of world cinema's greatest creative forces The Passion of Pedro Almodóvar finds in film new ways to tell the story of a life

Desire Unlimited Paul Julian Smith, 2000-11-17 The huge international success of his latest feature All About My Mother has finally granted Pedro Almodóvar the recognition he deserves as the most artistically ambitious and commercially consistent film maker in Europe **Toward a Cultural Archive of la Movida** William J. Nichols, H. Rosi Song, 2013-11-26 Toward a Cultural Archive of la Movida revisits the cultural and social milieu in which la Movida an explosion of artistic production in the late 1970s and early 1980s was articulated discursively aesthetically socially and politically We connect this experience with a broader national and international context that takes it beyond the city of Madrid and outside the borders of Spain This collection of essays links the political and social undertakings of this cultural period with youth movements in Spain and other international counter cultural or underground movements Moving away from biographical experiences or the identification of further participants and works that belong to la Movida the articles collected in this volume situate this movement within the political and social development of post Franco Spain Finally it also offers a reading of recent politically motivated recoveries of this cultural phenomenon through exhibitions state sponsored documentaries musicals or tourist itineraries The perception of Spain as representative of a successful dual transition from dictatorship to democracy and free market capitalism created a Spanish model that has been emulated in countries like Portugal Argentina Chile and Hungary all formerly ruled by totalitarian regimes While social scientists study the promises contradictions and failures of the Spanish Transición especially on issues of memory repression and the lack of reconciliation our approach from the humanities offers another vantage point to a wider discussion of an unfinished chapter in recent Spanish history by focusing on la Movida as the cultural archive whose cultural transitions parallel the political and economic ones The transgressive urban nature of this movement demonstrated an overt desire especially among Spanish youth to reach onto a global arena emulating the punk and new wave aesthetic of such cities as London New York Paris and Berlin Art design film music fashion during this period helped to forge a sense of a modern urban identity in Spain that also reflected the tensions between modernity and tradition global forces and local values international mass media technology and regional customs *World Literature Today*, 2007

Mayan Drifter Juan Felipe Herrera, 1997 In a variety of narrative voices poems and a play set at different times in history the author presents a journey to the Maya Lowlands of Chiapas on a quest for his Indio heritage and a vision of the multicultural identity emerging in America envisioning the disappearance of borders and evoking a fluid American self that

needs no fixed identity or location **It's Not About the Tapas** Polly Evans, 2007-12-18 Single stressed and living amid the hustle and hurry of modern Hong Kong Polly Evans had a vision of mountains and orange groves matadors and promenades and of a glorious hassle free journey across Spain by bicycle But like any decent dream Polly's came with its own reality of thighs screaming with pain and goats trying to derail her of strange local delicacies and overzealous suitors In fact like any great traveler Polly had bitten off more than she could chew and would delight in every last taste of it Exploring the country that gave the world flamenco chocolate sherry Franco and Picasso Polly takes us from the towering Pyrenees to the vineyards of Jerez de la Frontera spinning tales of conquistadors and kings vibrant history and mouthwatering cuisine In the end this hilarious irreverent always engaging memoir of a journey on two wheels unveils a lot about one modern woman even more about an utterly fascinating nation and countless reasons why it's better when you do it on a bike **Pedro Almodovar** Ernesto R. Acevedo-Munoz, 2019-07-25 The book provides a detailed introduction to the essential themes style and aesthetics of Pedro Almodovar's films put in the context of Spain's profound cultural transitions since 1980 With precise and close analysis the book covers the major concerns of the most successful of all Spanish film directors and makes direct clear connections to the logic of Almodovar's aesthetic and stylistic choices By spanning the entirety of Pedro Almodovar's feature making career the book emphasizes the director's sensibility to make the outrageous believable and to always give a unique spin to the issues Spanish history culture and identity A detailed and comprehensive approach to all of Pedro Almodovar's feature films from the outrageous 1980 *Pepi Luci Bom and Other Girls on the Heap* to the sophisticated 2004 *Bad Education* this book provides more than an introduction an intimate look at the topics style aesthetics and cultural sensibilities of Spain's most distinguished and celebrated film director since Luis Bunuel By focusing on a film by film and often scene by scene analysis this book offers a meticulous interpretation of characters situations allusions and cultural intersections as well as emphasizing the meaning and weight of cultural historical and social contexts The book traces the evolution of Almodovar's career from the perspective of aesthetic narrative and stylistic concerns and places those changes in the logical context of Spain's historical trajectory from the end of Franco's dictatorship to the transition to democracy exploring Almodovar's interest on issues of identity sexuality and nationalism *From Moscow to Madrid* Ewa Mazierska, Laura Rascaroli, 2002-10-24 Travelling from Warsaw to Blackpool Marseilles to Madrid this lively and accessible book investigates the postmodern nature of contemporary Europe's urban life and cinema and shows how European films represent the cities across old and new Europe Interdisciplinary in approach the text engages with diverse films including *Luna Park* *Run Lola Run* *Trainspotting* *Wonderland* and many more It tackles the issues of postmodernity raised by these films and the changes wrought in European cities since the 1980s under the effects of political change from the post communist era in Moscow and Berlin to the effects of Thatcherism in Edinburgh and London
