**From Near and Far** Tyler Stovall, 2022-12 From Near and Far relates the history of modern France from the French Revolution to the present Noted historian Tyler Stovall considers how the history of France interacts with both the broader history of the world and the local histories of French communities examining the impacts of Karl Marx Ho Chi Minh Paul Gauguin and Josephine Baker alongside the rise of haute couture and the contemporary role of hip hop From Near and Far focuses on the interactions between France and three other parts of the world Europe the United States and the French colonial empire Taking this transnational approach to the history of modern France Stovall shows how the theme of universalism so central to modern French culture has manifested itself in different ways over the last few centuries Moreover it emphasizes the importance of narrative to French history that historians tell the story of a nation and a people by bringing together a multitude of stories and tales that often go well beyond its boundaries In telling these stories From Near and Far gives the reader a vision of France both global and local at the same time

**Gauguin** Gloria Lynn Groom, 2017-01-01 An unprecedented exploration of Gauguin's works in various media from works on paper to clay and furniture Paul Gauguin 1848 1903 was a creative force above and beyond his legendary work as a painter Surveying the full scope of his career spanning experiments in different media and formats clay works on paper wood and paint as well as furniture and decorative friezes this volume delves into his enduring interest in craft and applied arts reflecting on their significance to his creative process Gauguin Artist as Alchemist draws on extensive new research into the artist's working methods presenting him as a consummate craftsman one whose transmutations of the ordinary yielded new and remarkable forms Beautifully designed and illustrated this book includes essays by an international team of scholars who offer a rich analysis of Gauguin's oeuvre beyond painting By embracing other art forms which offered fewer dominant models to guide his work Gauguin freed himself from the burden of artistic precedent In turn these groundbreaking creative forays especially in ceramics gave new direction to his paintings The authors insightful emphasis on craftsmanship deepens our understanding of Gauguin's considerable achievements as a painter draftsman sculptor ceramist and printmaker within the history of modern art

**The Brain-Eye** Eric Alliez, 2015-12-11 A detailed and inventive study of the thinking at work in modern painting drawing on a formidable body of scholarly evidence to challenge modernist and phenomenological readings of art history The Brain Eye presents a series of interlinked case studies in which philosophical thought encounters the hallucinatory sensations unleashed by painter researchers Rather than outlining a new philosophy of art The Brain Eye details the singular problems pursued by each of its protagonists Striking readings of the oeuvres of Delacroix Seurat Manet

Gauguin and C zanne recount the plural histories of artists who worked to free the differential forces of colour discovered by Goethe in his Colour Theory in the name of a true hallucination and of a logic proper to the Visual A rigorous renewal of the philosophical thinking of visual art The Brain Eye explores the complex relations between concept and sensation theory and practice the discursive and the visual and draws out the political and philosophical stakes of the aesthetic revolution in modern painting     The Annenberg Collection Metropolitan Museum of Art (New York, N.Y.),Colin B.
