Paul Marchand F.m.c. Charles Waddell Chesnutt, 1998 On discovering through an inheritance that he is white Paul Marchand a free man of color in 1820s New Orleans must renounce his mulatto wife and bastardize his children as mixed marriage is illegal Marchand solves the problem by moving to France even though this means giving up his fortune A look at a man of honor *Writing Out of Place* Judith Fetterley, Marjorie Pryse, 2003 In a series of sketches regionalist writers such as Alice Cary Mary E Wilkins Freeman Sarah Orne Jewett Grace King Alice Dunbar Nelson Sui Sin Far and Mary Austin critique the approach to regional subjects characteristic of local color and present narrators who serve as cultural interpreters for persons often considered out of place by urban readers In their approach to these writers Fetterley and Pryse offer contemporary readers an alternative vantage point from which to consider questions of regions and regionalism in the global economy of our own time Jacket **Whiteness in the Novels of Charles W. Chesnutt** Matthew Wilson, 2009 An examination of race and audience in an American innovator's writings *Voices and Visions* Nancy Dixon, Leslie Petty, 2025-01-15 Contributions by Ruth R Caillouet Mary C Carruth Nancy Dixon Kathleen Downes Edward J Dupuy Shari Evans Paul Fess Carina Evans Hoffpauir Leslie Petty Heidi Podlasi Labrenz Tierney S Powell Shanna M Salinas Matthew Teutsch and Marcus Charles Tribbett *Voices and Visions* Essays on New Orleans's Literary History examines a rich combination of writers and texts from antebellum works like Martin R Delany's novel *Blake* and the poetry of Les Cénelles to Patricia Smith's recent collection of poems *Blood Dazzler* The thirteen essays in *Voices and Visions* treat two hundred years of literature and include discussions on canonical contemporary and experimental writers Authors often associated with New Orleans such as Kate Chopin George Washington Cable and Walker Percy are treated in new ways as are well known writers who are not often thought of in relation to the city Charles Chesnutt Eudora Welty Zora Neale Hurston and Joy Harjo Examining this wide array of voices demonstrates the myriad ways New Orleans's storied past has affected its present Scholars find enduring themes race gender religion disease art but do so in the context of emerging conversations Essayists in the volume address such topics as New Orleans as part of the Global South and the Black diaspora the transformation of New Orleans after Hurricane Katrina and the recovery of previously lost voices including those of Native Americans and immigrants They also discuss the legacy of pandemics and racial violence that in more recent years has been manifest in the COVID 19 outbreak and the Black Lives Matter movement *Passing in the Works of Charles W. Chesnutt* Susan Prothro Wright, Ernestine Pickens Glass, 2010-06-17 *Passing in the Works of Charles W Chesnutt* is a collection that reevaluates Chesnutt's deft manipulation of the passing theme to expand understanding of the author's fiction and nonfiction Nine contributors apply a variety of theories including intertextual signifying discourse analysis narratological formal psychoanalytical new historical reader response and performative frameworks to add richness to readings of Chesnutt's works Together the essays provide convincing evidence that passing is an intricate essential part of Chesnutt's writing and

that it appears in all the genres he wielded journal entries speeches essays and short and long fiction The essays engage with each other to display the continuum in Chesnutt s thinking as he began his writing career and established his sense of social activism as evidenced in his early journal entries Collectively the essays follow Chesnutt s works as he proceeded through the Jim Crow era honing his ability to manipulate his mostly white audience through the astute though apparently self effacing narrator Uncle Julius of his popular conjure tales Chesnutt s ability to subvert audience expectations is equally noticeable in the subtle irony of his short stories Several of the collection s essays address Chesnutt s novels including Paul Marchand F M C Mandy Oxendine The House Behind the Cedars and Evelyn s Husband The volume opens up new paths of inquiry into a major African American writer s oeuvre

Chesnutt and Realism Ryan Simmons,2006-08-08 An important examination of Charles Chesnutt as a practitioner of realism With the release of previously unpublished novels and a recent proliferation of critical studies on his life and work Charles W Chesnutt 1858 1932 has emerged as a major American writer of his time the age of Howells Twain and Wharton In Chesnutt and Realism Ryan Simmons breaks new ground by theorizing how understandings of literary realism have shaped and can continue to shape the reception of Chesnutt s work Although Chesnutt is typically acknowledged as the most prominent African American

Telling Narratives Leslie W. Lewis,2024-03-18 Telling Narratives analyzes key texts from nineteenth and early twentieth century African American literature to demonstrate how secrets and their many tellings have become slavery s legacy By focusing on the ways secrets are told in texts by Jessie Fauset Charles W Chesnutt Pauline Hopkins Frederick Douglass and others Leslie W Lewis suggests an alternative model to the feminist dichotomy of breaking silence in response to sexual violence This fascinating study also suggests that masculine bias problematically ignores female experience in order to equate slavery with social death In calling attention to the sexual behavior of slave masters in African American literature Lewis highlights its importance to slavery s legacy and offers a new understanding of the origins of self consciousness within African American experience

A Business Career Charles Waddell Chesnutt, 2009-04-06 A renowned African American author's first novel with an entire cast of white characters

What Blood Won't Tell Ariela J. Gross, 2010-05-01 Unearthing the legal history of racial identity Gross's book examines the paradoxical and often circular relationship of race and the perceived capacity for citizenship in American society

Evelyn's Husband Charles W. Chesnutt, 2010-12-01 The critique of white male society that Charles W. Chesnutt launched in *A Marrow of Tradition* continues in *Evelyn's Husband* one of six manuscripts left unpublished when this highly regarded African American innovator died Set in Boston society on a deserted Caribbean island and in Brazil *Evelyn's Husband* is the story of two men one old one young in love with the same young woman Late in his career Chesnutt embarked on a period of experimentation with eccentric forms finishing this hybrid of a romance and adventure story just before publishing his last work *The Colonel's Dream* In *Evelyn's Husband* Chesnutt crafts a parody examining white male roles in the early 1900s a time when there was rampant anxiety over the subject In Boston the older man is left at the altar when his bride to be flees and marries a young architect Later trapped on an island together the jilted lover and the young husband find a productive middle ground between the dilettante and the primitive Along with *A Business Career* this novel marks Chesnutt's achievement in being among the first African American authors to defy the color barrier and write fiction with a white cast of main characters

An Exemplary Citizen: Letters of Charles W. Chesnutt, 1906-1932 Charles Waddell Chesnutt, Robert C. Leitz, Joseph R. McElrath, 2002 This book collects the letters written between 1906 and 1932 by the African American novelist and civil rights activist Charles W. Chesnutt 1858-1932 His correspondents included prominent members of the Harlem Renaissance as well as major American political figures Chesnutt sought to influence on behalf of his fellow African Americans

A History of the Literature of the U.S. South: Volume 1 Harilaos Stecopoulos, 2021-05-20 A History of the Literature of the U.S. South provides scholars with a dynamic and heterogeneous examination of southern writing from John Smith to Natasha Trethewey Eschewing a master narrative limited to predictable authors and titles the anthology adopts a variegated approach that emphasizes the cultural and political tensions crucial to the making of this regional literature Certain chapters focus on major white writers e.g. Thomas Jefferson William Faulkner the Agrarians Cormac McCarthy but a substantial portion of the work foregrounds the achievements of African American writers like Frederick Douglass Zora Neale Hurston and Sarah Wright to address the multiracial and transnational dimensions of this literary formation Theoretically informed and historically aware the volume's contributors collectively demonstrate how southern literature constitutes an aesthetic cultural and political field that richly repays examination from a variety of critical perspectives

Haiti and the Americas Carla Calargé, Raphael Dalleo, Luis Duno-Gottberg, Clevis Headley, 2013-04-23 Haiti has long played a significant role in global

perception of the western hemisphere but ideas about Haiti often appear paradoxical Is it a land of tyranny and oppression or a beacon of freedom as site of the world's only successful slave revolution A bastion of devilish practices or a devoutly religious island Does its status as the second independent nation in the hemisphere give it special lessons to teach about postcolonialism or is its main lesson one of failure Haiti and the Americas brings together an interdisciplinary group of essays to examine the influence of Haiti throughout the hemisphere to contextualize the ways that Haiti has been represented over time and to look at Haiti's own cultural expressions in order to think about alternative ways of imagining its culture and history Thinking about Haiti requires breaking through a thick layer of stereotypes Haiti is often portrayed as the region's nadir of poverty of political dysfunction and of savagery Contemporary media coverage fits very easily into the narrative of Haiti as a dependent nation unable to govern or even fend for itself a site of lawlessness that's in need of more powerful neighbors to take control Essayists in *Haiti and the Americas* present a fuller picture developing approaches that can account for the complexity of Haitian history and culture

Charles W. Chesnutt and the Fictions of Race Dean McWilliams, 2010-07-01 Charles Chesnutt 1858-1932 was the first African American writer of fiction to win the attention and approval of America's literary establishment Looking anew at Chesnutt's public and private writings his fiction and nonfiction and his well known and recently rediscovered works Dean McWilliams explores Chesnutt's distinctive contribution to American culture how his stories and novels challenge our dominant cultural narratives particularly their underlying assumptions about race The published canon of Chesnutt's work has doubled in the last decade three novels completed but unpublished in Chesnutt's life have appeared as have scholarly editions of Chesnutt's journals his letters and his essays This book is the first to offer chapter length analyses of each of Chesnutt's six novels It also devotes three chapters to his short fiction Previous critics have read Chesnutt's nonfiction as biographical background for his fiction McWilliams is the first to analyze these nonfiction texts as complex verbal artifacts embodying many of the same tensions and ambiguities found in Chesnutt's stories and novels The book includes separate chapters on Chesnutt's journal and on his important essay *The Future American* Moreover *Charles W. Chesnutt and the Fictions of Race* approaches Chesnutt's writings from the perspective of recent literary theory To a greater extent than any previous study of Chesnutt it explores the way his texts interrogate and deconstruct the language and the intellectual constructs we use to organize reality The full effect of this new study is to show us how much more of a twentieth century writer Chesnutt is than has been previously acknowledged This accomplishment can only hasten his reemergence as one of our most important observers of race in American culture

The Quarry Charles W. Chesnutt, 2014-07-14 Was Donald Glover really what he seemed a handsome dedicated and clever African American star of the Harlem Renaissance whose looks made him the quarry of a variety of women Or could the secrets of his birth change his destiny entirely Focusing on the culture of Harlem in the 1920s Charles Chesnutt's final novel dramatizes the political and aesthetic life of the exciting period we now know as the Harlem Renaissance Mixing fact and

fiction and real and imagined characters The Quarry is peopled with so many figures of the time including Booker T Washington W E B DuBois and Marcus Garvey that it constitutes a virtual guide to this inspiring period in American history Protagonist Glover is a light skinned man whose adoptive black parents are determined that he become a leader of the black people Moving from Ohio to Tennessee from rural Kentucky to Harlem his story depicts not only his conflicted relationship to his heritage but also the situation of a variety of black people struggling to escape prejudice and to take advantage of new opportunities Although he was the first African American writer of fiction to gain acceptance by America s white literary establishment Charles W Chesnutt 1858 1932 has been eclipsed in popularity by other writers who later rose to prominence during the Harlem Renaissance Recently this pathbreaking American writer has been receiving an increasing amount of attention Two of his novels Paul Marchand F M C completed in 1921 and The Quarry completed in 1928 were considered too incendiary to be published during Chesnutt s lifetime Their publication now provides us not only the opportunity to read these two books previously missing from Chesnutt s oeuvre but also the chance to appreciate better the intellectual progress of this literary pioneer Chesnutt was the author of many other works including The Conjure Woman Other Conjure Tales The House Behind the Cedars The Marrow Tradition and Mandy Oxendine Princeton University Press recently published To Be an Author Letters of Charles W Chesnutt 1889 1905 edited by Joseph R McElrath Jr and Robert C Leitz III Originally published in 1999 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Three Hundred Years of Decadence Robert Azzarello, 2019-04-09 New Orleans s reputation as a decadent city stems in part from its environmental precariousness its Francophilia its Afro Caribbean connections its Catholicism and its litany of alleged vices encompassing prostitution miscegenation homosexuality and any number of the seven deadly sins An evocative work of cultural criticism Robert Azzarello s Three Hundred Years of Decadence argues that decadence can convey a more nuanced meaning than simple decay or decline conceived in physical social or moral terms Instead within New Orleans literature decadence possesses a complex even paradoxical relationship with concepts like beauty and health progress and technological advance Azzarello presents the concept of decadence along with its perception and the uneasy social relations that result as a suggestive avenue for decoding the long shifting story of New Orleans and its position in the transatlantic world By analyzing literary works that span from the late seventeenth century to contemporary speculations about the city s future Azzarello uncovers how decadence often names a transfiguration of values in which ideas about supposed good and bad cannot maintain their stability and end up morphing into one another These evolving representations of a decadent New Orleans which Azzarello traces with attention to both

details of local history and insights from critical theory reveal the extent to which the city functions as a contact zone for peoples and cultures from Europe Africa and the Americas Drawing on a deep and understudied archive of New Orleans literature Azzarello considers texts from multiple genres fiction poetry drama song and travel writing including many written in languages other than English His analysis includes such works of transcription and translation as George Washington Cable s Creole Slave Songs and Mary Haas s Tunica Texts which he places in dialogue with canonical and recent works about the city as well as with neglected texts like Ludwig von Reizenstein s German language serial The Mysteries of New Orleans and Charles Chesnutt s novel Paul Marchand F M C With its careful analysis and focused scope Three Hundred Years of Decadence uncovers the immense significance historically politically and aesthetically that literary imaginings of a decadent New Orleans hold for understanding the city s position as a multicultural transatlantic contact zone

Black Women and Energies of Resistance in Nineteenth-Century Haitian and American Literature Mary Grace Albanese, 2023-11-08 Black Women and Energies of Resistance in Nineteenth Century Haitian and American Literature intervenes in traditional narratives of 19th century American modernity by situating Black women at the center of an increasingly connected world While traditional accounts of modernity have emphasized advancements in communication technologies animal and fossil fuel extraction and the rise of urban centers Mary Grace Albanese proposes that women of African descent combated these often violent regimes through diasporic spiritual beliefs and practices including spiritual possession rootwork midwifery mesmerism prophecy and wandering It shows how these energetic acts of resistance were carried out on scales large and small from the constrained corners of the garden plot to the expansive circuits of global migration By examining the concept of energy from narratives of technological progress capital accrual and global expansion this book uncovers new stories that center Black women at the heart of a pulsating revolutionary world

When Whites Riot Sheila Smith McKoy, 2012-11 In a bold work that cuts across racial ethnic cultural and national boundaries Sheila Smith McKoy reveals how race colors the idea of violence in the United States and in South Africa two countries inevitably and inextricably linked by the central role of skin color in personal and national identity Although race riots are usually seen as black events in both the United States and South Africa they have played a significant role in shaping the concept of whiteness and white power in both nations This emerges clearly from Smith McKoy s examination of four riots that demonstrate the relationship between the two nations and the apartheid practices that have historically defined them North Carolina s Wilmington Race Riot of 1898 the Soweto Uprising of 1976 the Los Angeles Rebellion in 1992 and the pre election riot in Mmabatho Bhoputhatswana in 1994 Pursuing these events through narratives media reports and film Smith McKoy shows how white racial violence has been disguised by race riots in the political and power structures of both the United States and South Africa The first transnational study to probe the abiding inclination to blacken riots When Whites Riot unravels the connection between racial violence both the white and the raced in the United States and South Africa as well as the social dynamics that this connection sustains

The American Novel 1870-1940 Priscilla Wald, Michael A. Elliott, Jonathan Arac, 2014-02 Witnessing the end of a war that nearly terminated the nation the abolition of racial slavery and rise of legal segregation the rise of Modernism and Hollywood the closing of the frontier and two World Wars the literary historical period represented in this volume constitutes the crucible of American literary history Here 35 essays by top researchers in the field detail how considerations of race and citizenship immigration and assimilation gender and sexuality nationalism and empire all reverberate throughout novels written in the United States between 1870 and 1940 Contributors discuss the professionalization of literary production after the Civil War alongside legal and political debates over segregation and citizenship while chapters on journalism geography religion and immigration offer discussions on everything from the lasting role of literary realism in American fiction to the Spanish American War's effect on developing theories of aesthetics and popular culture The volume offers thorough coverage of the emergence of serial fiction children's fiction crime and detective fiction science fiction and even cinema and comics as new media and artistic revolutions like the Harlem Renaissance helped usher in the new international aesthetic movement of Modernism The final chapters in the volume explore the relationship of the novel to the emergence of American literature as a category in the academy in public criticism and journalism and in mass culture
