## **Paul Knows Not Jesus:**

*The Jesus Paul Knew* James W. Reapsome, 2018-04-17 Many of us may have thought more about Paul's foundational theology than about how Paul learned more about Jesus and what it meant to obey him in the everyday tests of his faith. This ten-session LifeGuide Bible Study guide leads us through the growth in the apostle Paul's knowledge of Jesus and how it changed his life when at pivotal points he intersected with Jesus.

**Saint Paul, Master of the Spiritual Life "in Christ"** Elliott C. Maloney, 2014 In *Saint Paul* Elliott C. Maloney explores what the great saint says about the spiritual life, the how-to in the day-to-day activities and concerns of Christians. How should people live in covenant relationship with God, committed to seeking God's will in every aspect of their lives? Spirituality is a popular topic, but it is regarded as merely one part of life, some higher level of living when compared to ordinary living. Even Catholic scholarship, Maloney argues, notable as it is in Pauline exegesis and theology, seems to lack a feel for the overall kind of living that Paul wanted for his communities, not to mention how we might appropriate such wisdom for today. For Paul, all of a believer's life is spiritual life. The alternative is a life according to the flesh, a self-centered life without God, a continual spiritual death. Based on over forty years of teaching and study of the Pauline letters, Maloney's *Saint Paul* offers a rich vision of Christianity and the spiritual life in Christ.

**Biblical Reasoning** R. B. Jamieson, Tyler R. Wittman, 2022-07-05 The Gospel Coalition 2022 Book Award Winner. Academic Theology. Southwestern Journal of Theology 2022 Book Award Honorable Mention. Hermeneutics Bible Reference. Biblical Backgrounds. Two experts in exegesis and dogmatics show how Christology and the doctrine of the Trinity are grounded in Scripture and how knowledge of these topics is critical for exegesis. The book outlines key theological principles and rules for the exegesis of Christian Scripture, making it an ideal textbook for hermeneutics and interpretation courses. The

authors explore how the triune God revealed in Christ shapes Scripture and its readers and how doctrinal rules intrinsic to Scripture help guide exegesis **Getting at Jesus** Peter S. Williams, 2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus *Jesus: God, Man, Or Myth?* Herbert Cutner, 1950 Shadow of the Third Century Alvin Boyd Kuhn, 2019-01-13 Shadow of the Third Century A Revaluation of Christianity first published in 1949 begins with the assertions that a true history of Christianity has never before been written and that the roots of the Christian religion lie in earlier religions and philosophies of the ancient world The author Alvin Boyd Kuhn asserts that Christianity as we know it took the form it did due to a degeneration of knowledge rather than to an energization produced by a new release of light and truth into the world In the ancient world knowledge was commonly passed down by esoteric traditions its inner meaning known only to the initiated The Gospels according to Kuhn should therefore be understood as symbolic narratives rather than as history Sacred scriptures are always written in a language of myth and symbol and the Christian religion threw away and lost their true meaning when it mistranslated this language into alleged history instead of reading it as spiritual allegory This literalism necessarily led to a religion antagonistic toward philosophy Moreover it produced a religion that failed to recognize its continuity with and debt to earlier esoteric schools As evidence of this Kuhn finds that many of the gospel stories and sayings have parallels in earlier works in particular those of Egypt and Greece The transformation of Jesus followers into Pauline Christians drew on these sources Moreover the misunderstanding of true Christianity led to the excesses of misguided asceticism Overall the book seeks to serve as a clarion call to the modern world to return to the primitive Christianity which the founder of Christian theology Augustine proclaimed had been the true religion of all humanity With its many citations from earlier works Shadow of the Third Century also serves as a bibliographic introduction to alternative histories of Christianity *The Life of Dr. Nicholas Ridley* Gloucester Ridley, 1763 **The Branch Exposition of the Bible, Volume 1** Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New

Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture     *History of Dogma, Volume 1* Adolf von Harnack, 2023-08-22 Adolf von Harnack's *History of Dogma Volume 1* is a groundbreaking work that delves into the development of Christian doctrine during the early centuries of the church Von Harnack's writing is marked by its meticulous research and scholarly analysis making it an essential read for anyone interested in the history of Christianity The book provides a comprehensive overview of the different theological debates controversies and creeds that shaped the theological landscape of the period offering valuable insights into the evolution of Christian thought Von Harnack's clear and concise writing style makes this complex subject matter accessible to readers of all levels of expertise This volume serves as a foundational text for the study of early Christian theology and serves as a valuable resource for scholars and students alike
