Paul Lafargue And The Founding Of French Marxism 1842 1882

Ian Birchall

Paul Lafargue And The Founding Of French Marxism 1842 1882:

Paul Lafargue and the Founding of French Marxism, 1842-1882 Leslie Derfler, 1991 Paul Lafargue disciple and son in law of Karl Marx was among the most important persons giving organized political expression to Marxism in France He helped found both the first French collectivist party and the first French Marxist party He was the first Marxist to sit in the French legislature and for three decades served as the chief theoretician and propagandist for Marxism in France With his wife Laura he translated the Communist Manifesto and other works introducing and applying Marxist thought in France Demonstrating an almost seamless web between intellectual and family history Leslie Derfler relates ideas and family identity in this account of the first forty years of Paul Lafargue s life Lafargue like his famous father in law called for ideological purity and demanded total hostility to anarchists and reformists He insisted on economic determinism the primacy of the concept of the class struggle and the theory of surplus value But he made his own contributions as well particularly in his insistence on rejecting the domination of bourgeois values Lafargue s most famous pamphlet *The Right To Be Lazy* showed the advantages that labor could derive by rejecting the bourgeois work ethic An intellectual of power he pioneered in the application of Marxist methods of analysis to questions of anthropology aesthetics and literary criticism Born in Cuba of mixed racial descent Lafargue joined in demonstrations as a medical student in Paris in the 1860s and was forced into exile Resuming his studies in London he became a fixture in the Marx household until he married Laura Marx and moved to Paris There he worked to expand the influence of the International Workingmen s Association but fled to Spain following the general repression after the fall of the Paris Commune He continued his efforts on behalf of Marxism in Spain and then for ten years in London before returning to France where he helped to found the new Marxist Parti Ouvrier Fran ais in 1882

Paul Lafargue and the Flowering of French Socialism, 1882-1911 Leslie DERFLER, Leslie Derfler, 2009-06-30 Paul Lafargue the disciple and son in law of Karl Marx helped to found the first French Marxist party in 1882 Over the next three decades he served as the chief theoretician and propagandist for Marxism in France During these years which ended with the dramatic suicides of Lafargue and his wife French socialism and the Marxist party within it became a significant political force In an earlier volume *Paul Lafargue and the Founding of French Marxism 1842 1882* Leslie Derfler emphasized family identity and the origin of French Marxism Here he explores Lafargue s political strategies specifically his break with party co founder Jules Guesde in the Boulanger and Dreyfus episodes and over the question of socialist syndicalist relations Derfler shows Lafargue s importance as both political activist and theorist He describes Lafargue s role in the formulation of such strategies as the promotion of a Second Workingmen s International the pursuit of reform within the framework of the existent state but opposition to any socialist participation in nonsocialist governments and the subordination of trade unionism to political action He emphasizes Lafargue s pioneering efforts to apply Marxist methods of analysis to questions of anthropology aesthetics and literary criticism Despite the crucial part they played in the

social and political changes of the past century and the heritage they left the first French Marxists are not widely known especially in the English speaking world This important critical biography of Lafargue the most audacious of their much maligned theorists enables us to trace the options open to Marxist socialism as well as its development during a critical period of transition Paul Lafargue and the Flowering of French Socialism, 1882-1911 Leslie Derfler,1998-09-15 Lafargue disciple and son in law of Karl Marx helped found the first French Marxist party in 1882 and over the next three decades served as its chief theoretician and propagandist Here Derfler explores Lafargue s political strategies and his attempts to apply Marxist methods of analysis to anthropology aesthetics and literary criticism The Invention of Marxism Christina Morina,2023 The Invention of Marxism shows how a theory of the capitalist system grew into a political philosophy that shaped the history of the twentieth century in extremely destructive as well as productive ways how an idea conquered the world

Intellectual Founders of the Republic Sudhir Hazareesingh,2001-11-01 This innovative study of French political culture re examines the origins of modern republicanism through the lives and political thought of five nineteenth century intellectuals Jules Barni Charles Dupont White Emile Littr Eug ne Pelletan and Etienne Vacherot By their writings and their political practices at the local national international levels these thinkers made major contributions to the founding of the new republican order in France Drawing on a range of archival and published sources the book sheds new light on classical republican thinking on such key issues as the interpretation of the 1789 Revolution the definition of citizenship the meaning of patriotism the relationship between central government and local democracy the value of individual liberty and the place of education and religion in publica and private life These five studies also break new ground in the conceptualization of nineteenth century French intellectual history The writings of these thinkers demonstrate the ideological pluralism and diversity of moderate French republican thought during this period Positivism appears as an important and influential doctrine but its hegemonic aspirations were successfully resisted by the abiding influences of Saint Simonism socialism doctrinaire liberalism and neo Kantianism It emerges that the ideological potency of republican doctrine lay in its complexity and sophistication as reflected in its capacity to effect a synthesis among these different approaches Through its analysis of the writings and political practices of these five thinkers Intellectual Founders of the Republic offers critical insights into the history of political thought as well as modern French republicanism It underlines both the significance of contextuality in the interpretation of political discourse and the continuing relevance of classical republicanism in making sense of contemporary moral and political dilemmas The Human Tradition in Modern France K. Steven Vincent,Alison Klairmont-Lingo,2000-10-01 The Human Tradition in Modern France gives a human perspective of the history of France from 1789 to the present revealed in essays that highlight individuals and intriguing events that too often have been lost under labels and statistics Students will gain an understanding of the humor and passion in French history from these new original essays by well established scholars This collection also relates the individuals events and controversies to current

historiographical debates The Human Tradition in Modern France is an excellent supplementary text for courses on French history and is also useful for courses in world history and Western Civilization *Revolutionary Thought after the Paris Commune, 1871-1885* Julia Nicholls, 2019-07-18 The first comprehensive account of revolutionary and socialist thought after the 1871 Paris Commune France's last nineteenth century revolution Marx after the Kyoto School Bradley Kaye, 2022-02-03 Nishida Kitaro 1870-1945 is considered Japan's greatest modern philosopher As the founder of the Kyoto School he initiated a rigorous philosophical engagement with Western philosophy including the work of Karl Marx Bradley Kaye explores the political aspects of Nishida's thought placing his work in connection with Marxism and Zen Developing concepts of self awareness Basho dialectical materialism circulation will nothingness and the state Nishida's thought offers an ethics of personal will that radical awakening that offers clarity in a seemingly hopeless world **Productivity and Prosperity** Karen R. Foster, 2016-10-27 Despite Canada's economic success over the past thirty years the country's ranking in productivity has continued to decline when compared to other industrialized nations Economic experts and pundits repeatedly call for means of improving productivity arguing that it is the lynchpin to prosperity However there is growing evidence to the contrary In Productivity and Prosperity Karen Foster zeroes in on the paradox of productivity that it is the key to economic prosperity and yet its connection to well being and median incomes has all but disappeared Drawing together three case studies including the development of Statistics Canada the National Productivity Council and the evolution of the Atlantic Canada Opportunities Agency Foster argues that there is a productivist regime guiding policy development in Canada and abroad By analyzing and critiquing the inherent assumptions of productivism the author destabilizes the myth that economic growth is essential for quality of life **Communist Insurgent** Doug Enaa Greene, 2017-10-02 In the revolutionary tradition the name of Louis Blanqui is either remembered with derision or as a noble failure Yet during his lifetime Blanqui was a towering figure of revolutionary courage and commitment as he organized nearly a half dozen failed revolutionary conspiracies and spent half of his life in jail This is Blanqui's story **France 1870-1914** Robert Gildea, 2014-07-15 The period 1870-1914 in France saw the consolidation of republican government and the recovery of national self confidence Though political crises such as the Dreyfus Affair threatened to tear it apart the Republic established firm parliamentary rule built up an Empire and an army which was to see it through the Great War The new edition of this key text first published as *The Third Republic From 1870 to 1914* offers a clear introduction to the period and incorporates the latest research **Forging Democracy** Geoff Eley, 2002 This text gives a history of the European Left's successes and failures its high and lows its accomplishments insufficiencies and excesses and its formative lasting influence on the political landscape of the West Schism and Solidarity in Social Movements Christopher K. Ansell, 2001-10-01 Like many organizations and social movements the Third Republic French labour movement exhibited a marked tendency to schism into competing sectarian organizations During the roughly 50 year period from the fall of the Paris Commune to the

creation of the powerful French Communist Party the French labour movement shifted from schism to broad based solidarity and back to schism In this 2001 book Ansell analyses the dynamic interplay between political mobilization organization building and ideological articulation that produced these shifts between schism and solidarity The aim is not only to shed light on the evolution of the Third Republic French labour movement but also to develop a more generic understanding of schism and solidarity in organizations and social movements To develop this broader understanding the book builds on insights drawn from sociological analyses of Protestant sects and anthropological studies of segmentary societies as well as from organization and social movement theory

Sources of Revolutionary Politics R. G. Williams, 2023-07-25 This book is a selection of edited documents covering the history and politics of some of the great revolutionary thinkers and writers of the modern world The book highlights some of the great revolutionaries of our times and their ideas through collecting some of their most important writings All of the writers discussed in this book struggled for a better world and were committed to the ideals of the Left liberty equality and fraternity By studying these writers we can perhaps develop some new ideas for a better world for a world based on human freedom This book would be of special interest to academics and students in the fields of history and politics

Auguste Blanqui and the Politics of Popular Empowerment Philippe Le Goff, 2020-02-20 Few individuals made such an impact on nineteenth century French politics as Louis Auguste Blanqui 1805 1881 Political organiser leader propagandist and prisoner Blanqui was arguably the foremost proponent of popular power to emerge after the French Revolution Practical engagement in all the major uprisings that spanned the course of his life 1830 1848 1870 71 was accompanied by theoretical reflections on a broad range of issues from free will and fatalism to public education and individual development Since his death however Blanqui has not been simply overlooked or neglected his name has widely become synonymous with theoretical misconception and practical misadventure *Auguste Blanqui and the Politics of Popular Empowerment* offers a major re evaluation of one the most controversial figures in the history of revolutionary politics The book draws extensively on Blanqui s manuscripts and published works as well as writings only recently translated into English for the first time Through a detailed reconstruction and critical analysis of Blanqui s political thought it challenges the prevailing image of an unthinking insurrectionist and rediscovers a forceful and compelling theory of collective political action and radical social change It suggests that some of Blanqui s fundamental assumptions from the insistence on the primacy of subjective determination to the rejection of historical necessity are still relevant to politics today

Beyond the Tricolour Ian Birchall, 2025-06-19 This book examines the theme of internationalism in the form of opposition to nationalism racism and war in the context of French history and in particular of the French socialist and working class movement Beginning with the defence of Dreyfus against anti-Semitism it covers antimilitarism before 1914 opposition to the First World War the advent of Communism then the rise of Stalinism fraternisation with German soldiers during the Nazi occupation and support for national independence in Indochina and Algeria It looks at individuals and political organisations

many of them neglected by mainstream history who argued against nationalism and took practical action in defence of internationalist principles *Sparta in Modern Thought* Stephen Hodkinson, Ian Macgregor Morris, 2012-12-31 Images of ancient Sparta have had a major impact on Western thought From the Renaissance to the French Revolution she was invoked by radical thinkers as a model for the creation of a republican political and social order Since the 19th century she has typically been viewed as the opposite of advanced liberal and industrial democracies a forerunner of 20th century totalitarian and militaristic regimes such as the Third Reich and the Soviet Union Yet positive images of Sparta remain embedded in contemporary popular media and culture This is the first book in over 40 years to examine this important subject Eleven ancient historians and experts in the history of ideas discuss Sparta's changing role in Western thought from medieval Europe to the 21st century with a special focus on Enlightenment France Nazi Germany and the USA Images of ancient Sparta have had a major impact on Western thought From the Renaissance to the French Revolution she was invoked by radical thinkers as a model for the creation of a republican political and social order Since the 19th century she has typically been viewed as the opposite of advanced liberal and industrial democracies a forerunner of 20th century totalitarian and militaristic regimes such as the Third Reich and the Soviet Union Yet positive images of Sparta remain embedded in contemporary popular media and culture This is the first book in over 40 years to examine this important subject Eleven ancient historians and experts in the history of ideas discuss Sparta's changing role in Western thought from medieval Europe to the 21st century with a special focus on Enlightenment France Nazi Germany and the USA Love, Order, and Progress Michel Bourdeau, Mary Pickering, Warren Schmaus, 2018-05-22 Auguste Comte's doctrine of positivism was both a philosophy of science and a political philosophy designed to organize a new secular stable society based on positive or scientific ideas rather than the theological dogmas and metaphysical speculations associated with the ancien regime This volume offers the most comprehensive English language overview of Auguste Comte's philosophy the relation of his work to the sciences of his day and the extensive continuing impact of his thinking on philosophy and especially secular political movements in Europe Latin America and Asia Contributors consider Comte's reasons for establishing a Religion of Humanity as well as his views on domestic life and the arts in his positivist utopia The volume further details Comte's attempt to apply his positive method first to social science and then to politics and morality thereby defending the continuity of his career while also critically examining the limits of his approach **Film and the Anarchist Imagination** Richard Porton, 1999 Bearded bomb throwers self indulgent nihilists dangerous subversives these characteristic clichés of anarchists in the popular imagination are often reproduced in the cinema In *Film and the Anarchist Imagination* the first comprehensive survey of anarchism in film Richard Porton deconstructs such stereotypes while offering an authoritative account of films featuring anarchist characters and motifs From the early cinema of Griffith and Ren Clair to the work of Godard Lina Wertmüller Lizzie Borden and Ken Loach Porton analyzes portrayals of anarchism in film presenting commentaries and critiques of such

classics as *Zéro de Conduite* *Tout Va Bien* and *Love and Anarchy*. In addition he provides an excellent guide to the complex traditions of anarchist thought from Bakunin and Kropotkin to Emma Goldman and Murray Bookchin disclosing a rich historical legacy that encompasses the Paris Commune the Haymarket martyrs the anarcho syndicalists of the Spanish Civil War as well as more familiar contemporary avatars like the Situationists and the enragés of May 1968.

The Cult of the Modern Gavin Murray-Miller, 2017-05-01

The *Cult of the Modern* focuses on nineteenth century France and Algeria and examines the role that ideas of modernity and modernization played in both national and colonial programs during the years of the Second Empire and the early Third Republic. Gavin Murray Miller rethinks the subject by examining the idiomatic use of modernity in French cultural and political discourse. The *Cult of the Modern* argues that the modern French republic is a product of nineteenth century colonialism rather than a creation of the Enlightenment or the French Revolution. This analysis contests the predominant Parisian and metropolitan contexts that have traditionally framed French modernity studies noting the important role that colonial Algeria and the administration of Muslim subjects played in shaping understandings of modern identity and governance among nineteenth century politicians and intellectuals. In synthesizing the narratives of continental France and colonial North Africa Murray Miller proposes a new framework for nineteenth century French political and cultural history bringing into sharp relief the diverse ways in which the French nation was imagined and represented throughout the country's turbulent postrevolutionary history as well as the implications for prevailing understandings of France today.

Recognizing the showing off ways to acquire this books **Paul Lafargue And The Founding Of French Marxism 1842 1882** is additionally useful. Paul Lafargue And The Founding Of French Marxism 1842 1882 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Paul Lafargue And The Founding Of French Marxism 1842 1882 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Paul Lafargue And The Founding Of French Marxism 1842 1882 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Paul Lafargue And The Founding Of French Marxism 1842 1882 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Paul Lafargue And The Founding Of French Marxism 1842 1882 Books

1. Where can I buy Paul Lafargue And The Founding Of French Marxism 1842 1882 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
