Paul McCartneys Give My Regards To Broad Street:

Paul McCartney's Give My Regards to Broad Street Paul McCartney, 1984 **That Was Me** Richard D. Driver, 2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture His careers as a Beatle as a solo musician and band leader in Wings and in areas outside music have varied tremendously and are well documented That Was Me explores the impact of Paul McCartney as a musician outside the Beatles identifying the continued excitement in generations of fans and listeners and his perennial efforts to perform and record music Richard Driver argues that his solo career is multi faceted and extremely diverse ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and reproduce the style success and popularity of the Beatles Through McCartney we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today [The Words and Music of Paul McCartney](#) Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney from 1970 2007 offers an analysis of his songs recordings and his impact on popular music The Words and Music of Paul McCartney The Solo Years examines the large and varied oeuvre of this deeply personal artist showing how McCartney s stint as a Beatle continues to inform his solo music as well as how he has transcended his days as a member of the Fab Four After a biographical introduction chronologically arranged chapters explore McCartney s music in the immediate aftermath of the breakup of the Beatles his work with Wings during the 1970s his collaborations with other artists during the 1980s and his compositions of the 1990s including his first forays into classical music The examination also covers McCartney s critically acclaimed work in the first decade of the 21st century including Memory Almost Full and Ecce Cor Meum a composition written in the style of sacred English choral music Throughout the book supplies analytical insights and historical background to a repertoire that surprisingly has not previously been covered in detail **The Beatles: Off The Record 2 - The Dream is Over** Keith Badman, 2009-12-15 This book compiles more outrageous opinions and unrehearsed interviews from the former Beatles and the people who surrounded them Keith Badman unearths a treasury of Beatles sound bites and points of view taken from the post break up years Includes insights from Yoko Ono Linda McCartney Barbara Bach and many more [The Unknown Paul McCartney](#) Ian Peel, 2013-04-02 Internationally acclaimed knighted and immortalised in music s pantheon Paul McCartney nevertheless remains one of the least fully appreciated of modern icons Throughout his career McCartney has initiated and participated in projects that have taken him very far away from the kind of music associated with his career in The Beatles in Wings and as a solo artist From as far back as the 1960s there have been experimental solo projects both under his own name and incognito These include the legendary Carnival of Light sixties freak out the Percy Thrillington diversion in the 70s techno ambient and chill out releases as The Fireman pure noise performance art as well as less publicised activity much of which Ian Peel now reveals in depth in print for the first time What emerges is a unique critical insight into an apparently

over familiar public figure Paul McCartney avant garde musician Undertaking extensive research for this book Ian Peel interviewed many of McCartney's intimate musical associates from this less familiar side of his career including Super Furry Animals on their carrot chewing percussion and electronic sound collage collaborations Youth the three times BRIT nominated producer speaks in depth for the first time ever on his two albums of techno ambient and chill out recorded with McCartney as The Fireman Nitin Sawhney on McCartney's first tentative steps into drum bass holed up in Sawhney's London bedsit Richard Hewson breaks a 20 year silence on the Thrillington project and pseudonym David Vaughan the renowned psychedelic artist and organiser of 60s happenings airs his strong views on Carnival of Light The Beatles most legendary unreleased track Other interviewees include Yoko Ono bassist Herbie Flowers Gong's Daevid Allen Frank Zappa's guitarist Mike Keneally JJ Jeczalik Art of Noise and members of Wings

A Walk Down Abbey Road Denny Somach,2020-03-10 This book is a celebration of the impact and influence the Beatles have had on their generation and the one that followed on both sides of the Atlantic It contains interviews with major recording stars including the Rolling Stones Sting Billy Joel Eagles Steven Tyler Brian Wilson Jimmy Page Elton John David Bowie and others who were witness to history A Walk Down Abbey Road also contains interviews with the four Beatles What sets this book apart from all others is the wide variety of exclusive interviews A Walk Down Abbey Road contains personal recollections and memories from major music personalities as told directly to the author It is not designed to go head to head with any of the Beatles biographies or critiques but to provide a multifaceted set of viewpoints Over the years the author has worked with the individual members as well as Yoko Ono Sean Lennon and Julian Lennon His Beatles experience is firsthand The material is augmented with brief set ups and photos to compliment the interviews Micky Dolenz the drummer and lead vocalist with the rock band The Monkees has written the forward Micky is currently touring with Mike Nesmith celebrating the music of The Monkees

Fireman release Although the beginnings of Wings were somewhat shambolic by the mid 1970s Paul had maintained his position as a global superstar Often chastised for his overt commerciality his less familiar and experimental output is also examined Even in the twilight of his career Paul has found new creative avenues to explore and his ability as a songwriter remains as strong as ever Mark Bowen is a professional journalist and life long Beatles fan **Billboard** ,1984-12-01 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Off the Ground* JR Moores,2024-11-12 A sympathetic but clear eyed exploration of Paul McCartney s work in the 1990s arguably his most important since the rise of the Beatles Paul McCartney s 1990s was an era like no other perhaps even the most significant decade of his entire career after the 1960s Following a shakier 1980s the decade would see McCartney reemerge with greater energy momentum and self belief JR Moores s sympathetic but not uncritical new book explores McCartney s 90s with its impressive studio and live albums colossal tours unexpected side projects and imaginative collaborations forays into classical composition some new Beatles numbers and a whole lot more besides Moores reveals how McCartney s reputation began to be perceived more generously by the public and he argues that Macca s output and activities in the 90s would uncover more about the person behind them than in any other decade **Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965** Barry Monush,2003 Applause Books For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos *Mark Arnold Picks on the Beatles* Mark Arnold,2011-03-19 It s Comic Book and Animation Historian Mark Arnold s reviews on every song ever recorded by The Beatles group and solo released and unreleased Don t like my reviews Then write your own book **Billboard** ,1984-12-15 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends [The Encyclopedia of Hollywood Film Actors](#) Barry Monush,2003-04-01 For

decades Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin, Pickford, Fairbanks to the mid 1960s when the old studio and star systems came crashing down. Each listing includes a brief biography, photos from the famed Screen World archives with many rare shots, vital statistics, a comprehensive filmography, and an informed, entertaining assessment of each actor's contributions, good or bad. In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity, and glory that was the lifeblood of its subjects. Contains over 1,000 photos.

40 hits one more than her megastar brother Michael **McCartney. Surviving the perfect song** Martínez, Julio Eduardo, When The Beatles broke up for good in the British spring of 1970 Paul McCartney was just 27 years old It was too early to begin a life of celebrity in retirement He was haunted by the shadow of the immense aesthetic and cultural transformation that he himself had helped to forge Faced with this crossroads McCartney deployed rightly and wrongly different strategies to renew himself Like no one before journalist musician and researcher Julio Mart nez presents this journey without avoiding the contrast of light and shades With the contradictions inherent to any human experience which even those four musicians who changed the world could not escape Never before has McCartney been told with such an intimate narrative In a register that moves between biography and essay journalist musician and researcher Mart nez offers us the first Argentine book that deals with his figure With a deep knowledge without hiding his admiration but at the same time without the empty celebration that generated so much discarded literature If we were condemned to a single reading to understand Paul McCartney and the beatle movement these pages could be approached with the certainty of being part of the road to its understanding Perhaps there is nothing more to ask of a book
