Paul The Traveler Rainbows:

Paul the Traveller Ernle Bradford, 2014-04-01 The life of the first century man born Saul of Tarsus who went on to become Paul the Apostle by the acclaimed historian and author of Thermopylae Paul born into Asia Minor's Jewish aristocracy and a passionate student of scripture was part of the crowd that killed Stephen a deacon regarded as the first Christian martyr But on the road to Damascus Paul experienced a miracle that would change his life and in turn change history His conversion left him convinced that his true master was the man who would come to be known as Jesus Christ Drawing on his vast command of ancient history and blending it with superb storytelling skills author Ernle Bradford weaves a tale that takes the reader from city to city as Paul spreads the teachings of Christ despite being beaten stoned and shipwrecked It's a thrilling tale and stirring biography of a man whose devotion and rhetorical genius laid the groundwork for the religion that soon swept the civilized world Written by a historian known for immersing himself in his subjects which range from the ancient world to World War II this is a fascinating look at the convert who helped shape Christianity as a worldwide force

Rainbow Bridge to Monument Valley Thomas J. Harvey, 2013-07-29 The Colorado River Plateau is home to two of the best known landscapes in the world Rainbow Bridge in southern Utah and Monument Valley on the Utah Arizona border Twentieth century popular culture made these places icons of the American West and advertising continues to exploit their significance today In *Rainbow Bridge to Monument Valley* Thomas J Harvey artfully tells how Navajos and Anglo Americans created fabrics of meaning out of this stunning desert landscape space that western novelist Zane Grey called the storehouse of unlived years where a rugged more authentic life beckoned Harvey explores the different ways in which the two societies imbued the landscape with deep cultural significance Navajos long ago incorporated Rainbow Bridge into the complex origin story that embodies their religion and worldview In the early 1900s archaeologists crossed paths with Grey in the Rainbow Bridge area Grey credited with making the modern western novel popular sought freedom from the contemporary world and reimagined the landscape for his own purposes In the process Harvey shows Grey erased most of the Navajo inhabitants This view of the landscape culminated in filmmaker John Ford's use of Monument Valley as the setting for his epic mid twentieth century Westerns Harvey extends the story into the late twentieth century when environmentalists sought to set aside Rainbow Bridge as a symbolic remnant of nature untainted by modernization Tourists continue to flock to Monument Valley and Rainbow Bridge as they have for a century but the landscapes are most familiar today because of their appearances in advertising Monument Valley has been used to sell perfume beer and sport utility vehicles Encompassing the history of the Navajo archaeology literature film environmentalism and tourism *Rainbow Bridge to Monument Valley* explores how these rock formations Navajo sacred spaces still have become embedded in the modern identity of the American West and of the nation itself
