Pauls Case:

Paul's Case and Other Stories Willa Cather, 2012-11-01 Includes the title story and A Wagner Matinee both revised by Cather for publication in 1920 Lou the Prophet 1892 Eric Hermannson s Soul 1900 and The Enchanted Bluff 1909 **Paul's Case** Willa Cather, 2009-04-28 Uprooted from a well ordered life in Virginia when she was nine Willa Cather came of age in the West during the last years of the American frontier She developed a love for the beauty of the open grassland and an abiding interest in the Old World customs of her neighbors the dreamers and builders who inhabit her fiction This collection includes work from the early part of Cather s career and clearly marks themes and landscapes that she would detail and explore for the remainder of her life **Paul's Case** Willa Cather, 2013-08-14 It was Paul s afternoon to appear before the faculty of the Pittsburgh High School to account for his various misdemeanours He had been suspended a week ago and his father had called at the Principal s office and confessed his perplexity about his son Paul entered the faculty room suave and smiling His clothes were a trifle out grown and the tan velvet on the collar of his open overcoat was frayed and worn but for all that there was something of the dandy about him and he wore an opal pin in his neatly knotted black four in hand and a red carnation in his button hole This latter adornment the faculty somehow felt was not properly significant of the contrite spirit befitting a boy under the ban of suspension Paul was tall for his age and very thin with high cramped shoulders and a narrow chest His eyes were remarkable for a certain hysterical brilliancy and he continually used them in a conscious theatrical sort of way peculiarly offensive in a boy The pupils were abnormally large as though he were addicted to belladonna but there was a glassy glitter about them which that drug does not produce When questioned by the Principal as to why he was there Paul stated politely enough that he wanted to come back to school This was a lie but Paul was quite accustomed to lying found it indeed indispensable for overcoming friction His teachers were asked to state their respective charges against him which they did with such a rancour and aggrievedness as evinced that this was not a usual case Disorder and impertinence were among the offences named yet each of his instructors felt that it was scarcely possible to put into words the real cause of the trouble which lay in a sort of hysterically defiant manner of the boy s in the contempt which they all knew he felt for them and which he seemingly made not the least effort to conceal Once when he had been making a synopsis of a paragraph at the blackboard his English teacher had stepped to his side and attempted to guide his hand Paul had started back with a shudder and thrust his hands violently behind him The astonished woman could scarcely have been more hurt and embarrassed had he struck at her The insult was so involuntary and definitely personal as to be unforgettable In one way and another he had made all his teachers men and women alike conscious of the same feeling of physical aversion In one class he habitually sat with his hand shading his eyes in another he always looked out of the window during the recitation in another he made a running commentary on the lecture with humorous intent His teachers felt this afternoon that his whole attitude was symbolized by his shrug and his flippantly red carnation flower and they fell upon him without

mercy his English teacher leading the pack He stood through it smiling his pale lips parted over his white teeth His lips were continually twitching and he had a habit of raising his eyebrows that was contemptuous and irritating to the last degree Older boys than Paul had broken down and shed tears under that ordeal but his set smile did not once desert him and his only sign of discomfort was the nervous trembling of the fingers that toyed with the buttons of his overcoat and an occasional jerking of the other hand which held his hat Paul was always smiling always glancing about him seeming to feel that people might be watching him and trying to detect something This conscious expression since it was as far as possible from boyish mirthfulness was usually attributed to insolence or smartness As the inquisition proceeded one of his instructors repeated an impertinent remark of the boy s and the Principal asked him whether he thought that a courteous speech to make to a woman Paul shrugged his shoulders slightly and his eyebrows twitched

Edith Wharton, Willa Cather, and the Place of Culture Julie Olin-Ammentorp,2019-10-01 Edith Wharton and Willa Cather wrote many of the most enduring American novels from the first half of the twentieth century including Wharton s The House of Mirth Ethan Frome and The Age of Innocence and Cather s O Pioneers My Antonia and Death Comes for the Archbishop Yet despite their perennial popularity and their status as major American novelists Wharton 1862 1937 and Cather 1873 1947 have rarely been studied together Indeed critics and scholars seem to have conspired to keep them at a distance Wharton is seen as our literary aristocrat an author who chronicles the lives of the East Coast Europe bound elite while Cather is considered a prairie populist who describes the lives of rugged western pioneers These depictions though partially valid nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect The first comparative study of Edith Wharton and Willa Cather in thirty years this book combines biographical historical and literary analyses with a focus on place and aesthetics to reveal Wharton s and Cather s parallel experiences of dislocation their relationship to each other as writers and the profound similarities in their theories of fiction Julie Olin Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works including the role of New York City the American West France and travel In doing so she reveals the two authors shared concern about the culture of place and the place of culture in the United States

The Trial of St. Paul Harry W.

Tajra,2010-12-01 **Lucan Perspective on Paul** Janusz Kucicki,2022-06-16 Despite all scientific doubts regarding Acts Luke's writing was and still is an extremely important source for understanding the man who contributed the most directly or indirectly to the canon of the New Testament. Luke is the first known to us person who recognized the importance of Paul's life and his mission activities as well as Paul's innovative interpretation of the whole Jewish tradition that can be compared only with Copernicus' statement that resulted in a totally new concept of the relationship between mankind and God where the center of the relationship is Jesus of Nazareth the Resurrected Messiah for both Jews and Gentiles. Although Luke did not save Paul for us because Paul produced many writings on his own he did however give us a very important look at Paul that balanced the rejection of Paul as the Jewish teacher with his indispensable contribution to transferring the Jewish concept of God into the Hellenistic religions systems. Without the Acts of the Apostles we would have to create a picture of Paul based on his writings which is quite a challenging task. If the letters of Paul gave us some accounts about Paul's attitude and thoughts in particular situations then Luke's Acts supplies this particular perspective with a deeper evaluation of Paul by a second witness. Luke definitely wants to present to the reader's his Paul who does not necessarily have to be unlike the historical Paul. Companion to Literature Abby H. P. Lucien Gregoire,2008-06-01 Murder in the Vatican is two books in one book The Revolutionary Life of John Paul the only existing biography of the 33 day Pope and The CIA Opus Dei and the 1978 Murders Why two books in one book Unless one understands the mystery of his life something the Vatican prefers to keep secret The Secret Life of John Paul one will never understand the mystery of his unwitnessed death This book is in its fourth edition In that time I have changed little of what I have said about this good man's life other than to expand my account in this new edition to include stories of his childhood and his young life as a seminarian and as a priest Yet the mystery of his death and the deaths of those around him has involved an investigative process that has taken me to Italy and elsewhere in the world many times and spanned many years I knew much more five years ago than I knew five years before that and I knew much more two years ago than I knew five years before that and I know much more today than I did then Here for the first time is the proof How John Paul and those around him fell victim to twentieth century capitalism as it was jointly embraced by the Vatican and the United States BEWARE OF THE USED BOOK MARKET 2003 2005 and 2006 editions do not include the complete biography or the solution to the murders Only this 404 page 2008 edition includes both compete books *Willa Cather's Sexual Aesthetics and the Male Homosexual Literary Tradition* John P. Anders,1999-01-01 In this first full length study of male homosexuality in Cather's short stories and novels John P Anders examines patterns of male friendship ranging on a continuum from the social to the sexual He reveals how Cather's work assumes an unexpected depth and complexity by drawing on both the familiar tradition of friendship literature inspired by classical and Christian texts and a homosexual legacy that is part of yet distinct from

established literary traditions Anders argues that Cather's artistic achievement is distinguished by her sexual aesthetics an elusive literary style inextricably associated with homosexuality His analysis demonstrates how a homosexual ethos and eros helped Cather develop a sensitivity to human variation and a style to accommodate it and thus became the objective correlative of her art dramatizing the diversity of human nature as it deepens the mystery of her work **Cather Studies, Volume 13** Cather Studies, 2021-07 Willa Cather wrote about the places she knew including Nebraska New Mexico New York and Virginia Often forgotten among these essential locations has been Pittsburgh During the ten years Pittsburgh was her home 1896-1906 Cather worked as an editor journalist teacher and freelance writer She mixed with all sorts of people and formed friendships both ephemeral and lasting She published extensively and not just profiles and reviews but also a collection of poetry April Twilights and more than thirty short stories including several collected in The Troll Garden that are now considered masterpieces A Death in the Desert The Sculptor's Funeral A Wagner Matinee and Paul's Case During extended working vacations through 1916 she finished four novels in Pittsburgh Cather Studies Volume 13 explores the myriad ways that these crucial years in Pittsburgh shaped Cather's writing career and the artistic professional and personal connections she made there With contributions from fourteen well known Cather scholars this collection of essays recognizes the importance Pittsburgh played in Cather's life and work and deepens our appreciation of how her art examines and elucidates the human experience **Samuel Annesley and the Cripple Gate Morning Exercises** Ivan R. Davis, 2022-12-19 Out of the religious and cultural turbulence following the Reformation there emerged in sixteenth century England a reformed Christianity which manifested itself in the Puritan tradition Forged in the fires of political upheaval persecution and opposition the Puritan worldview was championed by its faithful preachers who labored to save souls and guide Christians in the many times perplexing paths of holy living This book examines the development of Protestant casuistical ministry in seventeenth century England with a particular focus on the work of Puritan pastor Samuel Annesley and his casuistical efforts through the Cripple Gate Morning Exercises **Great Short Stories by American Women** Candace Ward, 2012-03-01 Choice collection of 13 stories includes Life in the Iron Mills by Rebecca Harding Davis Zora Neale Hurston's Sweat plus superb fiction by Kate Chopin Willa Cather Edith Wharton many others **The Integrated Case Management Manual** Roger G.
