The 147 illustrations comprise tables of the most popular temperament inventories for both children and adults and unique data tables illustrating the psychometric features of temperament inventories based on self-rating and rating by others. *Airplane Mode* Shahnaz Habib, 2024-12-03. Longlisted for the Andrew Carnegie Medals of Excellence. This witty personal and cultural history of travel from the perspective of a Third World, raised woman of color. *Airplane Mode* asks what does it mean to be a joyous traveler when we live in the ruins of colonialism, capitalism, and climate change. The conditions of travel have long been dictated by the color of passports and the color of skin. For Shahnaz Habib, travel and travel writing have always been complicated pleasures. Tracing the power dynamics that underlie tourism, this insightful debut parses who gets to travel and who gets to write about the experience. All the while, Habib threads the historic but ever-evolving dynamics of travel into her personal history as a child on family vacations in India, an adult curious about the world, and an immigrant for whom round trips are an annual fact of life. Woven throughout the book are inviting and playful analyses of obvious and not so obvious travel artifacts: passports, carousels, bougainvilleas, guidebooks, trains. The idea of wanderlust itself. Together, they tell a subversive history of travel as a Euro-American mode of consumerism, but as any traveler knows, travel is more than that. As an immigrant whose loved ones live across continents, Habib takes a deeply curious and joyful look at a troubled and beloved activity. **The Canadian Forum** Charles Bruce Sissons, Richard De Brisay, 1982. *Blonde Bombshell* Tom Holt, 2010-05-28.
