Peoples Of Africa An Ethnohistorical Dictionary:

The Peoples of Africa James Stuart Olson, 1996-05-28 The 1800 distinct ethnic groups in Africa today includes location historical background culture economy language population religion **An Ethnohistorical Dictionary of China** James S. Olson, 1998-02-24 Since Deng Xiaoping's economic reforms began in the early 1980s the People's Republic of China has rejoined global politics as a world power The country is likely to become more open and its internal politics will no doubt affect the rest of the world With more than 1.2 billion people divided into hundreds of ethnic groups all dominated by the Han people China's politics and its foreign policy are bound to be affected by ethnicity and ethnic rivalry This book is designed to give librarians students scholars and educated readers a ready reference for background information of interpreting ethnic events in China Generally defining ethnicity in terms of language this book provides individual essays on hundreds of Chinese ethnic groups including ethnic groups living in the Republic of China on Taiwan The book also includes a chronology bibliography and a breakdown of the People's Republic of China's ethnic political subdivisions Ethnic Groups of Africa and the Middle East John A. Shoup, 2011-10-17 This encyclopedia is an essential guide to the different ethno linguistic groups in Africa and today's complicated Middle East region Ethnic Groups of Africa and the Middle East contains encyclopedic entries arranged alphabetically within ethno linguistic classifications Each entry has four main sections an introduction identifying the language group where they are found and their numbers a brief discussion of their origins and early history a section on cultural life that includes religion literature social organization and art and a final section on political organization and recent history The contents are appropriate for high school and undergraduate students as well as for experts who need a refresher on groups in Africa and the Middle East While certain ethnic groups have been combined into a single entry some such as the Tuareg who are a Berber people are described within their own entries because of their importance in history or cultural domination **The African Studies Companion** Hans Zell, 2021-11-15 Published in dual print and electronic formats this is a new edition of a much acclaimed reference source that brings together a wide range of sources of information in the African studies field covering both print and electronic sources It evaluates the best online resources the major general reference tools in print format current bibliographies and indexing services biographical cartographic statistical and economic resources as well as film and video resources Additionally there are separate sections on African studies library collections and repositories throughout the world a directory of over 250 African studies journals listings of news sources profiles of publishers active in the African studies field dealers and distributors of African studies materials African studies societies and associations major African and international organizations donor agencies and foundations awards and prizes in African studies electronic mailing lists and discussion forums and more **Encyclopedia of Stateless Nations** James B. Minahan, 2016-08-01 This book addresses the numerous national movements of ethnic groups around the world seeking independence more self rule or autonomy movements that have proliferated exponentially in the

21st century In the last 15 years globalization religious radicalization economic changes endangered cultures and languages cultural suppression racial tensions and many other factors have stimulated the emergence of autonomy and independence movements in every corner of the world even in areas formerly considered immune to self government demands such as South America Researching the numerous ethnic groups seeking autonomy or independence worldwide previously required referencing many specialized publications This book makes this difficult to find information available in a single volume presented in a simple format accessible to everyone from high school readers to scholars in advanced studies programs The book provides an extensive update to Greenwood s Encyclopedia of the Stateless Nations Ethnic and National Groups around the World that was published more than a decade earlier Each ethnic group receives an alphabetically organized entry containing information such as alternate names population figures flag or flags geography history culture and languages All the information readers need to understand the motivating factors behind each movement and the current situation of each ethnic group is presented in a compact summary Fact boxes at the beginning of each entry enable students to quickly access key information and consistent entry structure makes for easy cross cultural comparisons *Encyclopedia of African Religion* Molefi Kete Asante,Ama Mazama,2008-11-26 Numerous titles focusing on particular beliefs in Africa exist including Marcel Griaule s Conversations with Ogotemmel but this one presents an unparalleled exploration of a multitude of cultures and experiences It is both a gateway to deeper exploration and a penetrating resource on its own This is bound to become the definitive scholarly resource on African religions Library Journal Starred Review Overall because of its singular focus reliability and scope this encyclopedia will prove invaluable where there is considerable interest in Africa or in different religious traditions Library Journal As the first comprehensive work to assemble ideas concepts discourses and extensive essays in this vital area the Encyclopedia of African Religion explores such topics as deities and divinities the nature of humanity the end of life the conquest of fear and the quest for attainment of harmony with nature and other humans Editors Molefi Kete Asante and Ama Mazama include nearly 500 entries that seek to rediscover the original beauty and majesty of African religion Features Offers the best representation to date of the African response to the sacred Helps readers grasp the enormity of Africa s contribution to religious ideas by presenting richly textured concepts of spirituality ritual and initiation while simultaneously advancing new theological categories cosmological narratives and ways to conceptualize ethical behavior Provides readers with new metaphors figures of speech modes of reasoning etymologies analogies and cosmogonies Reveals the complexity texture and rhythms of the African religious tradition to provide scholars with a baseline for future works The Encyclopedia of African Religion is intended for undergraduate and graduate students in fields such as Religion Africana Studies Sociology and Philosophy *Substrate and Adstrate* Micah Corum,2015-04-24 This volume provides a large scale in depth analysis of locative structures in Nigerian Pidgin and Ghanaian Pidgin English and compares those structures to locatives in their lexifier substrate and adstrate languages The work draws on new research methods for investigating

substrate and adstrate influence in semantics and creole genesis *Indigenous Knowledge of Namibia* Chinsembu, Kazhila C., Cheikhyoussef, Ahmad, 2016-01-29 Indigenous knowledge is the dynamic information base of a society facilitating communication and decision making It is the cornerstone of many modern day innovations in science and technology It is also a ready and valuable resource for sustainable and resilient livelihoods and attracts increasing public interest due to its applications in bio technology health bioprospecting pharmaceuticals agriculture food preparation mathematics and astronomy INDIGENOUS KNOWLEDGE OF NAMIBIA is a fascinating compendium aimed at a wide readership of academics and students government officials policy makers and development partners The 17 chapters examine the indigenous knowledge of medicinal plants for treating HIV AIDS malaria cancer and other microbial infections of humans and livestock indigenous foods coping and response strategies in dealing with human wildlife conflicts floods gender climate change and the management of natural resources A new rationalisation of adolescent customary and initiation ceremonies is recommended in response to the HIV AIDS pandemic and a case study of the San people of Namibia speaks to the challenges of harmonising modern education with that of indigenous people **The Athenian Sun in an African Sky** Kevin J. Wetmore, Jr., 2001-11-14 Western literature has become more influential in Africa since the independence of many of that continent's countries in the early 1960s In particular Greek tragedy has grown as model and inspiration for African theatre artists This work begins with a discussion of the affinity that modern day African playwrights have for ancient Greek tragedy and the factors that determine their choice of classical texts and topics The study concentrates on how African playwrights transplant the dramatic action and narrative of the Greek texts by rewriting both the performance codes and the cultural context The methods by which African playwrights have adapted Greek tragedy and the ways in which the plays satisfy the prevailing principles of both cultures are examined The plays are *The Bacchae* of Euripides by Wole Soyinka *Song of a Goat* by J P Clark *The Gods Are Not to Blame* by Ola Rotimi *Guy Butler's Demea* Efua Sutherland's *Edufa* *Orestes* by Athol Fugard *The Song of Jacob Zulu* by Tug Yourgrau Femi Osofisan's *Tegonni* Edward Kamau Brathwaite's *Odale's Choice* *The Island* by Fugard John Kani and Winston Ntshona and Sylvain Bemba's *Black Wedding* *Candles for Blessed Antigone* *Darfur Genocide* Alexis Herr, 2020-03-06 This important reference work offers students a comprehensive overview of the Darfur Genocide with roughly 100 in depth articles by leading scholars on an array of topics and themes and more than a dozen key primary source documents Stretching beyond Darfur to situate Sudan within the scope of its African colonial human rights and genocidal history this reference work explores every aspect of the Darfur Genocide Covering hundreds of years this book explores the religious ethnic and cultural roots of Sudanese identity making and how it influenced the shape of the genocide that erupted in 2004 As the first reference guide on the Darfur Genocide this text will enable readers to explore an array of critical topics related to the atrocities in Sudan The book opens with seven key essays collectively providing an overview of the genocide its causes and consequences international reaction and profiles on the main perpetrators victims and

bystanders These are followed by entries on such crucial topics as the African Union child soldiers the Janjaweed and the Lost Boys and Girls of Sudan Leading scholars offer perspective essays on the primary cause of the Darfur Genocide and on whether the conflict in Darfur is a just case for intervention Expertly curated primary documents enrich readers ability to understand the complexity of the genocide

The Black Eunuchs of the Ottoman Empire George H. Junne, 2016-06-22 The Chief Black Eunuch appointed personally by the Sultan had both the ear of the leader of a vast Islamic Empire and held power over a network of spies and informers including eunuchs and slaves throughout Constantinople and beyond The story of these remarkable individuals who rose from difficult beginnings to become amongst the most powerful people in the Ottoman Empire is rarely told George Junne places their stories in the context of the wider history of African slavery and places them at the centre of Ottoman history The Black Eunuchs of the Ottoman Empire marks a new direction in the study of courtly politics and power in Constantinople
