it all figured out Oh yes Was I even close Nope Reader Review One word SAVAGE Reader Review Jeneva knocked this one out I normally do not like the second books as much as the first but this one I couldn't put down Complete binge in one sitting Wow Reader Review INCREDIBLE Reader Review

Perfect Equality Maria H. Morales, 1996 This original and compelling book argues that previous studies of John Stuart Mill's work have neglected his egalitarianism and thus seriously misunderstood his views Morales demonstrates that Mill was fundamentally concerned with how the exercise of unjust or arbitrary power by some individuals over others sabotages the possibility of human well being and social improvement Mill therefore believed that perfect equality more than liberty was the foundation of democracy and that democracy was a moral ideal for the organization of human life in all of its dimensions By reinterpreting Mill Morales also challenges twentieth century views of liberalism and addresses its contemporary communitarian and feminist critics
