Perfectly Clear Nixon From Whittier To Watergate:

Perfectly Clear Frank Mankiewicz, 1973 *Richard Nixon, Watergate, and the Press* Louis W. Liebovich, 2003-05-30 It is time to revisit Watergate In this compelling reexamination Liebovich draws extensively from newly available sources including recently released Nixon Oval Office tapes FBI reports and personal reminiscences of cover up leader John Dean Liebovich sheds new light on the Nixon administration's extensive foul play zeal to battle and manipulate the press scandalous mirroring and eventual political disgrace After detailing the nation's news media coverage of the Watergate debacle and the ensuing breakup of American politics Liebovich recounts the scandal's long lasting corrosive effect on presidential and popular politics Scholars and students of the media and latter 20th century American political malaise will be provoked and persuaded by Liebovich's argument that much of the public's cynicism toward the press the president and politics stems from the bitter battles fought in the White House on the front pages and on television screens between the press and Nixon's administration The book focuses on the fight against a press perceived as hostile to the President and charts how the nation's major newspapers and magazines covered the unfolding scandal Newly released sources show how Nixon and his advisors immersed themselves so deeply in a maze of deception and mistrust that none involved could extricate themselves creating a political tragedy that haunts us to this day **Watergate and Afterward** Leon Friedman, William F.

Levantrosser, 1992-08-24 This volume brings together a distinguished group of scholars journalists and former Nixon Administration officials to examine the Watergate controversy and its legacy Particular attention is paid to Nixon's misuse of government power for political ends his administration's obsession with secrecy and the control of information and the impeachment proceedings in Congress This is the second in a trilogy of titles based on the Hofstra Presidential Conference on Richard M Nixon the first Richard M Nixon Politician President Administrator Greenwood 1991 was also edited by Friedman and Levantrosser Watergate and Afterward includes a final assessment of the Nixon Presidency by a group of biographers who have written extensively about the man and his politics as well as appraisals of Nixon's accomplishments and failures by both administration figures and outside historians Special effort was made throughout to incorporate opposing points of view on the various issues under discussion making this one of the most comprehensive and balanced assessments of the Watergate scandal and its aftermath available in print The book begins with essays that describe the political reactions to Watergate and Nixon's attempt to remove the first special prosecutor on the case In the discussion section that follows new insight into what the break in was supposed to accomplish is provided by Reverend Jeb Stuart Magruder speaking for the first time in a public forum Subsequent papers discuss the different efforts by the Nixon Administration to uncover information about political opponents the politicization of the Justice Department the constitutional confrontation in the Supreme Court over the Nixon tapes and the Pentagon Papers case Discussants include Charles Colson who was in the White House at the time Tom Brokaw of NBC and Ron Ziegler and Gerald Warren of the White

House press office Finally the impeachment proceedings are reexamined in chapters that explore the specific charges against the president and the political coalitions that formed in Congress around them Ideal as supplemental reading for courses on the presidency and modern American politics Watergate and Afterward is an important contribution to our understanding of this critical period in postwar history *Nixon's Secrets* Roger Stone, 2014-08-11 Learn the inside scoop on Watergate the Ford Pardon and the 18 minute Gap Roger Stone The New York Times bestselling author of *The Man Who Killed Kennedy* the *Case Against LBJ* gives the inside scoop on Nixon's rise and fall in Watergate in his new book *Nixon's Secrets* Stone charts Nixon's rise from election to Congress in 1946 to the White House in 1968 after his razor thin loss to John Kennedy in 1960 his disastrous campaign for Governor of California in 1962 and the greatest comeback in American Presidential history Just as the assassination of JFK prevents a balanced analysis of Kennedy and his times the myth of Watergate prevents a reappraisal of our 37th President said Stone who's book on LBJ was the second biggest selling book during the 50th anniversary of Kennedy's murder Stone reveals how the Kennedy's wiretapped Nixon's hotel room the night before the Nixon Kennedy debate and stole Nixon's medical records from his psychiatrist's office Stone lays out how Kennedy running mate Lyndon Johnson stole Texas from JFK through vote fraud while Mayor Richard Daley stole Illinois and how JFK actually lost the popular vote Stone looks at the Nixon Presidency the desegregation of the public schools the progressive social programs Nixon's struggle to end the war in Vietnam the historic SALT arms reduction agreement with Russia the saving of Israel in the Six Days War the opening to China and the disastrous decision to take America off the Gold standard The mainstream media's interpretation of the facts surrounding the Watergate episode are a fantastic and grotesque distortion of historical truth said Stone Cursory examination of the facts in Watergate will reveal that the actions which caused the fall of Nixon cannot be reduced to the simplistic account summarized by Bob Woodward and Carl Bernstein of the Washington Post The author outlines how White House Counsel John Dean planned pushed and covered up the Watergate break in then sought to avoid responsibility for it Stone examines the bungled Watergate break in to determine what exactly Nixon's agents were looking for and how the CIA infiltrated the burglar team and sabotaged the break in to gain leverage over Nixon Find out why Nixon demanded the CIA turn over the records of the Bay of Pigs and Kennedy Assassination Learn how a cabal of military and intelligence hard liners spied on and undermined Nixon to stop his pro peace d tente foreign policy his withdrawal of troops from Vietnam his arms limitation agreement with the Soviets and his opening to Red China Discover how Vice President Spiro Agnew was setup to move him out of the line of presidential succession Stone makes the compelling case that General Alexander Haig orchestrated Nixon's removal from office in a coup d tat and brokered the deal for his pardon Finally the public will learn what is on the 18 minute gap in the White House Tapes Stone a Washington Insider for forty years outlines why FBI Man Mark Felt is not deep throat why there is no deep throat and why Bob Woodward and Carl Bernstein lie about it even today Stone reveals how Nixon used the dark secrets he knew to avoid prosecution by

blackmailing Gerald Ford for a full free and unconditional pardon Nixon's secret would not only destroy his presidency it would save him from prison and allow him to launch his final comeback advising President Bill Clinton on Foreign Affairs despite Hillary's attempts to block him and her being fired from the 1974 House Impeachment Committee for lying and violating Nixon's rights

Watergate: The Hidden History Lamar Waldron, 2013-06-01 A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author's customary style The New York Observer While Richard Nixon's culpability for Watergate has long been established what's truly remarkable is that after almost fifty years conventional accounts of the scandal still don't address Nixon's motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in Watergate The Hidden History provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it Watergate The Hidden History reexamines the historical record including new material only available in recent years This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like Time magazine the Los Angeles Times and the New York Times

Watergate Special Prosecution Force,1975 Understanding Power Through Watergate Tian-jia Dong,2005-08-29 Understanding Power through Watergate uses the Watergate Affair as a case to highlight the Washington collective power dynamic Author Tian jia Dong argues that formal state institutions only work effectively when they are embedded in social dynamics Academics in the fields of political science American history and sociology will find great interest in this book as well as people involved in the political process This work will also be a valuable supplement to graduate and undergraduate political science and sociology courses **The Greek Connection** James H. Barron,2020-07-28 Spanning from WWII to the Cold War and beyond this is the magnificent triumphant biography of the investigative journalist resistance fighter and whistle blower who helped expose the Watergate scandal Doris Kearns Goodwin author of Leadership He was one of the most fascinating figures in 20th century political history Yet today Elias Demetracopoulos is strangely overlooked even though his life reads like an epic adventure story As a precocious twelve year old in occupied Athens he engaged in heroic resistance efforts against the Nazis for which he was imprisoned and tortured After his life was miraculously spared he became an investigative journalist covering Greece s tumultuous politics and America s increasing influence in the region A clever and scoop hungry reporter Elias soon gained access to powerful figures in both governments and attracted many enemies When the Greek military dictatorship took power in 1967 he narrowly escaped to Washington DC where he would lead the fight to restore democracy in his homeland while running afoul of the American government too Now after a decade of research and original reporting James H Barron uncovers the story of a man whose tireless pursuit of uncomfortable truths would put him at odds with not only his own government but that of the Truman Eisenhower Kennedy Johnson Nixon Ford Carter and Reagan administrations making him a target of CIA FBI and State Department surveillance and harassment and Greek kidnapping and assassination plots American authorities may have purposefully overlooked A stunning feat of biographic storytelling sweeping from World War II to the Cold War Watergate and beyond The Greek Connection is about a lifetime of standing up for democracy and a free press against powerful special interests It has much to teach us about our own era s abuses of power dark money journalist intimidation and foreign interference in elections *Hughes The Private Diaries, Memos and Letters* Richard Hack,2007 So As I Was Saying . . .
