bloody legacy of a powerful family he renounced in disgust He finds a fragile peace and a deep love with lise Moreau a brilliant botanist whose own past is tied by an unspoken tragedy to the very place Julien fled the brutal sugar colony of Saint Domingue Together with lise s father a man scarred by a history of his own on that tormented island they have forged a sanctuary against the sorrows of the past But the past will not stay buried When a malicious false accusation nearly costs Julien his freedom their world is shaken Soon after a desperate plea arrives smuggled out from the fiery heart of the Haitian Revolution An innocent man from Julien s youth the one figure of decency he ever knew is set to face the guillotine and only Julien can speak for him Drawn back by a debt of honor into the revolutionary inferno he swore he would never return to Julien finds himself in a city gripped by terror and paranoia In Cap Fran ais under the watchful eye of the fanatical Citizen Valois his carefully constructed identity is shattered and he is unmasked as an enemy of the revolution imprisoned and condemned With time running out and all official avenues closed lise must risk everything to save the man she loves Her only hope lies in a desperate gambit proposed by an unlikely ally Theodore Cole a cynical brilliant and hard drinking lawyer from Philadelphia who harbors his own complex secrets As a relentless revolutionary with a personal vendetta closes in they are faced with an unbearable choice In a world where justice is served by the blade survival will demand a sacrifice more profound than any of them can imagine Can one man s desperate courage redeem a name written in blood
