Perils of Penelope Pitstop ,1995 **The Perils of Penelope Pitstop** ,2008 **Penelope's Perils** Leigh Morton,

The Woman Who Dared William M. Drew,2023-03-07 In the early days of motion pictures before superstars before studio conglomerates before even the advent of sound there was a woman named Pearl White 1889 1938 A quintessential beauty of the time with her perfectly tousled bob and come hither stare White s rise to stardom was swift her assumption of the title of queen of American motion picture serials equally deserved Born the youngest of five children in a small rural Missouri farm town White first began performing in high school She would eventually make the decision to cut her education short dropping out to go on the Trousdale Stock Company A bit player in the early years of her career she was eventually spotted by the Powers Film Company in New York She made her film debut in 1910 and soon set herself apart from her female colleagues with her reputation for fearless performances that often involved her own stunt work It was that same daring attitude that would put her on the map internationally as an actress From flying airplanes to swimming across rapid rivers to racing cars in serials like *The Perils of Pauline* 1914 White was undaunted by the demands of her onscreen career She went on to star in popular serial classics such as *The New Exploits of Elaine* 1915 *The Iron Claw* 1916 *The Fatal Ring* 1917 and *The Lightning Raider* 1919 As active socially as she was professionally White would also lend her audacious spirit to activism as she took part in the early feminist movement Her bravery and mastery of her craft made her a positive role model for suffragettes who battled for women s rights in the United States *The Woman Who Dared* *The Life and Times of Pearl White* *Queen of the Serials* is the first full length biography of this pioneering star In this study of film history and female agency Drew delves into the cultural impact of White s work and how it evolved along a concurrent trajectory with the social upheavals of the Progressive Era *The Perils of Penelope Pitstop* ,1994 **The Best Saturdays of Our Lives** Mark

McCray,2015-10-26 Mark McCray wasn t the only boy who loved Saturday morning cartoons but he may have been the only one to call the networks and tell them what he liked and disliked about them For instance he was blown away by the direction Hanna Barbera took with *Josie and the Pussycats* the kids in the wrong place at the wrong time who rose to the occasion and saved the day It wasn t long before he was writing his own newsletter titled *The Best Saturdays of Our Lives* which he circulated to animation and television executives networks studios and comic book publishers The newsletters chronicle the origins of competitive Saturday morning programming from the 1966 67 season straight through to the 1990s and they re compiled in one place for easy reference in this book You ll get an insider s look at the inner workings of the cartoon and television industries competition between broadcast networks and how the industry has changed over the years Mark s curiosity probing insights and love of television come together to create *The Best Saturdays of Our Lives*
