Middle Eastern Literature and Culture Voices in Verses Farhat Hasan, 2024-11-21 This book opens up an archive of women's verses found in the extant but overlooked women's biographical compendia *tazkira i zenana* written in the nineteenth century. As commemorative texts, these compendia written in Urdu draw our attention to their memories celebrated and contested in cultural spaces. In drawing connections between memory and literature, this study contests the commonplace assumption that the literary public sphere was markedly homosocial and gender exclusive and argues instead that the women poets, coming from a wide variety of social groups, actively participated in shaping the norms of aesthetics and literary expression. They introduced fresh signifiers and signifying practices to apprehend their emotions, experiences, and world views. This work suggests that the women's *tazkiras* performed an act of epistemic disobedience, contesting not only the British imperial representations of India but also the Indo-Muslim modern reformers on issues of domesticity, conjugal companionship, and love and desire.

The Masnavi, Book Six Jalal al-Din Rumi, 2025-06-06 Until effaced, no one can actually enter the Court of Holy Majesty. What is the meaning of the heavenly ascension? Not being the mystic's law school and religion, Rumi is the greatest mystic poet to have written in Persian, and *The Masnavi* is his masterpiece. Divided into six books and consisting of some 26,000 verses, the poem was designed to convey teachings about divine love and unity to the disciples of the Sufi order that he founded, best known today as the Whirling Dervishes. Like the earlier books, Book Six interweaves amusing stories with homilies and lyrical flights. The longest of all the six volumes, at nearly 5,000 verses, its themes focus on self-annihilation in God and the oneness experienced at the end of the Sufi path. By the realized mystic, Rumi is believed to have completed it shortly before his death on 17 December 1273. This is the first ever verse translation into English of the entirety of Book Six of Rumi's *Masnavi*. It follows the original by presenting Rumi's most mature mystical teachings in simple and attractive rhyming couplets.
