Philosophy Politics:

Philosophy, Politics, Democracy Joshua Cohen, 2009-10 Over the past 20 years Joshua Cohen has explored the most controversial issues facing the American public This volume draws on his work to develop an argument about what he calls democracy's public reason

Philosophy and Real Politics Raymond Geuss, 2024-06-25 Many contemporary political thinkers are gripped by the belief that their task is to develop an ideal theory of rights or justice for guiding and judging political actions This text argues that philosophers should first try to understand why real political actors behave as they actually do

Philosophy, Politics, and Economics Gerald Gaus, John Thrasher, 2021-11-16 An updated and expanded edition of the classic introduction to PPE philosophy politics and economics coauthored by one of the field's pioneers Philosophy Politics and Economics offers a complete introduction to the fundamental tools and concepts of analysis that PPE students need to study social and political issues This fully updated and expanded edition examines the core methodologies of rational choice strategic analysis norms and collective choice that serve as the bedrocks of political philosophy and the social sciences The textbook is ideal for advanced undergraduates graduate students and nonspecialists looking to familiarize themselves with PPE's approaches Starting with individual choice the book develops an account of rationality to introduce readers to decision theory utility theory and concepts of welfare economics and consumer choice theory It moves to strategic choice in game theory to explore such issues as bargaining theory repeated games and evolutionary game theory The text also considers how social norms can be understood observed and measured Concluding chapters address collective choice social choice theory and democracy and public choice theory's connections to voters representatives and institutions Rigorous and comprehensive Philosophy Politics and Economics continues to be an essential text for this popular and burgeoning field The only book that covers the entirety of PPE methods A rigorous nontechnical introduction to decision theory game theory and positive political theory A philosophical introduction to rational choice theory in the social sciences

Philosophy and Politics in Aristotle's Politics Curtis N. Johnson, 2016-04-30 Johnson argues that Aristotle's Politics needs to be understood as a two layered treatise the first being Aristotle's political theory and the second as a set of questions for statesmen and politicians Employing this model the book sets about to provide a reconceptualization of Politics as a multi layered canonical work

Political Philosophy and the Issues of Politics Joseph Cropsey, 1977

The Routledge Handbook of Philosophy, Politics, and Economics C.M. Melenovsky, 2022-05-02 This handbook advances the interdisciplinary field of Philosophy Politics and Economics PPE by identifying thirty five topics of ongoing research Instead of focusing on historically significant texts it features experts talking about current debates Individually each chapter provides a resource for new research Together the chapters provide a thorough introduction to contemporary work in PPE which makes it an ideal reader for a senior year course The handbook is organized into seven parts each with its own introduction and five chapters I Frameworks II Decision Making III Social Structures IV Markets V Economic Systems VI

Distributive Justice VII Democracy The Frameworks part discusses common tools and perspectives in PPE and the Decision making section shows different approaches to the study of choice From there parts on Social Structures Markets and Economic Systems each use tools from the three PPE disciplines to study and distinguish parts of society The next part explains dominant theories and challenges to the paradigm of Distributive Justice Finally a part on Democracy offers five challenges to current democratic practice

Philosophy, Politics, and Economics Jonathan Anomaly, Geoffrey Brennan, Michael C. Munger, Geoffrey Sayre-McCord, 2016 The only book on the market to include classical and contemporary readings from key authors in Philosophy Politics and Economics PPE this unique anthology provides a comprehensive overview of the central topics in this rapidly expanding field Each chapter opens with an introduction that helps students understand the central arguments and key concepts in the readings The selections encourage students to think about the extent to which the three disciplines offer complementary or contradictory ways of approaching the relevant issues

Philosophy Politics and Economics An Anthology is ideal for undergraduate PPE programs and courses in political philosophy and political economy

The Future of the State Artemy Magun, 2022-05-10 The state has been a dominant political form and the preferred model of political unity for at least the last two centuries However many today speak of its crisis which stems from two main factors the state s changing role in the globalizing international system and the state s complex relation to democracy a key normative concept of contemporary politics Authoritarian leaders use the state to successfully reaffirm sovereignty despite international integration democratic movements abound but often serve only to reinforce the regimes they contest Is there an alternative Do we need to reconceive the phenomenon of state with a view to the future These are the questions that an international group of scholars explores and answers in this groundbreaking book drawing on the history of political thought continental philosophy and contemporary political examples They engage the dialectical tradition broadly understood including phenomenological transcendentalism the political philosophy of French public law and German twentieth century political philosophy beyond Weber The result brings the state into a critical political philosophy providing a realistic model of what a good democratic state could and should be like

Political Philosophy Martin Cohen, 2001-07-20 Outstanding contributors include Pierre Macherey Charles Wolfe Alex Callinicos and Judith Revel

Philosophy, Politics, and Austrian Economics Daniel J. D'Amico, Adam G. Martin, 2020-10-29 Philosophy Politics and Economics as an interdisciplinary endeavour has surged in popularity in recent years Work in this field usually draws on standard microeconomics to grapple with questions from political philosophy But what might Austrian economics which provides an alternative approach have to offer to this endeavour
