Polish Jewish Literature In The Interwar Years

Natalia Aleksion

Polish Jewish Literature In The Interwar Years:

Polish-Jewish Literature in the Interwar Years Eugenia Prokop-Janiec, 2003-04-01 Foremost among a recent wave of Polish books on Jewish issues this groundbreaking work rectifies long held misconceptions about Polish Jewish writers Popular notion has it that Polish Jewish writers unlike their counterparts in Western Northern and Central Europe wrote solely in Yiddish or Hebrew Yet between the two world wars Poland produced an elite group of assimilated Jews who wrote exclusively in Polish Theirs was not an easy lot Torn between love of Poland and its literature and their own Jewish identity they straddled a fine line between two cultural worlds at once advocating acculturation while prey to virulent anti-Semitism This pioneering award winning volume examines the emergence and development of these writers their personal plight and the profound effect they had upon Polish letters and poetry Meticulously researched it explores the role of language as a bridge attitudes toward Polish writing impact of the ghetto and the transformation of Polish into a force for its Jewish populace Finally it pays homage to fine literary voices silenced by the Holocaust

The Trilingual Literature of Polish Jews from Different Perspectives Alina Molisak, Shoshana Ronen, 2017-08-21 Are the literary works of Polish Jews one unified literature in three languages Yiddish Hebrew and Polish or is the literal corpus of each of these languages a separated literary and cultural phenomenon Twenty seven scholars from Europe the United States and Israel explore different aspects of the multilingual literature of Eastern European Jews with a particular focus on the trilingual literature of Polish Jews until World War II The work of the great Yiddish and Hebrew writer Isaac Leib Peretz 1852 1915 represents the center of the book though it does not concentrate solely on Peretz's work but rather discusses the oeuvre of other unique authors in the cultural space of Jews in Central and Eastern Europe generally and in Poland particularly The book looks at this issue from three aspects namely the literal cultural and historical and also examines the dialogue of Polish Jewish literature with other languages and cultures

Polish Jewish Re-Remembering Sławomir Jacek Żurek, 2023-11-14 The title of this monograph Polish Jewish Re Remembering refers to the post 1989 thirty year long process of reviving attention to Polish Jewish relations in historical cultural and literary studies including the impact of Jews on the development of Polish culture their presence in Polish social life and the relationships between Jews and non Jews in Poland The book consists of four parts the first focuses on Polish Jewish and Polish Jewish Literature dealing mainly with pre 1939 literary works the second on the post war literary output of the Polish Jewish writer Arnold Sucki 1920 1972 the third on Polish Israeli literary images in the works of writers who were active in Israel 1948 2018 and the fourth on recent after 2000 Polish Holocaust literature

Jewish American Writing and World Literature Saul Noam Zaritt, 2020 This book explores how Jewish American writers like Sholem Asch Jacob Glatstein Isaac Bashevis Singer Anna Margolin Saul Bellow and Grace Paley think of themselves as world writers and the successes and failures that come with this role

Polish Modernism and Jewish Identity Piotr Ślodkowski, 2024-12-26 Modernist painter socialist realist Holocaust survivor and student of the Parisian Avant Garde Jewish Polish artist Henryk

Streng was extraordinary for his aesthetic innovation during the two major traumas of 20th century European history the Holocaust and Stalinism Yet his legacy in the development of European modernism is rarely acknowledged In this book inspired by the 2021 exhibition at the Museum of Modern Art in Warsaw Piotr Slodkowski demonstrates that the work of Streng disrupts established notions of 20th century Polish art connecting local Polish art history with wider 20th century artistic movements and styles Traversing the 1920s Acad mie Moderne hubs of creativity in interwar Poland Nazi concentration camps and the Polish People s Republic under Soviet influence this book reveals the changing artistic phenomena of Poland between the 1920s and 1950s illustrating how Streng drew on his Jewish Polish identity and the legacy of genocide in his work Rather than deferring to the French Avant Garde Slodkowski sheds light on regional expressions of modernism and emphasises the complexity of identity and creativity in 20th century Poland In doing so this book brings Streng out of the shadows and into wider considerations of modernist European art and its development *Polish Jewish Culture Beyond the Capital* Halina Goldberg,Nancy Sinkoff,2023-09-15 Polish Jewish Culture beyond the Capital Centering the Periphery is a path breaking exploration of the diversity and vitality of urban Jewish identity and culture in Polish lands from the second half of the nineteenth century to the outbreak of the Second World War 1899 1939 In this multidisciplinary essay collection a cohort of international scholars provides an integrated history of the arts and humanities in Poland by illuminating the complex roles Jews in urban centers other than Warsaw played in the creation of Polish and Polish Jewish culture Each essay presents readers with the extraordinary production and consumption of culture by Polish Jews in literature film cabaret theater the visual arts architecture and music They show how this process was defined by a reciprocal cultural exchange that flourished between cities at the periphery from Lw w and Wilno to Krak w and d and international centers like Warsaw thereby illuminating the place of Polish Jews within urban European cultures Companion website <https://polishjewishmusic.iu.edu> **Assimilated Jews in the Warsaw Ghetto, 1940-1943** Katarzyna Person,2014-06-30 Jews in Nazi occupied Warsaw during the 1940s were under increasing threat as they were stripped of their rights and forced to live in a guarded ghetto away from the non Jewish Polish population Within the ghettos a small but distinct group existed the assimilated acculturated and baptized Jews Unwilling to integrate into the Jewish community and unable to merge with the Polish one they formed a group of their own remaining in a state of suspension throughout the interwar period In 1940 with the closure of the Jewish residential quarter in Warsaw their identity was chosen for them Person looks at what it meant for assimilated Jews to leave their prewar neighborhoods understood as both a physical environment and a mixed Polish Jewish cultural community and to enter a new Jewish neighborhood She reveals the diversity of this group and how its members identity shaped their involvement in and contribution to ghetto life In the first English language study of this small but influential group Person illuminates the important role of the acculturated and assimilated Jews in the history and memory of the Warsaw Ghetto **History of the Literary Cultures of East-Central Europe** Marcel Cornis-Pope,John

Neubauer,2004-01-01 Continuing the work undertaken in Vol 1 of the History of the Literary Cultures of East Central Europe Vol 2 considers various topographic sites multicultural cities border areas cross cultural corridors multiethnic regions that cut across national boundaries rendering them permeable to the flow of hybrid cultural messages By focusing on the literary cultures of specific geographical locations this volume intends to put into practice a new type of comparative study Traditional comparative literary studies establish transnational comparisons and contrasts but thereby reconfirm howev

The Jews in Poland and Russia: A Short History Antony Polonsky,2013-09-26 A very readable and comprehensive overview that examines the realities of Jewish life while setting them in their political economic and social contexts

Women's Zionism Worldwide, 1897-1948 Mira Katzburg-Yungman,2025-06-01 Offering the first comprehensive historiographic exploration of women s roles in the Zionist movement worldwide this geographically wide ranging study explores the ideologies goals strategies activities accomplishments and failures of women s organizations and individuals in Europe the United States Latin America the Middle East and North Africa Covering the period from the inception of Zionism to the founding of Israel this volume sheds light on how women s unique mode of Zionism differed from that of men and how it influenced the Jewish community in Mandatory Palestine in Israel and the Zionist movement as a whole **Jewish**

People, Yiddish Nation Kalman Weiser,2011-08-27 Noah Prylucki 1882 1941 a leading Jewish cultural and political figure in pre Holocaust Eastern Europe was a proponent of Yiddishism a movement that promoted secular Yiddish culture as the basis for Jewish collective identity in the twentieth century Prylucki s dramatic path from russified Zionist raised in a Ukrainian shtetl to Diaspora nationalist parliamentarian in metropolitan Warsaw to professor of Yiddish in Soviet Lithuania uniquely reflects the dilemmas and competing options facing the Jews of this era as life in Eastern Europe underwent radical transformation Using hitherto unexplored archival sources memoirs interviews and materials from the vibrant interwar Jewish and Polish presses Kalman Weiser investigates the rise and fall of Yiddishism and of Prylucki s political party the Folkists in the post World War One era Jewish People Yiddish Nation reveals the life of a remarkable individual and the fortunes of a major cultural movement that has long been obscured The Jews in Poland and Russia Antony

Polonsky,2012-02-09 A comprehensive socio political economic and religious history an important story whose relevance extends beyond the Jewish world or the bounds of east central Europe **In the Beauty of Holiness** David Lyle

Jeffrey,2017 Art and worship to 1500 Beauty and holiness as terms of art The paradoxical beauty of the cross Beauty and proportion in the sanctuary The beauty of light The beauty of holiness alfresco Beauty on the altar Art and the Bible after 1500 Beauty power and doctrine Beauty and the eye of the beholder Romantic religion and the sublime Art after belief Art against belief Return of the transcendentals Yiddish Empire Debra Caplan,2018-04-02 Relates the untold story of a traveling Yiddish theater company and traces their far reaching influence

Bruno Schulz and Galician Jewish Modernity Karen Underhill,2024-06-25 In the 1930s through the prose of Bruno Schulz 1892 1942 the Polish language

became the linguistic raw material for a profound exploration of the modern Jewish experience Rather than turning away from the language like many of his Galician Jewish colleagues who would choose to write in Yiddish Schulz used the Polish language to explore his own and his generation s relationship to East European Jewish exegetical tradition and to deepen his reflection on golus or exile as a condition not only of the individual and of the Jewish community but of language itself and of matter Drawing on new archival discoveries this study explores Schulz s diasporic Jewish modernism as an example of the creative and also transient poetic forms that emerged on formerly Habsburg territory at the historical juncture between empire and nation state

Jabotinsky's Children Daniel Heller,2019-11-19 How interwar Poland and its Jewish youth were instrumental in shaping the ideology of right wing Zionism By the late 1930s as many as fifty thousand Polish Jews belonged to Betar a youth movement known for its support of Vladimir Jabotinsky the founder of right wing Zionism Poland was not only home to Jabotinsky s largest following The country also served as an inspiration and incubator for the development of right wing Zionist ideas Jabotinsky s Children draws on a wealth of rare archival material to uncover how the young people in Betar were instrumental in shaping right wing Zionist attitudes about the roles that authoritarianism and military force could play in the quest to build and maintain a Jewish state Recovering the voices of ordinary Betar members through their letters diaries and autobiographies Jabotinsky s Children paints a vivid portrait of young Polish Jews and their turbulent lives on the eve of the Holocaust Rather than define Jabotinsky as a firebrand fascist or steadfast democrat the book instead reveals how he deliberately delivered multiple and contradictory messages to his young followers leaving it to them to interpret him as they saw fit Tracing Betar s surprising relationship with interwar Poland s authoritarian government Jabotinsky s Children overturns popular misconceptions about Polish Jewish relations between the two world wars and captures the fervent efforts of Poland s Jewish youth to determine on their own terms who they were where they belonged and what their future held in store Shedding critical light on a vital yet neglected chapter in the history of Zionism Jabotinsky s Children provides invaluable perspective on the origins of right wing Zionist beliefs and their enduring allure in Israel today

Conscious History Natalia Aleksun,2021-07-08 Thoroughly researched this study highlights the historical scholarship that is one of the lasting legacies of interwar Polish Jewry and analyses its political and social context As Jewish citizens struggled to assert their place in a newly independent Poland a dedicated group of Jewish scholars fascinated by history devoted themselves to creating a sense of Polish Jewish belonging while also fighting for their rights as an ethnic minority The political climate made it hard for these men and women to pursue an academic career instead they had to continue their efforts to create and disseminate Polish Jewish history by teaching outside the university and publishing in scholarly and popular journals By introducing the Jewish public to a pantheon of historical heroes to celebrate and anniversaries to commemorate they sought to forge a community aware of its past its cultural heritage and its achievements though no less important were their efforts to counter the increased hostility towards Jews in the public discourse of the day In highlighting the role of public

intellectuals and the social role of scholars and historical scholarship this study adds a new dimension to the understanding of the Polish Jewish world in the interwar period The Emergence Of Modern Jewish Politics Zvi Gitelman,2010-06-15 The Emergence of Modern Jewish Politics examines the political social and cultural dimensions of Zionism and Bundism the two major political movements among East European Jews during the first half of the twentieth century While Zionism achieved its primary aim the founding of a Jewish state the Jewish Labor Bund has not only practically disappeared but its ideals of socialism and secular Jewishness based in the diaspora seem to have failed Yet as Zvi Gitelman and the various contributors to this volume argue it was the Bund that more profoundly changed the structure of Jewish society politics and culture In thirteen essays prominent historians political scientists and professors of literature discuss the cultural and political contexts of these movements their impact on Jewish life and the reasons for the Bund s demise and they question whether ethnic minorities are best served by highly ideological or solidly pragmatic movements **Tales from the Borderlands** Omer Bartov,2022-07-19 The story of the diverse communities of Eastern Europe s borderlands in the centuries prior to World War II A powerful combination of history and personal memoir A richly contextual skillfully woven historical study Kirkus Reviews starred review Focusing on the former province of Galicia this book tells the story of Europe s eastern borderlands stretching from the Baltic to the Balkans through the eyes of the diverse communities of migrants who settled there for centuries and were murdered or forcibly removed from the borderlands in the course of World War II and its aftermath Omer Bartov explores the fates and hopes dreams and disillusionment of the people who lived there and through the stories they told about themselves reconstructs who they were where they came from and where they were heading It was on the borderlands that the expanding great empires German Austro Hungarian Russian and Ottoman overlapped clashed and disintegrated The civilization of these borderlands was a mix of multiple cultures languages ethnic groups religions and nations that similarly overlapped and clashed The borderlands became the cradle of modernity Looking back at it tells us where we came from
