Public Opinion In Postcommunist Russia

R. Rohrschneider, S. Whitefield

Public Opinion In Postcommunist Russia:

Public Opinion in Postcommunist Russia Matthew Wyman, 1996-12-03 This book is a comprehensive account of trends in Russian public opinion over the period 1988-94. Analysing data from Russian polling organizations it covers the development of a professional polling industry and looks at changing popular moods, the depth of democratic values, attitudes towards political institutions, the attempt to introduce a free market economy and views about the loss of empire. Concluding sections consider attitudinal differences between social groups and the impact of public opinion on postcommunist politics. *The Social History of Post-Communist Russia* Piotr Dutkiewicz, Sakwa Richard, Kulikov Vladimir, 2016-03-17 This book tells the untold story of how ordinary Russian people experienced and coped with Russia's transformations after the end of communism. Unlike most studies of the subject which focus on high politics, developments in the elite and events at the centre, this book includes findings from interviews, memoirs, public opinion surveys and press articles and documents from the regions. It portrays a multi-ethnic, multi-confessional society with different groups affected by the deep and varied changes in diverse and different ways. The book covers economic developments, social changes, how official policies played out at the grass roots level, the psychological impact of the changes and the impact on public opinion and how different regions were affected differently. Overall, the book reveals the hidden dynamics of Russian society, including its formal and informal mechanisms and rules for relating to the state and other citizens, and shows how millions of Russians coped despite all the odds and maintained the integrity and stability of the country.

Public Opinion, Party Competition, and the European Union in Post-Communist Europe R. Rohrschneider, S. Whitefield, 2016-04-30 Investigating public scepticism in Eastern Europe towards the EU, this book examines how citizens and parties' responses to integration have been affected by economic, social, institutional and historical circumstances. Focusing on the importance of normative and instrumental bases of support and opposition for integration, it provides great insight.

A Socio-Political Model of Lies in Russia Jason C. Vaughn, 2016-04-29 This book is written to examine Russian public opinion, culture and society in the context of the lies, liars and untruths consistent with but not exclusively part of the rule of Russia's second and fourth post-Soviet President, Vladimir Vladimirovich Putin. Then it is to assess what future there is for Russia in view of Russia's peculiar socio-political culture of parallel truth and untruth. Based on new research literature and historical examination of untruth in Russia using political, social, cultural, media and public opinion analysis, this study develops and applies a new and novel approach or model to the study of lies in Russia. Further, this book seeks to provide an understanding of Russia's socio-political environment to outsiders not versed in the ins and outs of the influences, causes and reasoning for the Russian government's and the Russian public's reactions to publicized events.

NATO-Russia Relations in the Twenty-First Century Aurel Braun, 2008-03-26 This book examines the current state of relations between NATO and Russia, discussing a number of key areas including the impact of NATO's eastward expansion, the NATO-Russia Council and Russia's reassertion of itself in its near abroad and

assesses the prospects for future development **Regional Russia in Transition** Jeffrey W. Hahn, 2001-10-25 From the John Holmes Library collection Public Administration in Post-Communist Countries Saltanat Liebert, Stephen E. Condrey, Dmitry Goncharov, 2017-09-25 Although it has been more than 20 years since Communism crumbled in Central and Eastern Europe and the Soviet Union many scholars and politicians still wonder what the lifting of the Iron Curtain has really meant for these former Communist countries And because these countries were largely closed off to the world for so long there has yet to be an all inclusive study on their administrative systems until now In Public Administration in Post Communist Countries Former Soviet Union Central and Eastern Europe and Mongolia expert contributors supply a comprehensive overview and analysis of public administration in their respective post Communist countries They illustrate each country s transformation from an authoritarian system of governance into a modern market based and in some cases democratic government The book covers the countries that were officially part of the Soviet Union Russia Ukraine Moldova Estonia Lithuania Georgia Kazakhstan and Kyrgyzstan those that were theoretically independent but were subject to Soviet dominated Communist rule Bulgaria Hungary Romania and Poland as well as a satellite republic that was under significant Soviet influence Mongolia Each chapter includes a brief introduction to the specific country an overview of politics and administration and discussions on key aspects of public management and administration including human resource management public budgeting financial management corruption accountability political and economic reform civil society and prospects for future development in the region The book concludes by identifying common themes and trends and pinpointing similarities and differences to supply you with a broad comparative perspective **Party Politics in Post-communist Russia** John Lowenhardt, 2013-01-11 Political parties are the fabric of democratic politics In 1991 a new Russia emerged after seven decades of one party dictatorship claiming to be on the road towards democracy In this volume the authors analyse the many contradictions dilemmas and paradoxes of reconstituting free party politics and democratic rule in a severely traumatized country Frequently from a comparative perspective they deal with a range of topics from the behaviour of the new parties in parliament the role of ideology in cementing party organizations to the character and prospects of the transient Russian party system **Russia after the Cold War** Mike Bowker, 2014-06-17 In Russia after the Cold War the editors provide an accessible and comprehensive survey of the state of Russia at the end of the twentieth century as it seeks to come to terms with its new status in the world community the pressures and tensions arising from economic and social change and with the problems of ensuring a democratic future Written by a specially commissioned team of internationally respected experts on contemporary Russia Russia after the Cold War is ideally suited as a main text for introductory courses on modern Russia within a politics Area Studies or combined social science degree Contributors Alexei Avtonomov Edwin Bacon John Berryman Christoph Bluth Michael Cox Nadia Davidova Mark Galeotti James Hughes Roger E Kanet Julie A Lund Nick Manning Andrew Patmore Anthony Phillips Richard Sakwa Peter Shearman Mark Webber

Stephen Webber Stephen White Matthew Wyman The Russian Military into the 21st Century Stephen J. Cimbala, 2013-10-23 This work attempts to clarify the major problems facing Russia's armed forces in the present and immediate future. It covers threats from terrorists, break away republics and threats from outside Russia's borders. The book also includes political and economic problems facing the military. **Understanding Russian Politics** Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority, this textbook focuses on political developments in the world's largest country under Putin and Medvedev. Using a wealth of primary sources, it covers economic, social and foreign policy and the system of politics that has developed in recent years. Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption. This textbook tackles timely topics such as gender and inequality, issues organised religion, the economic crisis and Russia's place in the international community. It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people, which shows how policy is translated to Russians' everyday lives. **Ibss: Political Science: 1997** British Library of Political and Economic Science, 1999-01-14 Provides an unrivalled overview of intellectual development in political science. *Symbolism and Regime Change in Russia* Graeme Gill, 2013-01-17 During the Soviet period, political symbolism developed into a coherent narrative that underpinned Soviet political development. Following the collapse of the Soviet regime and its widespread rejection by the Russian people, a new form of narrative was needed, one which both explained the state of existing society and gave a sense of its direction. By examining the imagery contained in presidential addresses, the political system, the public sphere and the urban development of Moscow, Graeme Gill shows how no single coherent symbolic programme has emerged to replace that of the Soviet period. Laying particular emphasis on the Soviet legacy and especially on the figure of Stalin, *Symbolism and Regime Change in Russia* explains why it has been so difficult to generate a new set of symbols which could constitute a coherent narrative for the new Russia. *Routledge Handbook of Russian Politics and Society* Graeme Gill, James Young, 2013-03 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it. This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area. Through both empirical data and theoretical investigation, each chapter in the *Routledge Handbook of Russian Politics and Society* examines both the Russian experience and the existing literature, points to research trends and identifies issues that remain to be resolved. Offering focused studies of the key elements of Russian social and political life, the book is organized into the following broad themes: General introduction, Political institutions, Political Economy, Society, Foreign Policy, Politically, economically and socially. Russia has one of the most interesting development trajectories of any major country. This Handbook seeks to answer questions about democratic transition, the relationship between the market and democracy, stability and authoritarian politics, the development of civil society, the role of crime and corruption and the creation of a

market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations **Prospects for Constitutionalism in Post-Communist Countries** Levent Gönenç, 2002-06-18 The last decade of the 20th century saw radical changes in Eastern Europe and the former USSR Most of these countries made a transition from totalitarianism or authoritarianism to democracy and from central planning to a market economy Adding to the latter a number of national entities gained their independence after the disintegration of the federative states of the USSR Yugoslavia and Czechoslovakia Many recent studies have focused on these double in some cases triple transitions and scholars from different fields analyzed the so called 1989 Revolution from different perspectives Rather less scholarly attention has been paid to the future of post communist constitutions and prospects for constitutionalism in these countries The main questions dealt with throughout this study can be formulated as follows Will liberal democratic constitutionalism take root in these countries Will new constitutions in Eastern Europe and the former USSR perish or survive This study also aims at contributing to the construction of a general constitutional theory by studying the causes and dynamics of constitutional change in general Such constitutional change is not only on the East European but also on the West European agenda The purpose of this study is not to introduce a general theory about constitutional in stability but studying post communist constitutions will help us to understand the causes and dynamics of constitutional change from a broader perspective

Jewish Identities in Postcommunist Russia and Ukraine Zvi Y. Gitelman, 2012-10-15 The most comprehensive surveys ever undertaken of Jews in Russia and Ukraine show that their sense of Jewishness is powerful but detached from religion Their understandings of Jewishness differ from those of Jews elsewhere and create tensions in their interactions with other Jews especially in Israel This book examines in depth post Soviet Jews attitudes toward religion intermarriage emigration anti-Semitism and rebuilding Jewish life **Identities and Foreign Policies in Russia, Ukraine and Belarus** Stephen White, Valentina Feklyunina, 2014-10-22 This book maps changing definitions of statehood in Russia Ukraine and Belarus as a result of their exclusion from an expanding Europe The authors examine the perceptions of the place of each state in the international political system and its foreign policy choices and draw comparisons across the region **Developments in Russian Politics 5** Stephen White, Alex Pravda, Zvi Y. Gitelman, 2001 Russia has a new parliament and a new president and the shape of its future political life remains uncertain Taking the elections of 1999 and 2000 as their starting point the contributors to *Developments in Russian Politics 5* describe the institutional framework of the post Yeltsin system and examine the policy choices that confront the Putin administration This completely revised edition includes new discussions of such topics as media and political communication crime and corruption and Russia's continuing search for a national idea Other sections cover elections and electoral procedures parties and organized interests as well as economic social and foreign policy Written by leading scholars from both sides of the Atlantic *Developments in Russian Politics 5* will replace

earlier editions as the leading text for students of Russia and for a wider group of readers seeking a reliable and up to date introduction to the politics of the world s largest country *People and Their Opinions* Eric B. Shiraev, Richard Sobel, 2015-07-02 Utilizing both a critical thinking approach and a comparative perspective throughout the text Sobel and Shiraev provide comprehensive coverage of public opinion while also teaching students the basic skills necessary for measurement understanding and interpreting Written in an accessible and engaging manner this text provides a unique and practical introduction to the field of public opinion The book begins by schooling the reader in how to think critically and then helps students apply those techniques as they encounter the concepts of public opinion The text also employs a comparative perspective demonstrating the effect and nature of public opinion in other countries while also placing American public opinion in context Transitional Citizens Timothy J. COLTON, Timothy J Colton, 2009-06-30 Subjects obey Citizens choose Transitional Citizens looks at the newly empowered citizens of Russia s protodemocracy facing choices at the ballot box that just a few years ago under dictatorial rule they could not have dreamt of The stakes in post Soviet elections are extraordinary While in the West politicians argue over refinements to social systems in basically good working order in the Russian Federation they address graver concerns dysfunctional institutions individual freedom nationhood property rights provision of the basic necessities of life in an unparalleled economic downswing The idiom of Russian campaigns is that of apocalypse and mutual demonization This might give an impression of political chaos However as Timothy Colton finds voting in transitional Russia is highly patterned Despite their unfamiliarity with democracy subjects turned citizens learn about their electoral options from peers and the mass media and make choices that manifest a purposiveness that will surprise many readers Colton reveals that post Communist voting is not driven by a single explanatory factor such as ethnicity charismatic leadership or financial concerns but rather by multiple causes interacting in complex ways He gives us the most sophisticated and insightful account yet of the citizens of the new Russia

Public Opinion In Postcommunist Russia Introduction

In today's digital age, the availability of Public Opinion In Postcommunist Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Public Opinion In Postcommunist Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Public Opinion In Postcommunist Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Public Opinion In Postcommunist Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Public Opinion In Postcommunist Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Public Opinion In Postcommunist Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Public Opinion In Postcommunist Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Public Opinion In

Postcommunist Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Public Opinion In Postcommunist Russia books and manuals for download and embark on your journey of knowledge?

FAQs About Public Opinion In Postcommunist Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Public Opinion In Postcommunist Russia is one of the best book in our library for free trial. We provide copy of Public Opinion In Postcommunist Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Public Opinion In Postcommunist Russia. Where to download Public Opinion In Postcommunist Russia online for free? Are you looking for Public Opinion In Postcommunist Russia PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Public Opinion In Postcommunist Russia. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Public Opinion In Postcommunist Russia are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for

someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Public Opinion In Postcommunist Russia. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Public Opinion In Postcommunist Russia To get started finding Public Opinion In Postcommunist Russia, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Public Opinion In Postcommunist Russia So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Public Opinion In Postcommunist Russia. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Public Opinion In Postcommunist Russia, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Public Opinion In Postcommunist Russia is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Public Opinion In Postcommunist Russia is universally compatible with any devices to read.
