Public Opinion The First Ladyship And Hillary Rodham Clinton

William A. Blade

Public Opinion The First Ladyship And Hillary Rodham Clinton:

Public Opinion, the First Ladyship, and Hillary Rodham Clinton Barbara C. Burrell, 2001 Informative and accessible Public Opinion the First Ladyship and Hillary Rodham Clinton is a valuable reference for both students of politics and women The Wimp Factor Stephen Ducat, 2005-09-07 In this landmark exploration of how male s studies specialists BOOK JACKET anxiety has come to define our political culture Stephen J Ducat shows the link between the desperate macho strutting of male politicians the gender gap in voting behavior and fundamentalist holy wars He argues that a direct association exists between the magnitude of a man's femiphobia that is his terror of being perceived as feminine and his tendency to embrace right wing political opinions From the strenuous efforts by handlers to counter George H W Bush s wimp factor to the swaggering arrogance that led to the moral and military guagmire in U S occupied Irag anxious masculinity has been a discernible subtext in politics Ducat shows how this anxiety has been an underlying force in public life throughout the history of Western culture and also explores why and how certain political issues get gendered Analyzing various aspects of popular culture and drawing on pioneering research on the gender gap The Wimp Factor is a fascinating expos that will alter our understanding of contemporary politics Political Campaign Communication Robert E. Denton Jr., 2017-06-14 Political Campaign Communication Theory Method and Practice brings a diversity of issues topics and events on political campaign communication around the concepts of theory method and practice. The volume contains studies of political campaign communication utilizing a wide range of empirical rhetorical content analyses and social science methodologies as well as a variety of foci on the practice of political campaign communication with studies on the communication dimensions and elements of political campaigns It reflects the growing depth breadth and maturity of the discipline and provides insight into a variety of topics related to political campaign communication Bill Clinton Allan Metz, 2002-03-30 Bill Clinton s administration was filled with new policies and achievements for the nation s future but those achievements were easily overshadowed by personal flaws and scandal Despite his personal problems Clinton captured the American public and served two terms as one of our more memorable presidents This comprehensive bibliography on Clinton will provide students with information from his childhood his pre presidential career presidency including assessments of it and the beginning of his post presidential life Key access points to this information are provided in the Table of Contents and detailed author and subject indexes Also included is an invited essay providing an overview of the Clinton presidency and an extensive chronology of significant events American Presidential Candidate Spouses Laurel Elder, Brian Frederick, Barbara Burrell, 2018-03-20 The book offers a comprehensive analysis of public opinion toward presidential candidate spouses over the course of three decades drawing on multiple theoretical frameworks including the concept of new traditionalism and a plethora of empirical data to explore why some spouses engender greater support than others and what these reactions reveal about the American public and the gendered nature of the American presidency Recognizing that presidential

candidate spouses are important but understudied political actors this book provides extensive analysis of public evaluations of Bill Clinton and Melania Trump during the 2016 presidential election as well as the presidential candidate spouses in the 1992 and 2012 elections and places public reaction to these individuals in historical context The book considers important trends in U S elections including party polarization from the distinctive vantage points of candidate spouses and explores the symbolic importance of historic firsts including the first African American candidate spouse and the first male candidate spouse No other work provides a systematic exploration of public opinion towards candidate spouses as distinct political **Public Opinion** William A. Blade, 2002 Twenty four news networks a plethora of entities across the modern political era newspapers and magazines vibrant news talk radio and the ubiquitous Internet highlight our society as information driven With such a steady stream of hard facts mixed with publicised opinions the mainstream population has an opinion on everything Most anyone seems itching to argue their side of an issue making once private beliefs fodder for general consumption A staple of any medium's content is a regular public opinion poll on whatever hot topic strikes the editor's fancy From the significant to the mundane public opinion permeates society Accordingly politicians have taken note of these opinions and adopted stands and values that put them in tune with public sentiment An understanding of the nature of public opinion therefore is paramount in today s world This book assembles and presents a carefully chosen bibliography on public opinion in its many forms. The collection of references makes for a valuable resource in studying and researching the critical issue of public opinion Easy access to these pieces of literature are then provided with author title and subject indexes

Encyclopedia of the American Presidency, Fourth Edition Michael Genovese, 2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind Encyclopedia of the American Presidency Fourth Edition is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more

Entertaining the Citizen Liesbet van Zoonen, 2005 Can politics be combined with entertainment Can political involvement and participation be fun Politics and popular culture are converging all the time whether it s in Arnold Schwarzenegger s election as governor of California or in

political television dramas and movies like The West Wing and Dave This book encourages readers to think about how links between entertainment and politics have the potential to rejuvenate citizenship endorse civic values and sustain civic commitment Instead of discarding the popular as irrelevant or dangerous to the democratic process Liesbet van Zoonen shows us the possibilities for increasing political knowledge and participation through the arenas of politics and popular music political soaps political television dramas and politicians as celebrities A first rate starting point for debate Entertaining the Citizen will stimulate and entertain students and general readers alike On Behalf of the President Lauren A. Wright, 2016-04-18 White House expert Lauren A Wright identifies explains and measures the impact of the expanding role of presidential spouses in the White House and presidential campaign communications strategy with a focus on the Clinton Bush and Obama administrations More than any other time in history the First Lady now bears responsibilities tantamount to those of any high ranking cabinet member This fascinating book documents the growing presence of the president's wife in the communications strategies of the last three administrations explaining why their involvement in a campaign has been critical to its survival The book explores how the First Lady serves to persuade public opinion make personal appeals to the public on behalf of the president and promote initiatives that serve as uncontroversial frames for controversial policies The author delves into political discussions about what makes presidents and presidential candidates likable what draws public support to their agendas and why spouses appear to be more effective in these arenas than other surrogates or even the presidents themselves The content features dozens of interviews with former White House staff and communications strategists in depth analysis of almost 1 700 public speeches made by Hillary Clinton Laura Bush and Michelle Obama and surveys testing the effect of public relations strategies involving spouses on political opinion The **Global Hillary** Dinesh Sharma, 2016-06-17 Is there a linkage between smart power and Hillary Clinton's leadership style Can she advance American leadership and women s development worldwide The Global Hillary addresses these questions and many others Bringing together two key aspects of Clinton's ongoing career her advocacy for international women's rights and the mission to foster democratic development around the world The Global Hillary critically analyzes Clinton's role as a transformative leader of global influence Essays in this collection provide insight into Clinton's leadership style particularly her use of American smart power in foreign policy while examining her impact on the continuing worldwide struggle for women's rights Using international perspectives on the historical and cultural contexts of Clinton's leadership this book also looks toward the future of women's political leadership in the 21st century with special attention to the prospect of electing a woman to the United States presidency The Rhetoric of First Lady Hillary Rodham Clinton Colleen Kelley, 2001-01-30 Kelley provides an examination of Hillary Rodham Clinton's rhetorical responses to mediated versions of crises in the Clinton Administration She begins by examining the historical First Lady and then looks at mediated political realities in general as well as those of the Clinton presidency Kelley also examines the rhetorical management of political crises and the crises

management style of First Ladies including Florence Harding and Eleanor Roosevelt The book focuses on the analysis of Hillary Rodham Clinton's rhetorical management of crises in her husband's Administration including health care Travelgate Whitewater and allegations of sexual misconduct Kelley's approach is grounded in Kenneth Burke's framework of language as a symbolic means of inducing cooperation through rhetorical identification She concludes with speculation regarding both the degree of success of Hillary Clinton's efforts as well as the implications of those efforts to rhetorical and political communication and feminist theory This book will be of particular interest to scholars and researchers of the presidency and "Right Makes Might" Wolfgang the role of the First Lady political communication and feminist studies Mieder, 2019-04-04 A powerful and timely addition to the literature of rhetoric and folklore Choice In 1860 Abraham Lincoln employed the proverb Right makes might opposite of the more aggressive Might makes right in his famed Cooper Union address While Lincoln did not originate the proverb his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century. In this collection famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function of proverbs through the history of the United States from their early beginnings up through their use by such modern day politicians as Barack Obama Hillary Rodham Clinton and Bernie Sanders Building on previous publications and unpublished research Mieder explores sociopolitical aspects of the American worldview as expressed through the use of proverbs in politics women s rights and the civil rights movement and by looking at the use of proverbial phrases Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time and how they continue to play a key role in our contemporary moment Laura Bush Robert P. Watson, 2005 In this book version of the official report presented to First Lady Laura Bush the reader will find the same contents that were included in the actual report This report marks the first ever time that such an undertaking was performed for the nation's first lady The report designed as a service to assist Mrs Bush in meeting the demands of her new role contains advice for the first lady and her senior staff as well as information on the history challenges and duties associated with the Office of the First Lady The contributors include the former first ladies public officials and leading historians of the first ladyship The Office of the First Lady is arguably the most intriguing and demanding unpaid job in the country The president's wife is in the unique position to wield significant power and influence as she presides over White House social affairs and important social projects while serving as the president's most trusted confidente and one of the country s most celebrated women Partisan Sex Fedwa Malti-Douglas, 2009 Sex politics and the law characterized the Clinton era which began with the emergence of Bill Clinton as a presidential candidate with a train of sex scandals and ended with the attacks of September 11 2001 The Monica Lewinsky affair was the climax of the phenomenon and the resulting scandal had far reaching effects Politics became the language and the means for battles over sex Sex and politics became metaphors for each other as American society struggled to come to terms with its sexual and political anxieties Partisan Sex

Bodies Politics and the Law in the Clinton Era explores the high cultural anxieties of the left and the masculinity hang ups of the right the exploitation of romance imagery and hot sauce bottles the obsessions with Hillary Clinton's breakfasts and the rise of a society of voyeurs Amazon com Political Women Michele Lockhart, Kathleen Mollick, 2013-09-25 This collection examines the ways in which women have used political rhetoric and political discourse to provide leadership or assert their right to leadership at the national level While over the years women have broken through traditional roles they are still underrepresented in political leadership In this text scholars consider the various factors that continue to restrict political leadership opportunities for women as well as some of the ways in which individual women have strategically sought to enact political power and leadership for themselves The contributors analyze various case studies of leadership positions at the national level looking at women who have run been nominated to run or appointed to national positions. The interdisciplinary approach lends itself to rhetoric political rhetoric political discourse leadership studies women s studies gender issues satire pop culture American Political Culture Michael Shally-Jensen, Mark J. Rozell, Ted G. Jelen, 2015-04-28 This all encompassing encyclopedia provides a broad perspective on U S politics culture and society but also goes beyond the facts to consider the myths ideals and values that help shape and define the nation Demonstrating that political culture is equally rooted in public events internal debates and historical experiences this unique three volume encyclopedia examines an exceptionally broad range of factors shaping modern American politics including popular belief political action and the institutions of power and authority Readers will see how political culture is shaped by the attitudes opinions and behaviors of Americans and how it affects those things in return The set also addresses the issue of American exceptionalism and examines the nation s place in the world both historically and in the 21st century Essays cover pressing matters like congressional gridlock energy policy abortion politics campaign finance Supreme Court rulings immigration crime and punishment and globalization Social and cultural issues such as religion war inequality and privacy rights are discussed as well Perhaps most intriguingly the encyclopedia surveys the fierce ongoing debate between different political camps over the nation's historical development its present identity and its future course By exploring both fact and mythology the work will enable students to form a broad yet nuanced understanding of the full range of forces and issues affecting and affected by the political process Visual Rhetoric Lester C. Olson, Cara A. Finnegan, Diane S. Hope, 2008-03-20 Visual Rhetoric A Reader in Communication and American Culture is the first collection of its kind essays rich in concepts from the diverse history of rhetoric are featured in their relationship to visual experiences in one or another medium or various media Images are symbols with meaning how these images are seen and the messages they communicate are the study of visual rhetoric Today's society is increasingly inundated with visual images symbols and messages. The seminal essays in this collection reveal the workings the research and the effects of how what we see establishes and influences our perceptions our actions and our communication **Inventing a Voice** Molly Meijer Wertheimer, 2004 Inventing a Voice is a comprehensive work on

the lives and communication of twentieth century first ladies Using a rhetorical framework the contributors look at the speaking writing media coverage and interaction and visual rhetoric of American first ladies from Ida Saxton McKinley to Laura Bush The women's rhetorical devices varied some practiced a rhetoric without words while others issued press releases gave speeches and met with various constituencies All used interpersonal or social rhetoric to support their husbands relationships with world leaders party officials boosters and the public Featuring an extensive introduction and chapter on the First Lady as a Site of American Womanhood Wertheimer has gathered a collection that includes the post White House musings of many first ladies capturing their reflections on public expectations and perceived restrictions on their communication Tidal Wave Sara Evans, 2010-05-11 Forty years ago few women worked married women could not borrow money in their own names schools imposed strict quotas on female applicants and sexual harassment did not exist as a legal concept Yet despite the enormous changes for women in America since 1960 and despite a blizzard of books that continue to argue about women s proper place there has not been a serious definitive history of what happened until now Sara M Evans is one of our foremost historians of women in America Her book Personal Politics is a classic that captured the origins of the modern women s movement its successor Born for Liberty set the standard for sweeping histories of women In Tidal Wave Evans again sets the standard by drawing on an extraordinary range of interviews archives and published sources to tell the incredible story of the past forty years in women s history Encompassing both the so called Second Wave of feminism's initial explosion in the 1960s and 1970s and the Third Wave of the 1980s and 1990s she challenges traditional interpretations at every step She shows that the Second Wave was beset by fragmentation and infighting from the beginning its slogan the personal is political was both a rallying cry and the seed of its self destruction Yet the Third Wave has been surprisingly strong and almost all women today might be thought of as feminists in practice if not in name From national events and from leaders of institutions such as NOW and Emily s List to little known local stories of women who simply wanted more out of their lives only to discover that they were creating a movement Tidal Wave paints a vast canvas of a society in upheaval from politics to economics to popular culture to marriage and the family Today Evans argues the women s movement is as alive and vital as ever precisely because it has enjoyed such stunning success Though not all women are comfortable with the term feminist the vast majority hold jobs and enjoy previously unimaginable personal freedoms Never before in American or world history have women experienced full and equal citizenship and opportunity At last the extraordinary story can be told Women of the 2016 Election Jennifer Schenk Sacco, 2018-12-12 Women of the 2016 Election is an examination of women who played prominent roles in the 2016 US presidential election The collection focuses on women from different parties races religions and immigrant statuses who fulfill roles as candidates staffers first families journalists and grassroots organizers The contributors to this collection give a unique view into women s influences on an unprecedented election They examine the roles of feminism morality motherhood expectations of voters the press masculinity femininity race class and agency in this interdisciplinary work which spans the fields of political science feminist theory communication and women s and gender studies This is the election that gave rise to the Trump presidency and the MeToo movement and the women considered here have left trails and revealed how far there is yet to go for women achieving power in the highest echelons of American politics media and society
