A Manual for Preaching Abraham Kuruvilla, 2019-10-15 Abraham Kuruvilla's *A Vision for Preaching* offered an integrated biblical and theological vision for preaching. *A Manual for Preaching* addresses the practical and perennial issue of how to move from the biblical text to an effective sermon. The author, a well-respected teacher of preachers, shows how to discern the text's theological meaning and let that meaning shape the development of the sermon. Clearly written and illustrated with Old Testament and New Testament examples, the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla.

Preparing Expository Sermons Ramesh Richard, 2001-11-01 The Bible is what God has made. Sermons are what we make with what God has made. This is the foundation for developing expository messages according to Ramesh Richard. His method explained in *Preparing Expository Sermons* has been field-tested in training seminars for thousands of preachers around the world. Richard's book is a simple do-it-yourself resource for developing and preaching expository sermons. It guides the reader through a seven-step process with many practical suggestions and illustrative charts along the way. In addition, there are eleven appendixes that include information on: how to choose a text; preaching narratives; understanding your audience; forms of sermon introduction. A comprehensive sermon evaluation questionnaire is included as well. *Preparing Expository Sermons* is an updated and expanded version of *Scripture Sculpture* and is ideal for beginning preachers, lay preachers without formal training, or any pastor who is looking for a refresher course in expository sermon preparation.

The Routledge Handbook of Hindu-Christian Relations Chad M. Bauman, Michelle Voss Roberts, 2020-12-30 The historical interplay of Hinduism as an ancient Indian religion and Christianity as a religion associated in India at least with foreign power and colonialism continues to animate Hindu-Christian relations today. On the one hand, *The Routledge Handbook of Hindu-Christian Relations* describes a rich history of amicable, productive, even sometimes syncretic Hindu-Christian encounters. On the other, this handbook equally attends to historical and contemporary moments of tension, conflict, and violence between Hindus and Christians. Comprising thirty-nine chapters by a team of international contributors, this handbook is divided into seven parts: Theoretical and methodological considerations; Historical interactions; Contemporary exchanges; Sites of bodily and material interactions; Significant figures; Comparative theologies; Responses. The handbook explores how the study of Hindu-Christian relations has been and ought to be done, the history of Hindu-Christian relations through key interactions, ethnographic reflections on current dynamics of Hindu-Christian exchange, important key thinkers, and topics in comparative theology, ultimately providing a framework for further debates in the area. *The Routledge Handbook of Hindu-Christian Relations* is essential reading for students and researchers in Hindu-Christian studies, Hindu traditions, Asian religions, and studies in Christianity. This handbook will also be very useful for those in related fields such as anthropology, political science, theology, and history.

Christensen,2020-07-16 How can we preach persuasively without huckstering manipulating or coercing people Sadly we are seeing the fall of many pastors not for reasons of sexual immorality but the pursuit of pride and power The skillful use of marketing methods creates celebrity pastors who become significant influencers in the evangelical church The lure of success is seductive turning pastors into hucksters and Christians into consumers We need to heed the warnings of the New Testament about the pride of rhetoric and the pursuit of power David Christensen carefully analyzes the biblical warnings of Paul about the temptations of rhetorical sophistry in the first century church and applies them to pastoral ministry today God calls preachers to be ethical and effective persuaders David develops an ethical grid for pastoral persuasion using principles drawn from the Bible and social science along with practical illustrations from his years of ministry He calls preachers to be ethical and effective persuaders by emphasizing the centrality of the word of God while depending on the power of the Spirit of God Equipped for Good Work Cothen, Th.D., Joe H.,2002 *Take Up and Preach* Blayne A.
