Public Speaking For Coll Career Text:

Public Speaking for College and Career Hamilton Gregory, 2005 Public Speaking W. A. Kelly Huff, 2008 Why are you speaking what is your purpose your topic Who comprises your audience and how will they be affected by your message How will they react What are supporting materials where does one find them and how does one incorporate them into presentations These questions and more are addressed in this accessible introduction to public speaking The reader will learn all the tools of giving an effective public presentation including how to put a speech together how to choose supporting materials and strategies for how one should look sound and act while delivering a speech The book addresses different types of speeches and provides suggestions for how to cope with the fear of public speaking and how to turn that fear to one's advantage Practical and useful *Public Speaking A Concise Overview for the Twenty first Century* is a roadmap that helps its readers navigate the challenges of effectively conveying thoughts ideas and messages from one person to another Public Speaking for College & Career Hamilton Gregory, 2006-10 With its wealth of student and work oriented examples *Public Speaking for College and Career* offers a practical accessible and non intimidating approach to public speaking This trusted text shows students how to achieve clarity and confidence during the speeches they must give in college classes in career settings and in their communities The new edition offers a rich variety of examples stories photos and four new sample speeches Other major changes include updated Internet and library research techniques and expanded discussions on how to properly credit sources A new appendix Using PowerPoint Effectively has been added to the end of Chapter 9 on Visual Aids
