Public School Choice

“

The National PTA supports educational choices within public schools and believes that parents should be involved in the planning, development, implementation, and evaluation of public school choice plans.

”

Public School Choice

Herbert J. Walberg

Public School Choice:

Public School Choice Chrissie Bamber, 1990-01-01 Guidelines for creating equitable public school choice programs are offered in this booklet Section 1 discusses the elements essential to a good public school choice plan the reasons for interest in school choice choice plans in private and independent schools the history of the school choice movement and the influences of parents teachers and the community on choice plans The second section describes the ideal school design learning environments and styles specialized and alternative programs and governance plans Characteristics of good school choice programs are offered in section 3 and considerations for school selections are discussed in section 4 The fifth section describes means for involving and ensuring equal access to all families The final section describes five successful programs in Cambridge Massachusetts East Harlem New York Minnesota Montclair New Jersey and Richmond California A conclusion is that public school choice must be available to all populations including disadvantaged groups such as the poor minorities and non English speaking The appendix lists 12 helpful references LMI The Wiley Handbook of School Choice Robert A. Fox, Nina K. Buchanan, 2017-03-14 The Wiley Handbook of School Choice presents a comprehensive collection of original essays addressing the wide range of alternatives to traditional public schools available in contemporary US society A comprehensive collection of the latest research findings on school choices in the US including charter schools magnet schools school vouchers home schooling private schools and virtual schools Viewpoints of both advocates and opponents of each school choice provide balanced examinations and opinions Perspectives drawn from both established researchers and practicing professionals in the U S and abroad and from across the educational spectrum gives a holistic outlook Includes thorough coverage of the history of traditional education in the US its current state and predictions for the future of each alternative school choice Breaking Free Sol Stern, 2003 The first book to transform school choice from an abstract policy issue into a question of basic personal freedom and indeed for minority children at the bottom of the social ladder into a question of survival **Exploring the School Choice Universe** Kevin G. Welner, Patricia H. Hinchey, William J. Mathis, Gary Miron, 2013-02-01 Exploring the School Choice Universe Evidence and Recommendations gives readers a comprehensive complete picture of choice policies and issues In doing so it offers cross cutting insights that are obscured when one looks only at single issue or a single approach to choice The book examines choice in its various forms charter schools home schooling online schooling voucher plans that allow students to use taxpayer funds to attend private schools tuition tax credit plans that provide a public subsidy for private school tuition and magnet schools and other forms of public school intra and interdistrict choice It brings together some of the top researchers in the field presenting a comprehensive overview of the best current knowledge of these important policies The questions addressed in Exploring the School Choice Universe are of most importance to researchers and policy makers What do choice programs actually do What forms do they take Who participates and why What are the funding implications What are the results of different forms of school choice on outcomes

that matter like student performance segregation and competition effects Do they affect teachers working conditions Do they drive innovation The contents of this book offer reason to believe that choice policies can further some educational goals But they also suggest many reasons for caution If choice policies are to be evidence based a re examination is in order The information insights and recommendations facilitate a more nuanced understanding of school choice and provide the basis for designing sensible school choice reforms that can pursue a range of desirable outcomes

Public School Choice Vs. Private School Vouchers Richard D. Kahlenberg, 2003 In the wake of the U S Supreme Court's decision upholding the constitutionality of public funding for private religious schools the debate over private school vouchers has intensified This volume is a compilation of articles papers and discussions on public school choice and private school vouchers

School Choice and Social Controversy Stephen D. Sugarman, Frank R. Kemerer, 2011-12-01 In this important new volume distinguished legal and public policy scholars address issues that are critical to the successful drafting and implementation of school choice programs yet are usually overlooked in the choice debate They explore whether school choice is a threat or an opportunity to the many children who are largely deprived of choice today and they offer a variety of perspectives with some authors enthusiastic others more skeptical The book begins with a discussion of the types and extent of school choice what is known about its consequences and how politics has influenced its development It then focuses on three important public policy issues how school choice can revolutionize the way schools are financed what policy interventions are necessary to increase the supply of choice schools and how choice programs can be held accountable to parents and the state without undermining institutional autonomy The book addresses legal issues including whether public and private choice schools will be required to observe student and teacher rights generally recognized in traditional public schools how the religion and speech clauses of the First Amendment may affect the participation of religious schools in school choice programs whether school choice will enhance or aggravate opportunities for racial justice what the implications of school choice are for teacher unions and collective bargaining and whether children with disabilities will be accommodated in school choice programs under federal disability law Throughout the book the authors offer recommendations for public policy development The contributors are Jeffrey Henig Robert Bulman and David L Kirp Paul T Hill Robert M O Neil Jesse H Choper Betsy Levin William G Buss and Laura F Rothstein Stephen D Sugarman is Agnes Roddy Robb Professor of Law at the University of California Berkeley Frank R Kemerer is Regents Professor and director of the Center for

School Choice M. Edith Rasell, Richard Rothstein, 1993

School Choice Susan Phillips, 2004

School Choice Herbert J. Walberg, 2007 School Choice The Findings is the most comprehensive and up to date survey available summarizing the research on charter schools vouchers and public versus private school effectiveness The focus is on rigorous studies those using randomized control groups as in medical research those that monitor achievement changes over time and those based on large numbers of students The findings reviewed here go beyond academic achievement covering students civic engagement cost comparisons

across school types and public and parental opinion about schools and school choice The consensus of this research overwhelmingly favors competition and parental choice in education **The School Choice Wars** John

Merrifield,2001-03-07 What does the term school choice mean to you Opponents of parental choice have muddled its definition misleading parents and educators and drawing public debate away from the core issues In a book geared for anyone who wants to better understand this hotly contested topic Merrifield clarifies the proposals in existence today defining the key concepts related to choice Arguing for a competitive education industry he discusses policy and political strategy mistakes while suggesting corrections This informative book covers government regulation issues typical fallacies diversity issues private voucher initiatives and experiments and empirical evidence about competition School Choice

William H. Jeynes,2014-04-25 Are public charter schools more effective than traditional public schools This book provides quantitative evidence to answer this question and considers a better way to undertake a policy of school choice *School Choice A Balanced Approach* is the most comprehensive examination of traditional public schools public charter schools and faith based schools that has ever been undertaken By considering and comparing the overall data on these three types of educational systems it provides insight on likely outcomes of school choice programs The author s objective is not to advance any particular agenda but rather to provide readers with an unbiased analysis of research that has been embraced by both the G W Bush and Obama administrations that will allow for fresh thinking and the betterment of American education as a whole Author William H Jeynes PhD asks vital questions regarding the school choice issue that are often overlooked Which specific programs of school choice are likely to work and which would likely fail Is school choice really a boon for the private sector How might the implementation of school choice programs increase or decrease the financial burden on government budget deficits This book carefully addresses a relevant topic that ultimately affects every American making it essential reading for everyone from government officials and educators to students and the general public *Learning from School*

Choice Paul E. Peterson,Bryan C. Hassel,1998-07-01 While educators parents and policymakers are still debating the pros and cons of school choice it is now possible to learn from choice experiments in public private and charter schools across the country This book examines the evidence from these early school choice programs and looks at the larger implications of choice and competition in education Paul Peterson makes a strong case for school choice in central cities and coeditor Bryan Hassel offers the case for charter schools John E Brandl offers his vision of school governance in the next century The book s other contributors economists political scientists and education specialists provide case studies of the experience with voucher programs in Indianapolis San Antonio Cleveland and Milwaukee survey charter schools analyze public school choice discuss constitutional issues and study the effects of private education on democratic values Contributors include David J Armor George Mason University Chester E Finn Jr and Bruno V Manno Hudson Institute Caroline M Hoxby Harvard University Brett M Peiser Partnerships in Learning and Joseph P Viteritti New York University **School Choice and the**

Future of American Democracy Scott Abernathy, 2005-12-21 Exposes deep contradictions in the politics of American educational reform

School Choice Mercedes K. Schneider, 2016-06-01 Proponents of market driven education reform view vouchers and charters as superior to local board run community based public schools However the author of this timely volume argues that there is no clear research supporting this view In fact she claims there is increasing evidence of charter mismanagement with public funding all too often being squandered while public schools are being closed or consolidated Tracing the origins of vouchers and charters in the United States this book examines the push to globally compete with education systems in countries such as China and Finland It documents issues important to the school choice debate including the impoverishment of public schools to support privatized schools the abandonment of long held principles of public education questionable disciplinary practices and community disruption **School Choice The End of Public Education** is essential reading for anyone seeking a deeper understanding of the past and future of public education in America Book Features Provides a comprehensive historical account of the origins of vouchers and charters Includes accounts of intriguing historical experiences Examines the defunding of neighborhood public schools in favor of often underregulated charters Reveals charter school churn that often follows the closing of a mismanaged charter Provides a cogent counternarrative to the claim that charters are necessary for America to compete globally How fortunate that we have another soon to be classic from Mercedes Schneider that informs and empowers us all for the fight back Joyce E King Georgia State University Schneider provides a must read for anyone especially educators interested in the future of public education Margaret Mary Sulentic Dowell Louisiana State University Outstanding Powerful This is the most interesting and best researched book on school choice I ve ever read Julian Vasquez Heilig California State University

School Choice William H. Jeynes, 2014-04-25 Are public charter schools more effective than traditional public schools This book provides quantitative evidence to answer this question and considers a better way to undertake a policy of school choice **School Choice A Balanced Approach** is the most comprehensive examination of traditional public schools public charter schools and faith based schools that has ever been undertaken By considering and comparing the overall data on these three types of educational systems it provides insight on likely outcomes of school choice programs The author s objective is not to advance any particular agenda but rather to provide readers with an unbiased analysis of research that has been embraced by both the G W Bush and Obama administrations that will allow for fresh thinking and the betterment of American education as a whole Author William H Jeynes PhD asks vital questions regarding the school choice issue that are often overlooked Which specific programs of school choice are likely to work and which would likely fail Is school choice really a boon for the private sector How might the implementation of school choice programs increase or decrease the financial burden on government budget deficits This book carefully addresses a relevant topic that ultimately affects every American making it essential reading for everyone from government officials and educators to students and the general public

Could It Be Otherwise? Lois

André-Bechely,2013-10-11 Parents who wish to choose schools for their children must have more than a desire for different or better they need detailed knowledge of the processes and practices that will give them access to schools of choice This book vividly contrasts the experiences of a diverse group of urban parents choosing their children s schools with school choice policies from voluntary integration mandates to the No Child Left Behind Act Lois Andr Bechely carefully uncovers the race and class based inequities these policies sustain documenting the way parents themselves become complicit in the historical inequalities of schooling This book exposes how educational institutions are making this so and provokes new thinking about how public school choice could be implemented in more equitable and democratic ways The School Choice

Roadmap Andrew Campanella,2020-01-21 WINNER OF THE 2020 FOREWORD INDIES GOLD AWARD IN EDUCATION WINNER OF THE SILVER IPPY AWARD FOR BEST EDUCATIONAL RESOURCES You want your children to benefit from a great education But every student is unique One type of school might be a great fit for your neighbor s child but it might not work for your son or daughter Across the country many parents today have more choices for their children s education than ever before If you are starting the process of finding your child s first school or if you want to choose a new learning environment The School Choice Roadmap is for you This first of its kind book offers a practical jargon free overview of school choice policies from public school open enrollment to private school scholarships and more It breaks down the similarities and differences between traditional public schools public charter schools public magnet schools online public schools private schools and homeschooling Most importantly The School Choice Roadmap offers a seven step process that will help you harness the power of your own intuition and your own expertise about your child s uniqueness to help you find a school that reflects your family s goals values and priorities Filled with sage advice from dozens of other parents who have pursued the school search process and interviews with school leaders and teachers The School Choice Roadmap is an optimistic empowering book that cuts through the confusion in K 12 education so that you can give your children every opportunity to succeed in school and in life **The Case Against School Choice** Kevin B. Smith,Kenneth J. Meier,2016-09-16 Compelling

arguments supported by both anecdotal and empirical evidence to convince readers that school choice does nothing to improve the quality of education Solidly researched and written Smith s and Meier s effort should sway those still undecided on the issue Publishers Weekly **School Choice and Diversity** Janelle T. Scott,2005-08-20 This collection of essays will

help readers to disentangle the complex relationship between school choice and student diversity in the post Brown era Presenting the views of the most prominent researchers of school choice reforms in the U S this book argues that the contexts under which school choice plans are adopted are actually responsible for shaping student diversity within schools Using sociological economic and political analysis the authors present studies of controlled and voluntary choice plans charter schools private school selection and their interaction with race social class gender and student disability

Alternative Schooling and School Choice Allan G. Osborne, Jr.,Charles J. Russo,Gerald M. Cattaro,2012-08-16 Education

of America's school children always has been and always will be a hot button issue. From what should be taught to how to pay for education to how to keep kids safe in schools, impassioned debates emerge and mushroom both within the scholarly community and among the general public. This volume in the point-counterpoint *Debating Issues in American Education* reference series tackles the topic of alternative schooling and school choice. Fifteen to twenty chapters explore such varied issues as charter schools, for-profit schools, faith-based schools, magnet schools, vouchers, and more. Each chapter opens with an introductory essay by the volume editor, followed by point-counterpoint articles written and signed by invited experts, and concludes with Further Readings and Resources, thus providing readers with views on multiple sides of alternative schooling and school choice issues and pointing them toward more in-depth resources for further exploration.

Public School Choice Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. Such could be the essence of the book **Public School Choice**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall impact on readers.
