   PUBLISH OR PERISH TUTORIAL Anne-Wil Harzing,2016-08-29 This tutorial of 80 tips introduces the Publish or Perish user to the main functions of the PoP software in short and easy chunks We start with the most common scenario academics searching for their own name to find their publications citations and h index In doing so we also discuss in some detail how to disambiguate author names In addition you will learn how to use both the journal and general search as well as the multi query center   **LIFE** ,1965-01-22 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use   *The Publish Or Perish Book* Anne-Wil Harzing,2010 ISI s main advantages lie in the fact that as a traditional bibliographic database it allows more complex and focused search options the option to filter and refine queries and further analyze results ISI s most important disadvantage lies in its lack of comprehensive coverage resulting in an often serious underestimation of citation impact In addition ISI has a number of idiosyncracies difficulty in reliably establishing self citations poor handling of stray citations and frequent misclassification of original research articles as review articles and proceedings articles Chapter 15 proposes an alternative to the traditionally used ISI Journal Impact Factor JIF to evaluate journals It proposes both an alternative metric Hirsch s h index and data source Google Scholar to assess journal impact Using a comparison between the Google Scholar h index and the ISI JIF for a sample of 838 journals in Economics Business I argue that the former provides a more accurate and comprehensive measure of journal impact Finally Chapter 16 shows how different data sources and citation metrics impact on comparisons of academics between disciplines   **Publish and Perish** James Hynes,1998-04-15 Three novellas set in the academic world In Queen of the Jungle an unfaithful husband is betrayed by the family cat Casting the Runes is on a professor who exposes another s plagiarism and in 99 an anthropologist s enthusiasm at his discovery of a human sacrifice cult cools when he realizes he could be the sacrifice By the author of The Wild Colonial Boy   **Publish or Perish** Imad A. Moosa,2018-01-26 Imad Moosa s thought provoking book explores the contemporary doctrine that plagues the academic sphere the principle of publish or perish This book identifies the pressures placed upon academics to either publish their work regularly or suffer the consequences including lack of promotion or even redundancy   **The Publish Or Perish Book, Part 3** Anne-Wil Harzing,2011 Part 2 of the book provides a detailed discussion of the most common day to day uses of the software such as preparing for tenure promotion evaluating other academics deciding on journal submission and doing a literature review Pt 2 Back cover   **The Publish Or Perish Book** Anne-Wil Harzing,2011   *The Strategic Marketing of Science, Technology, and Medical Journals* Albert N. Greco,2023-06-30 This book analyzes the various economic and marketing strategies utilized by the five major STM commercial scholarly journal publishers since 2000 This period has witnessed tremendous economic marketing and

technological growth including the migration from a print only to a hybrid publishing format With this growth the industry has also seen the rise of open access publishing copyright challenges by websites such as Sci Hub the emergence of sharing platforms such as ResearchGate and Academia edu as well as the impact of Plan S on publishers universities and authors Given this incredible rate of change across the industry the author explores the diverse strategies and structures created by the largest STm publishers to decipher their effectiveness in addressing technological ethical and copyright issues Also he examines how mergers and acquisitions diversified operations such Elsevier s acquisition of Bepress SSRN and SCOPUS among other platforms Scrutinizing the different managerial marketing technology and economic financial strategies crafted by scholarly journal publishers between 2000 2020 this book offers a comprehensive assessment of the industry s attempts to identify understand cope with and minimize or defeat the herculean threats to its business model *The Discourse of Scholarly Communication* Patrick Gamsby,2023-08-14 The Discourse of Scholarly Communication examines the place and purpose of modern scholarship and its dialectical relationship with the ethos of Enlightenment Patrick Gamsby argues that while Enlightenment enlightenment is often used in the mottos of numerous academic institutions its historical social and philosophical elements are largely obscured Using a theoretical lens Gamsby revisits the ideals of the Enlightenment alongside the often contradictory issues of disciplinary boundaries access to research academic labor in the production of scholarship author peer reviewer editor and translator the interrelationship of form and content lectures textbooks books and essays and the stewardship of scholarship in academic libraries and archives It is ultimately argued that for the betterment of the scholarly communication ecosystem and the betterment of society anti Enlightenment rules of scholarship such as publish or perish should be dispensed with in favor of the formulation of a New Enlightenment Scholarly Publishing ,1993 A journal for authors and publishers **Journal of Scholarly Publishing** ,1993-10 **Doctoral Study and Getting Published** Richard Fay,Achilleas Kostoulas,2025-06-03 Doctoral Study and Getting Published features a collection of early career research narratives that focuses on researcher development and education There is an emphasis on the often pressurised process of publishing during or after a doctorate through an ecological perspective **A Guide to Publishing for Academics** Jay Liebowitz,2015-04-08 Most academics still wrestle with the publish or perish phenomenon Based on Dr Liebowitz s 25 years serving as the editor in chief of a leading international journal along with insights from some of the most knowledgeable journal editors this book shares key lessons learned to help new professors doctoral students and practitioner scholars Bulletin United States. Office of Education,1960 Science on the Ropes Carlos Elías,2019-05-15 In this controversial essay Carlos El as addresses the worldwide phenomenon that is threatening the scientific and economic progress of Western countries The rise and influence of magic and irrationality in the media in social networks and at universities is a disturbing phenomenon many Western students no longer want to pursue STEM Science Technologies Engineering and Math careers This lucid and well written book addresses one of the key issues of public debate the

deteriorating state of science in Western countries and their governments and its rise in Asian countries The author compares two distinct models the Spanish or Latin model which closed the door on science with the Counter Reformation and that employed by a second group of countries where science was encouraged El as suggests that a similar development could now be taking place between Western countries where the press television and social science academics are becoming increasingly critical towards science and Asia where most prime ministers and other politicians are scientists or engineers This book is intended for STEM educators both at secondary schools and universities scientists and academics interested in scientific culture in the era of fake news   The Behavior Therapist ,2005   *The Creativity Crisis* Roberta B. Ness,2015 The Creativity Crisis excavates the root causes of America s innovation slow down showing why revolutionary insights are no longer chased by young talent Economically and socially caution has overtaken creation This book is ultimately a roadmap for reinvigorating innovation within the system of science   **Publish Or Perish** Matthew J. Drake,2014   **Data Communications Principles** Richard D. Gitlin,Jeremiah F. Hayes,Stephen B. Weinstein,2012-12-06 This unique text for both the first year graduate student and the newcomer to the field provides in depth coverage of the basic principles of data communications and covers material which is not treated in other texts including phase and timing recovery and echo cancellation Throughout the book exercises and applications illustrate the material while up to date references round out the work   ,
