Metropolitan Opera

**Erich Marinitsch**

## **Puccini Manon Lescaut Levine Scotto Domingo Metropolitan Opera:**

**Annals of the Metropolitan Opera** Gerald Fitzgerald, 2016-06-11      [Ticket to the Opera](#) Phil G. Goulding, 2011-03-30

In *Ticket to the Opera* Phil G. Goulding finally makes the magic and mystique of opera accessible to all. Here he offers a complete operatic education including history, definitions of key musical terms, opera lore, and gossip portraits of famous singers and the roles they immortalized, as well as pithy introductions to the greatest operas of Europe and America and their composers. The book's centerpiece is what Goulding terms the collection of 85 classics among them *Aida*, *The Marriage of Figaro*, *Carmen*, and *Madama Butterfly* that have been packing the world's opera houses for years. This entertaining, meticulously researched book also includes a fascinating chapter on American opera from George Gershwin's *Porgy and Bess* to Philip Glass's *Einstein on the Beach* and a discussion of the gems of twentieth-century opera featuring works like Leos Janáček's *The Cunning Little Vixen*, Alban Berg's *Lulu*, and Sergei Prokofiev's *The Love for Three Oranges*. Whether you're a curious neophyte, a music lover interested in branching out, or an aficionado eager to compare notes with a brilliant fellow opera buff, you'll prize *Ticket to the Opera* as an essential volume in your music library.

**Giacomo Puccini** Roger Flury, 2012-06-21

Opera recordings have been with us since the creation of the first wax cylinders. Now, at a time when the 25-year reign of the compact disc appears to be coming to an end, is the moment to take stock of the history of recordings of arguably the most popular composer of operas, Giacomo Puccini. In *Giacomo Puccini: A Discography*, librarian and music historian Roger Flury looks at each opera chronologically, from *Le Villi* to *Turandot*, followed by sections on Puccini's instrumental, chamber, orchestral, and solo vocal works. Details of each complete opera are listed by recording date, followed by excerpts in the order in which they occur in the opera. Recordings of each aria are listed alphabetically by the name of the artist. For ease of use, Flury establishes as the main criteria for inclusion those recordings assigned a commercial issue number and available for purchase. This book does not limit itself to mainstream recordings but includes as well unofficial recordings taken from broadcasts or illegally recorded in theaters, ensuring that the audio recording history of Puccini is free of gaps. Video and DVD issues, whether of staged performances or excerpts in concert, are not included unless they have been issued in a sound-only format. This volume brings together information on nearly 10,000 recordings of Puccini's music. It provides a comprehensive overview of the recorded history of the composer's works and serves as a useful guide for the transfer of recordings from one format to another.

*Puccini the Thinker* John Louis DiGaetani, 2001

Within these three subdivisions, this book explores the growth of Puccini's thought, dramatic skills, and ideas. *Puccini the Thinker* also includes a short biography of the composer, descriptions of notable productions of his operas, and discussions of major Puccinian singers and conductors.

**BOOK JACKET**      *New York Magazine*, 1980-03-24

*New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine

s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      **The Metropolitan Opera Encyclopedia** David Hamilton,Aliki

Andris-Michalaros,1987 An elegant gift and comprehensive reference for opera lovers The Metropolitan Opera Encyclopedia draws on the talents and resources of the world s greatest opera house Describes singers composers operas and more 250 black and white photographs      New York Magazine ,1984-04-02 New York magazine was born in 1968 after a run as an

insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      **New York Magazine** ,1980-09-29 New York magazine was born in
