Gogol's Artistry Andrei Bely, 2009-07-05 When one great author engages another as Andrei Bely so brilliantly does in Gogol s Artistry the result is inevitably a telling portrait of both writers So it is in Gogol s Artistry Translated into English for the first time this idiosyncratic exhaustive critical study is as interesting for what it tells us about Bely s thought and method as it is for its insights into the oeuvre of his literary predecessor Bely s argument in this book is that Gogol s earlier writing should be given more consideration than most critics have granted Employing what might be called a scientific perspective Bely considers how often certain colors appear he diagrams sentences and discusses Gogol s prose in terms of mathematical equations The result as strange and engaging as Bely s best fiction is also an innovative thorough and remarkably revealing work of criticism
