SELECT POEMS John M. Bennett, 2016 Poetry Visual Poetry A selection from over 40 years of Bennett s work introduced by Ivan Arg elles Where to begin writing about this baffling and certainly most avant garde of all poets living and working in the USA today Bennett s reputation is international and his interest in Mesoamerican culture has drawn him frequently to that part of the world where he is a recognized figure His experimentations over the years have encompassed multiple techniques including visual poetry and his own polyglottery moving in and out of English Spanish Portuguese French or some Mesoamerican language What may seem aleatory is in fact more intentional and grounded than is first apparent Bennett has roots in traditional literatures those of Siglo de Oro Spain and of Elizabethan England but he is capable of transducing those literatures metamorphosing them by way of the avant garde movements of the 20th century into something utterly innovative and New such as few contemporary artists have done

Horse Destroys the Universe Cyriak Harris,2019-08-22 The Hitchhiker s Guide to the Galaxy meets Black Beauty and gallops off into The Matrix in the debut novel from cult internet sensation Cyriak Harris Life was simple for Buttercup the horse Chewing grass in a field gazing dreamily at passing clouds or standing at a hedge to watch the world go by Perhaps a light nap followed by a gentle canter and more grazing and then off to the stable for a programme of psychological tests designed to expand the boundaries of horse consciousness For Betty and Tim life was also simple Or at least as simple as life could be when you are scientists conducting neurological experiments on a horse That is until the day they discovered their horse was conducting an experiment of its own Life became rather more complicated after that for Tim Betty and Buttercup and the ensuing struggle for control over one horse s destiny results in an intellectual arms race that takes all three of them to the edge of reality and beyond It is a struggle that threatens to shake the foundations of civilisation and unravel the fabric of time and space Can anyone stop this horse from destroying the universe
