Crossfield, 2025-03-17 Imagine growing up in a small Southern town surrounded by sugarcane fields snakes alligator infested canals and palm trees Imagine growing up in a city where most people struggle financially where the nearest grocery store is five miles away where there is no hospital where there is only one traffic light and where most people know one another Can you imagine growing up in a family that has many secrets that could either destroy family ties or create bonds that could last a lifetime Welcome to Latangela Coleman Crossfield s family secrets incest murder and lies It was once easy for Latangela to conclude that she was the culprit of her demise After all her mother often told her that she would not amount to a hill of beans that she was nothing and that she would never be anything She sometimes believes these perceptions yet struggles to conceive them as reality Latangela toils with succumbing to the harshness of her circumstances Perhaps it could be that she was once a great pretender pretending as if being raped molested and physically and verbally abused by a neighbor her uncle her babysitter and her mother had in no way influenced the choices that she made Latangela sometimes jolts and cringes as she recalls experiencing uninvited fondling kisses rape electric cord beatings abortion the murder of her stepfather homelessness and so much more Indeed the recollection of these former days brings tears to her eyes yet joy to her heart as she discovers that she is not to blame for these atrocities Unforgiveness is her psychological prison cell It is in this cell that Latangela allows herself to succumb to the pain and agony of her past Latangela s life changes when she has a supernatural encounter with Jesus Christ She realizes that forgiveness is the key to victory She learns to forgive her predators and herself for the poor choices that led to homelessness and unhealthy relationships In doing so the emotional prison cell that once held her captive ceases to exist Through prayer and supplication God gives her the wisdom knowledge

and grace to separate agape love for her mother and her abusers from their indiscretions Latangela's life experiences do not prevent her from becoming an educator an author a minister a media personality an actress and a serial entrepreneur She plans to one day travel the globe to share how she was crushed but not defeated 0 *Popular Mechanics*, 1998-04 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Digest**, 1904 ECGBL2009- 4th European Conference on Games-Based Learning Bente Meyer, 2010-12-01 *Virtual Foreplay* Eve Eschner Hogan, 2001 In this guide to online dating relationship expert Eve Hogan describes the skills needed to make meaningful contact on the Web and then successfully shift to face to face romance from back cover **Turning Life Into Fiction** Robin Hemley, 2006-05-02 With lively style good humor and insight Robin Hemley helps you turn all that you experience into fresh and powerful fiction By learning to reimagine you'll focus on translating real world people and events into characters and scenes that happen on paper for the first time You'll think what if instead of what is in order to take control of your material and cut loose the inhibitions of real life In these pages you'll learn how to hone your observation skills and fill your journal with rich and vivid details Because as Hemley writes Life is in the details and so is good fiction You'll see how to decide which ideas to bring to fiction and which ones to let go And you'll learn how to find the right form novel short story vignette memoir for the story you want to tell use triggers to start your reader's imagination rolling keep your fiction emotionally honest by making the right choices between the way it happened and what the story dictates ask Is it believable not Did it happen create composites of real people and places that fit the unique needs of your story and empower your imagination focus your fiction Make sure everything every character counts and eliminate people who sit at the end of the bar without a role to play fictionalize ethically and legally other people's stories Learn your rights as a writer versus their rights to privacy Can you use actual names When do you need to get permission To illustrate how writers feed their fiction with reality Hemley uses examples from his own work and from fiction masters of yesterday and today At the end of each chapter challenging exercises help you apply the basic theories and push them even further An adventurous read *Turning Life Into Fiction* will help you create fiction that's just as strange and wonderful and real as the life that inspires it Worship on Earth as It Is in Heaven Rory Noland, 2011-06-21 Rory Noland addresses the challenges of Christian worship head on offering practical suggestions gleaned from Scripture on understanding and experiencing vibrant worship The first half of *Worship on Earth as It Is in Heaven* explores what it means to grow as a private worshiper The practices of the psalmist David provide insight to help people worship God on their own Second Noland discusses corporate worship by exploring the glorious gatherings in heaven as described in the book of Revelation He presents immediately applicable ideas for becoming a better corporate worshiper This book includes Slice of church life scenarios Every chapter begins with a brief scenario that presents a worship related issue or a conflict
