Pulling The Lions Tail:

Pulling the Lion's Tail Jane Kurtz,1995 Almaz hates to wait for anything It has been a year since her mother died and she wants her father s new wife to love her right away Her wise grandfather promises to tell her how to win her stepmother s affection if she will bring him a handful of hair from the tail of a lion As she gains the trust of the lion she also becomes close to her new stepmother one step at a time Full color **Never Pull a Lion's Tail** Barry J. Freeman,2006 Never Pull A Lion s Tail is a humorous book of poems about African animals that parents and children can read together and which is both educational and lots of fun Children will enjoy the familiar and entertaining characters while adults will appreciate the poems social commentary The topics are easily identifiable and timeless and the rhyming schemes and meter are varied and compelling Features photographs taken by some of Africa s most eminent photographers **Three Days Before the Shooting . . .** Ralph Ellison,2010-01-26 From the author of bestselling Invisible Man the classic novel of African American experience this long awaited second novel tells an evocative tale of a prodigal of the twentieth century Brilliantly crafted moving and wise Juneteenth is the work of an American master Tell me what happened while there s still time demands the dying Senator Adam Sunraider to the itinerate preacher whom he calls Daddy Hickman As a young man Sunraider was Bliss an orphan taken in by Hickman and raised to be a preacher like himself Bliss s history encompasses the joys of young southern boyhood bucolic days as a filmmaker lovemaking in a field in the Oklahoma sun And behind it all lies a mystery how did this chosen child become the man who would deny everything to achieve his goals Here is the master of American vernacular at the height of his powers evoking the rhythms of jazz and gospel and ordinary speech An extraordinary book a work of staggering virtuosity With its publication a giant world of literature has just grown twice as tall Newsday Stick and the Lion and The Moon Queen (Historical Magic Fantasy) Richard Stoker, To graduate from wizard training Stick must direct a starving lion to go from one end of a long cage to the other Then survive the brother wizard who hates him and the Moon Queen who loves him Tired of magic wand eye of newt recipe magic If the ingredients really contain the power you perform a chemistry experiment Perhaps real magicians can impose their will on the world without hocus pocus In the early Neolithic era wizard schools teach powerful inner magic Chants and charms might fool ignorant primitive hunters and stoop farmers but not the king of beasts In the end your inner strength derives from the God or Goddess you serve In The Moon Queen a very short story for very young children a poor little backwoods girl walks all the way to town to see the Moon Queen only to have the crowd of arrogant town people turn her away However far from the proud and powerful she meets a little girl in a carriage who insists they change clothes and she never sees her mother and little brother again Stick and the Lion first appeared in BARDIC RUNES IX in 1994 **Reading the World with Picture Books** Nancy J.
