Great Emancipator himself who was a devoted Shakespeare fan and admirer of Cushman's work. Her wife immortalized her in the angel at the top of Central Park's Bethesda Fountain worldwide; she was a lady universally acknowledged as the greatest living tragic actress. Behind the scenes, she was equally radical, making an independent income supporting her family, creating one of the first bohemian artists' colonies abroad, and living publicly as a queer woman. And yet her name has since faded into the shadows. Now her story comes to brilliant life with Tana Wojczuk's *Lady Romeo*, an exhilarating and enlightening biography of the 19th-century trailblazer. With new research and rarely seen letters and documents, Wojczuk reconstructs the formative years of Cushman's life set against the excitement and drama of 1800s New York City, and featuring a cast of luminaries and revolutionaries who changed the cultural landscape of America forever. The story of an astonishing and uniquely American life, *Lady Romeo* reveals one of the most remarkable forgotten figures in our history and restores her to center stage where she belongs.
