Strong at the Broken Places J. T. James,2016-03-04 Raised under modern day Dickinsonian conditions the author takes you on a tour of life on the streets to the continued misery and pain of combat in Vietnam These experiences followed by service as a Police Officer led to multiple failed marriages A determination to succeed by any means necessary put him on a fast track to the top of the corporate world But the constant remembrance of all things that he wanted to forget led him down

the Path To Self Destruction You will read within these pages how easy it was for him to make mostly bad choices in life and how important it was for him to be Strong at the Broken Places J T James Excerpt from Introduction **Nerd Girl Rocks Paradise City** Anne Thomas Soffee,2006-09 This hilarious peek into the early years of the hair band era reveals the hierarchy of fishnets bustiers and chicks with the Holy Grail a backstage pass After college Anne Thomas Soffee journeyed to Los Angeles to start a career as a rock journalist and small time heavy metal flack A taste for other people s prescriptions and too much beer edges her freelance journalism work right off her schedule She struggles with not being thin enough pretty enough or cool enough when in the midst of the L A riots Soffee is offered a coveted slot in Virginia Commonwealth University s MFA writing program Determined to pull herself out of current habits Soffee starts turning her life around making a stop at rehab before she heads off to graduate school Her quarter life crisis is packed with offbeat characters that prove that fact is often funnier than fiction Riot Woman Eleanor C. Whitney,2021-09-14 Growing up immersed in the feminist DIY values of punk Riot Grrrl and zine culture of the 1990s and early 2000s gave Eleanor Whitney like so many other young people who gravitate towards activism and musical subcultures a sense of power confidence community and social responsibility As she grew into adulthood she struggled to stay true to those values and with the gaps left by her punk rock education This insightful deeply personal history of early 2000s subcultures lovingly explores the difficulty of applying feminist values to real life dilemmas and embrace an evolving political and personal consciousness Whitney traces the sometimes painful clash between her feminist values and everyday adult realities and anyone who has worked to integrate their political ideals into their daily life will resonate with the histories and analysis on these pages such as engaging in anti domestic violence advocacy while feeling trapped in an unhealthy relationship envisioning a unified girl utopia while lacking racial consciousness or espousing body positivity while feeling ambivalent towards one s own body Throughout the book the words and power of Bikini Kill and other Riot Grrrl bands ground the story and analysis bringing it back to the raw emotions and experiences that gave this movement its lasting power while offering a complex contemporary look at the promises and pitfalls of Riot Grrrl informed feminism **Before the Tutorial Starts: A Few Things I Can Do to Keep the Bosses Alive, Vol. 2** Kotatsu Takahashi,2025-04-22 A LOSER MIDBOSS IS THE HOTTEST NEW ADVENTURER Kyouichirou has successfully rescued Haruka Aono from her scheduled demise and together they make their debut as adventurers facing one unfair boss after another With his knowledge of the game and her sword skills a bright future finally seems within their grasp But when James Szilard the head of one of the five great clans challenges them to a fight Kyouichirou is seriously worried Isn t this guy one of the strongest characters in the whole game **On the Outskirts** Chris Annis,2016-08-19 The paths we are on seem to be guided by the good we want out of life but all too often we forget about our own struggles and the struggles of others This journey that I bring you on is a brief look inside my personal struggles with things such as acceptance depression vulnerability and much more However I have lived a life where being strong was the only option not only physically and

mentally but also because society places stigmas upon us all On the Outskirts was written to help people understand that struggling is OK because it s natural but we must never lose track of where our path is heading and do our best to keep a vision The poetry in this book was written to help me understand situations in my life but also to help others who struggle as well This book will help you see that motivation and leadership is everywhere and comes from all aspects of life At the same time it will help you see things from a different perspective as I have sought understanding from avenues I never expected
