Luer, 2002 **Henry Bradley Plant** Canter Brown, 2019-11-26 The first biography of Henry Bradley Plant the entrepreneur and business magnate considered the father of modern Florida In this landmark biography Canter Brown Jr makes evident the extent of Henry

Bradley Plant's influences throughout North Central and South America as well as his role in the emergence of integrated transportation and a national tourism system. One of the preeminent historians of Florida, Brown brings this important but understudied figure in American history to the foreground. *Henry Bradley Plant: Gilded Age Dreams for Florida and a New South* carefully examines the complicated years of adventure and activity that marked Plant's existence from his birth in Connecticut in 1819 to his somewhat mysterious death in New York City in 1899. Brown illuminates Plant's vision and perspectives for the state of Florida and the country as a whole and traces many of his influences back to events from his childhood and early adulthood. The book also elaborates on Plant's controversial Civil War relationships and his utilization of wartime earnings in the postwar era to invest in the bankrupt Southern rail lines. With the success of his businesses such as the Southern Express Company and the Tampa Bay Hotel, Plant transformed Florida into a hub for trade and tourism traits we still recognize in the Florida of today. This thoroughly researched biography fills important gaps in Florida's social and economic history and sheds light on a historical figure to an extent never previously undertaken or sufficiently appreciated. Both informative and innovative, Brown's volume will be a valuable resource for scholars and general readers interested in Southern history, business history, Civil War era history, and transportation history. **Florida's Peace River Frontier** Edgar Canter Brown, 2024-03-05. In this book, Canter Brown Jr. records the economic, social, political, and racial history of the Peace River Valley in southwest Florida in an account of violence, passion, struggle, sacrifice, and determination. *Explorer's Guide Sarasota, Sanibel Island, & Naples (Seventh Edition) (Explorer's Complete)* Chelle Koster-Walton, 2016-12-27.
