Moody Bitches Julie Holland,2015-03-03 A groundbreaking guide for women of all ages that shows their natural moodiness is a strength not a weakness As women we learn from an early age that our moods are a problem an annoyance to be stuffed away But our bodies are wiser than we imagine Moods are a finely tuned feedback system that allows us to be more empathic intuitive and aware of our own capabilities If we deny our emotionality we deny the breadth of our talents Yet millions of American women are medicating away their emotions with psychiatric drugs whose effects are more far reaching than most of us realize And even if we don t pop a pill women everywhere are numbing their emotions with food alcohol and a host of addictive behaviors that deny the wisdom of our bodies and keep us from addressing the real issues we face Psychiatrist Julie Holland knows there is a better way In *Moody Bitches* she shares insider information about the drugs we re being offered and the direct link between food and mood and she offers practical advice on sex exercise and sleep strategies as well as some surprisingly effective natural therapies In the tradition of *Our Bodies Our Selves* this groundbreaking guide will forge a much needed new path in women s health and offer women invaluable information on how to live better and be more balanced at every stage of life *The Journals of Sylvia Plath* Sylvia Plath,2013-01-16 The electrifying diaries that are essential reading for anyone moved and fascinated by the life and work of one of America s most acclaimed poets Sylvia Plath began keeping a diary as a young child By the time she was at Smith College when this book begins she had settled into a nearly daily routine with her journal which was also a sourcebook for her writing Plath once called her journal her Sargasso her repository of imagination a litany of dreams directives and imperatives and in fact these pages contain the germs of most of her work Plath s ambitions as a writer were urgent and ultimately all consuming requiring of her a heat a fantastic chaos

even a violence that burned straight through her The intensity of this struggle is rendered in her journal with an unsparing clarity revealing both the frequent desperation of her situation and the bravery with which she faced down her demons
