church or for special programs **Real Puppets, Real Issues** Paul Reed, 2016-03-09 It is no secret that some people are  
feeling alienated from the church for various reasons social status sexual orientation or how they dress among others For  
these reasons as well as others some have felt compelled to leave the church The purpose of this book is to minister to those  
very people to show them that although the church is not perfect Jesus Christ is real and alive and will never mistreat them  
or abuse them that in His heart there is a place for them too Perhaps the most important part of ministering to those feeling  
like there is no spiritual home for them in the church is to demonstrate that while the church struggles to exemplify the love  
of Christ Christ Himself is still real and is still alive and loves each and every one with a deep and abiding love It is my hope  
that those who either read these scripts or see them performed will come to realize that Christ is calling us all and we have

Welcome to Harmony the kind of place we would all like to live in The people who live here are ordinary types who have both  
strengths and weaknesses just like the rest of us These plays target children who are four to twelve years of age Each play  
begins with an introductory statement by a leader or pastor that attempts to tie the current play to previous plays and build  
some continuity There are six main puppets who appear in most of the plays to help answer questions about faith the church  
and life in general Running time is ten minutes or less *A Different View* Mary C Findley, 2025-06-05 Welcome to the

a new and unexpected twist Animal characters present their own point of view in humorous style while still remaining faithful  
to the truth of Scripture Each one ties to a particular event or passage passages of Scripture from the Old and New  
Testaments and are placed in chronological order as they occur in Scripture *Second Shepherd's Play* Lisl Beer, 1991 The
