Performing Objects Claudia Orenstein, Tim Cusack, 2024-10-17 This anthology of essays a companion to *Puppet and Spirit Ritual Religion and Performing Objects Volume I* aims to explore the many types of relationships that exist between puppets broadly speaking and the immaterial world The allure of the puppet goes beyond its material presence as historically and throughout the globe many uses of puppets and related objects have expressed and capitalized on their posited connections to other realms or ability to serve as vessels or conduits for immaterial presence The flip side of the puppet's troubling uncanniness is precisely the possibilities it represents for connecting to discarnate realities Where do we see such connections in contemporary artistic work in various mediums How do puppets open avenues for discussion in a world that seems to be increasingly polarized around religious values How do we describe analyze and theorize the present moment What new questions do puppets address for our times and how does the puppet's continued entanglement with these concerns trouble or comfort us The essays in this book from scholars and practitioners provide a range of useful models and critical vocabularies for addressing this aspect of puppet performance further expanding the growing understanding and appreciation of puppetry generally This book along with its companion volume offers for the first time robust coverage of this subject from a diversity of voices examples and perspectives Youth Ministry Drama and Comedy Chuck Bolte, Paul McCusker, 1987 This book is a must have for libraries or church youth drama directors Youth Ministry Drama and Comedy has great insight displayed from authors Chuck Bolte and Paul McCusker It tells how to put on plays from groups who cannot afford costumes and or props to those who can This book covers all areas of youth dramatics and even includes skits Also this book contains all resources needed for finding what one needs for their youth dramatics program Amazon com **The Christian Conjurer Magazine** ,2001 *Puppet Scripts* GERARD ASSEY, 2021-03-17 According to surveys carried out ninety four percent 94% of all fundamental Christians accepted Jesus as their Savior while they were very young and sixty five percent 65% of all Christians were led to the Lord by their parents or teachers It is therefore most vital and valuable for those of us who are teachers especially those who are in Vocation Bible School Sunday School Teachers Children Ministry Pastors and Leaders to get our children starting from a very young age engrossed and rooted with simple Bible stories and then progressing through the more age appropriate children's Bibles and studies as they get older Now while there are numerous Bible Story books available this book however focuses on 37 miracles of JESUS using the power of puppets and is on Jesus alone Who is the centre of the whole Bible enabling the child to see the power of Jesus and His divine authority thus building a strong foundation PUPPET SCRIPTS will hopefully help anyone in Children's Ministries make a start of building a legacy by passing on through these precious kids to help build a faith line of future generations Puppets help Teach kids about Jesus what He did and what He continues to do for them Build a foundation on the Word of God the Bible its characters and its key Messages Establish in the faith the joy of serving Christ Win children and teens to Christ and the Kingdom Teach teens to be great puppeteers Start a kid as a hearer then as they move into teens they graduate as doers puppeteers Build

Harker,2004-07 Author examines the practices and passions that are transforming and debasing contemporary youth ministry rock music magic clowning comedy drama mime puppetry sports extreme adventure activities youth fashions and movies and exposes the disturbing ideas that permit them to flourish in God s Church **The Conspiracy** Monsignor William McCarthy,2010-08-18 The Conspiracy chronicles the monumental struggles of an innocent priest Monsignor William McCarthy falsely accused in 2003 of molesting two young sisters more than 23 years earlier On the eve of his retirement from a stellar career as a priest and pastor for the next five tortuous years he was the victim of an anonymous complaint that was accepted as true by his bishop and friend of 40 years Share his travails and see how ones faith can overcome the worst injustices that man can heap on a holy and totally innocent person Jack Kraft Esq Monsignor William McCarthy paints a picture embracing a situation that is almost impossible to comprehend Had I not stood by him throughout the years of pure hell he experienced I would not have believed the outright calumny by a detective and how the subsequent action of his bishop and diocesan staff could have occurred Child abuse is a terrible thing but equally horrible is when innocent priests are unjustly condemned and destroyed by the hierarchy of their church Arthur N Hoagland M D This book is a must read for any Catholic who loves their Church but is concerned about its often self destructive response to the tragedy of clerical pedophilia It is story about tragedy and triumph The tragedy of the Church that Monsignor McCarthy loves deeply and into which he has selflessly devoted his entire life but is sometimes governed by people who have lost all sense of justice It is a Church that betrayed him In its attempt to protect the victims of child abuse it established a new category of victims its faithful priests The triumph of Monsignor McCarthy is his faith and love of Jesus which saw him through his terrible ordeal in spite of the evil that was perpetrated against him Deacon Joseph Keenan **Transmedia Harry Potter** Christopher E. Bell,2019-09-03 Transmediation the telling of a single story across multiple media is a relatively new phenomenon While there have been adaptations books to films for example for more than a century modern technology and media consumption have expanded the scope of trans mediating practices Nowhere are these more evident than within the Harry Potter universe where a coherent world and narrative are iterated across books films video games fan fiction art music and more Curated by a leading Harry Potter scholar this collection of new essays explores the range of Potter texts across a variety of media Prophetic Magic Pierre Robinson,2017-08 Prophetic Puppet Master A person who uses their actions or words to control someone or something of a lesser will also known as pulling the strings of someone or something Often a puppet master uses actions in addition to thoughtfully assembled words with a commanding or guilt inducing voice
