I Know Your Dog Is a Good Dog Linda Scroggins,2023-12-22 When a pet dog injures a human or another dog the owner is left in a state of fear and confusion If a dog wreaks havoc and destruction on a home the owner is left feeling helpless If an owner finds a dog uncontrollable or if a dog becomes aggressive and a threat to the community the dog becomes the one that is at risk for injury or death Families living with these behaviorally challenged dogs may become isolated and wonder if there is help for their dog The reality is there are thousands of families facing these issues This book explains the process for helping dogs with behavior problems in plain language Calling on her years of experience as a certified canine behavior consultant the author highlights the journeys of past clients through a series of vignettes broken up by chapters that contain informative and researched guidance While it is not meant to be a how to training guide the book lets people with reactive or anxious dogs know they are not alone And for

those that lose the battle it walks with them through that final journey **The Lion and the Puppy** Leo Tolstoy, graf Leo Tolstoy, 2012-03 A collection of twenty five short Russian folktales with lessons and morals Snap to It Pup W. Michael Armstrong, 2000-04-23 Taking place in a bar stories by different customers are told about friendships Close friendships It is a collection of stories that have the message of anti hate It has straight and gay men mixing together showing positive role models from both worlds The stories are a bridge to take away the mystery of how men become close with each other and show the merit because it happens **The New Work of Dogs** Jon Katz, 2004-06-08 In an increasingly fragmented and disconnected society dogs are often treated not as pets but as family members and human surrogates The New Work of Dogs profiles a dozen such relationships in a New Jersey town like the story of Harry a Welsh corgi who provides sustaining emotional strength for a woman battling terminal breast cancer Cherokee companion of a man who has few friends and doesn't know how to talk to his family the Divorced Dogs Club whose funny acerbic and sometimes angry women turn to their dogs to help them rebuild their lives and Betty Jean the frantic founder of a tiny rescue group that has saved five hundred dogs from abuse or abandonment in recent years Drawn from hundreds of interviews and conversations with dog lovers and canine professionals The New Work of Dogs combines compelling personal narratives with a penetrating look at human animal attachment and it presents a vivid portrait of a community and by extension an entire nation that is turning to its pets for emotional support and stability in a changing and uncertain world Field and Fancy, 1920 *Corgi Haven* Janice J. Ciarla, 2010-10-08 Book Summary This story takes place in the fictional town of Redeemer Oklahoma located outside the real city of Enid It is a story of the tremendous love and passion Meredith Charlesby has for her Welsh Corgis the dogs she rescues and the well being of the breed as a whole It is a story of healing not only for Meredith but for Danny Davis Linda and Alan It is the story of a wonderful small close knit Christian community with a big heart and room for all believers who have lost their way had their faith shaken or seek redemption and new beginnings **Puppy Kisses To Partnership** Joyce Guthrie, 2012-08-12 The purpose of this book is to take you and your puppy from the dream before your puppy is even a reality which means finding the right breeder one using ENS an enrichment program and PAT testing to picking the right puppy to properly training your puppy once you bring him or her home to build that ultimate relationship that perfect partnership that bonds you for life There are so many optimal steps that can be taken long before you and your puppy ever step into a training class The techniques used are applicable to large breeds mixed breeds and rescues as well as giants The term giants refers more to size and weight than any particular breed **Welcoming Your Puppy from Planet Dog** Kathy Callahan, 2024-04-16 Written in a fresh warm voice loaded with empathy Welcoming Your Puppy from Planet Dog lights the path to a relaxed happy interspecies household I truly LOVE this book If I were fostering breeding or getting a new puppy I'd read it twice and still keep it within reach every day Dr Patricia McConnell applied animal behaviorist speaker and author of The Other End of the Leash and The Puppy Primer After a decade of guiding people who've just added a puppy to the family

dog trainer Kathy Callahan has learned a fundamental truth at some point every one of them feels overwhelmed When they seek out expertise they re flooded with impossibly detailed advice conflicting opinions and a surprising number of techniques that seem unkind In contrast Callahan reassures owners that success flows not from nailing an intimidating list of disciplinary tactics but from adopting a mindset of trusted guide rather than master The key to great training is recognizing that we have essentially kidnapped these puppies from their own vastly different culture Using an easy to grasp Planet Dog Planet Human concept Callahan dives into the puppy essentials including how to prepare your house and yourself for puppyhood potty training chewing jumping and other challenges how to train with fun not fear why it might seem your puppy just doesn t listen navigating puppyhood with young kids cats and or other dogs what to do if there s household disagreement on things like whether dogs belong on furniture In fun to read chapters filled with empathy for both the beleaguered humans and their confused puppies Welcoming Your Puppy from Planet Dog paves the way for a rewarding friendship between a relaxed well prepared human and a canine family member who s happily at ease in our world *Three Elephant Power And Other Stories* Andrew Barton,2023-09-27 Them things said Alfred the chauffeur tapping the speed indicator with his fingers them things are all right for the police But Lord you can fix em up if you want to Did you ever hear about Henery that used to drive for old John Bull about Henery and the elephant Alfred was chauffeur to a friend of mine who owned a very powerful car Alfred was part of that car Weirdly intelligent of poor physique he might have been any age from fifteen to eighty His education had been somewhat hurried but there was no doubt as to his mechanical ability He took to a car like a young duck to water He talked motor thought motor and would have accepted I won t say with enthusiasm for Alfred s motto was Nil admirari but without hesitation an offer to drive in the greatest race in the world He could drive really well too as for belief in himself after six months apprenticeship in a garage he was prepared to vivisect a six cylinder engine with the confidence of a diplomaed bachelor of engineering Barring a tendency to flash driving and a delight in persecuting slow cars by driving just in front of them and letting them come up and enjoy his dust and then shooting away again he was a respectable member of society When his boss was in the car he cloaked the natural ferocity of his instincts but this day with only myself on board and a clear run of a hundred and twenty miles up to the station before him he let her loose confident that if any trouble occurred I would be held morally responsible
