EBOOK: Principles of Services Marketing Adrian Palmer, 2013-01-16

Now in its seventh edition Principles of Services Marketing has been revised and updated throughout to reflect the most recent developments in this fast moving and exciting sector. With a stronger emphasis on emerging and global economies it has been restructured to give clearer focus on key issues of efficiency, accessibility and customer experience. This authoritative text develops an indispensable framework for understanding services, their effective marketing and how this drives value creation. Key Features: Opening vignettes introduce a chapter's key themes with short examples that present topics in familiar everyday scenarios students can relate to. Longer case studies feature well known companies and provide an opportunity to analyse real life scenarios and apply understanding. In Practice vignettes drawn from services organizations from around the world and how services are delivered and experienced by customers. Thinking Around the Subject boxes examine the operational challenges of putting theory into practice. Summary links to other chapters reinforce the main topics covered and how they fit within the wider context of services marketing to improve overall understanding of the subject. Expanded coverage of key topics such as service dominant logic, servicescapes and the use of social media explore the latest theory and practice. Reflects the importance of marketing for public services and not for profit organizations. Includes new chapters on service systems and the experiential aspects of service consumption. With more prices and more in depth build ups Laxton's offers more practical and complete information than any other price book available. This new edition takes into account major price variations that stem from raw material costs in the last few months. Higher fuel costs have impacted on prices across the board in particular costs of non ferrous metals. Increased Copper sheet and pipe show price increases of well above 50% in the last year while zinc, lead and aluminium prices have also risen significantly. There are savings in plaster and drainage goods prices are down. All the prices in Laxton's are based on the new 3 year Construction Industry Joint council wage rate agreement that came into force at the end of June 2006. Saving you time comprehensive basic price and approximate estimating sections make putting together outline costings quicker and easier. Saving you effort all the information you need on each measured item is clearly set out on a single page with a full break down of costs. Saving you money all 250 000 prices are individually checked and updated to make sure that your tender costs are precise. **Business Information Systems and Technology** Brian Lehaney, Phil Lovett, Mahmood Shah, 2011-04-29 Business information systems and business information technology are integral aspects of modern business and managers in these areas are now expected to have knowledge of human and managerial issues as well as technical ones.
