Awaken the Pure Heart Tallal Alie Turfe, 2017-12-22 In America we live in a fast paced self indulgent society of pleasure seeking people who predicate their lifestyles on consumer oriented and materialistic notions Influenced by this world around us our hearts may become faithless dishonest deceptive distressed and at times evil Hence our hearts become damaged However in the quiet of our solitude we can deeply reflect on how to become devout and pious as we awaken the pure heart In **Awaken the Pure Heart** author Tallal Alie Turfe explains that while the heart pumps blood through the network of arteries and veins called the cardiovascular system it is also the spiritual control center of life the very center of our existence and the very essence of who we are The heart is the center of the soul It is the seat of our emotional intelligence intention and desires and it is the point of our personal contact with God as He judges By looking to the Quran as a healing source and by slowing down and reflecting in solitude through prayer and supplication we too can restore our hearts and the hearts of others The heart is more than the most important organ in the human body It is also the quintessence of our spiritual and emotional well being Acceptance causes the heart to be elated or jubilant while rejection causes the heart to be saddened or troubled Thus by listening to our hearts we can discover how to embrace its purity and live with virtue in the modern world The Saints Daily Exercise ... Why do we read the Psalms We read them because we find comfort in them We identify ourselves with the ups and downs of the writer his feelings and emotions They show the struggles of the writer with God s activities how long before you The psalmist says and our cry to the Lord mixes with his They show his fears when he writes though I walk through the valley of the shadow of death and our fear becomes one with his The theologian reads them because of their prophetic and Messianic teachings But do we ever read them because they teach us how we relate to God See how the Psalms teach us what a person in a right relationship with God does in his relationship with Him Experience a thrilling growing and often convicting journey in God while being richly blessed as you learn what it means He establishes the work of our hands and see the Apostle Paul s example We know that our times are in God s hands and see how God created time for our salvation and why He determines our days We consider all precepts right and see the problems of the pick and choose theology We are devoted to God and see how we re little burning bushes walking the streets of this world We trust in God and see how little we do and much more
