Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature

Tracy Fessenden

Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature:

The Puritan Origins of American Sex Tracy Fessenden, Nicholas F. Radel, Magdalena J. Zaborowska, 2014-03-05 From witch trials to pickaxe murderers from brothels to convents and from slavery to Toni Morrison's Paradise these essays provide fascinating and provocative insights into our sexual and religious conventions and beliefs

The Puritan Origins of American Sex Tracy Fessenden, 2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company

The Columbia Guide to Religion in American History Paul Harvey, Edward Blum, 2012-02-14 The first guide to American religious history from colonial times to the present this anthology features twenty two leading scholars speaking on major themes and topics in the development of the diverse religious traditions of the United States These include the growth and spread of evangelical culture the mutual influence of religion and politics the rise of fundamentalism the role of gender and popular culture and the problems and possibilities of pluralism Geared toward general readers students researchers and scholars The Columbia Guide to Religion in American History provides concise yet broad surveys of specific fields with an extensive glossary and bibliographies listing relevant books films articles music and media resources for navigating different streams of religious thought and culture The collection opens with a thematic exploration of American religious history and culture and follows with twenty topical chapters each of which illuminates the dominant questions and lines of inquiry that have determined scholarship within that chapter's chosen theme Contributors also outline areas in need of further more sophisticated study and identify critical resources for additional research The glossary American Religious History A Z lists crucial people movements groups concepts and historical events enhanced by extensive statistical data

Religion and American Cultures Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of Religion and American Cultures Tradition Diversity and Popular Expression presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren't largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the nones those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America's multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious

expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents *Religion, the Secular, and the Politics of Sexual Difference* Linell E. Cady, Tracy Fessenden, 2013-11-05 Global struggles over women's roles rights and dress increasingly cast the secular and the religious in tense if not violent opposition When advocates for equality speak in terms of rights and modern progress or reactionaries ground their authority in religious and scriptural appeals both tend to presume women's emancipation is ineluctably tied to secularization Religion the Secular and the Politics of Sexual Difference upsets this certainty by drawing on diverse voices and traditions in studies that historicize question and test the implicit links between secularism and expanded freedoms for women Rather than position secularism as the answer to conflicts over gender and sexuality this volume shows both religion and the secular collaborate in creating the conditions that generate them Born Again Bodies R. Marie Griffith, 2004-10-04 Fat People Don't Go to Heaven screamed a headline in the tabloid Globe in November 2000 The story recounted the success of the Weigh Down Workshop the nation's largest Christian diet corporation and the subject of extensive press coverage from Larry King Live to the New Yorker In the United States today hundreds of thousands of people are making diet a religious duty by enrolling in Christian diet programs and reading Christian diet literature like What Would Jesus Eat and Fit for God Written with style and wit far ranging in its implications and rich with the stories of real people Born Again Bodies launches a provocative yet sensitive investigation into Christian fitness and diet culture Looking closely at both the religious roots of this movement and its present day incarnations R Marie Griffith vividly analyzes Christianity's intricate role in America's obsession with the body diet and fitness As she traces the underpinning of modern day beauty and slimness ideals as well as the bigotry against people who are overweight Griffith links seemingly disparate groups in American history including seventeenth century New England Puritans Progressive Era New Thought adherents and late twentieth century evangelical diet preachers Abusing Religion Megan Goodwin, 2020-07-17 Why do Americans presume to know what's really going on in marginal religions Sex abuse happens in all communities but American religious outsiders often face disproportionate allegations of sexual abuse Abusing Religion argues that sex abuse in minority religious communities is an American problem not merely a religious one **Sex and Religion** Dag Ølstein Endsjø, 2012-01-01 Sex and religion are inevitably and intricately linked There are few realms of human experience other than sex in which religion has greater reach and influence The role of religion of any faith to prohibit regulate condemn and reward is unavoidably prominent in questions of sex namely with whom when how and why In Sex and Religion Dag Ølstein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world Endsjø reflects on some of the most significantly problematic areas in the relationship between sex and religion from sex before or outside of marriage to homosexuality Through many examples from world religions he outlines what people mean by sex in a religious context with

whom it is permissible to have sex how sex can be a directly religious experience and what consequences there are for deviance for both the individual and society As Endsby explains while Buddhist monks call attention to gay sex as a holy mystery the Christian church questions a homosexual's place in the church Some religions may believe that promiscuity leads to hurricanes and nuclear war and in others God condemns interracial marriage Sex and Religion reveals there is nothing natural or self evident about the ways in which various religions prescribe or proscribe and bless or condemn different types of sexuality Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it Sex and Religion is a fascinating investigation of mores meanings rituals and rules in many faiths around the globe and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience [America's Religions](#)

Peter W. Williams, 2008 A panoramic introduction to religion in America newly revised and updated **Sexuality and the World's Religions** David Wayne Machacek, Melissa M. Wilcox, 2003-08-13 Exploring one of the most controversial topics in contemporary theology this scholarly volume reveals what the world's great faiths East and West preach about sexuality with a special emphasis on American religion What do the world's most important religious texts have to say about one of humanity's favorite activities Editors David W Machacek and Melissa M Wilcox have brought together top scholars in the field of religious studies to ask and answer these critical questions Carefully researched elegantly written and respectfully presented Sexuality and the World's Religions explores the intersection of the spiritual and the carnal in Buddhism Christianity Confucianism Daoism Hinduism Islam Judaism and African and Native American spiritual traditions A separate section explores critical religious and sexual topics in American society including the role of spirituality in gay lesbian bisexual and transgender communities the role of sex in the modern witchcraft community and the ever thorny problem of religion and sexual liberty Reconciling sexuality and spirituality in every human soul is one of religion's most important tasks Students and other readers will find this timely and comprehensive volume of interest in exploring these issues **Long Before Stonewall** Thomas A. Foster, 2007-07-01 2007 Choice Outstanding Academic Title Although the 1969 Stonewall riots in New York City symbolically mark the start of the gay rights movement individuals came together long before the modern era to express their same sex romantic and sexual attraction toward one another and in a myriad of ways Some reflected on their desires in quiet solitude while others endured verbal physical and legal harassment for publicly expressing homosexual interest through words or actions Long Before Stonewall seeks to uncover the many iterations of same sex desire in colonial America and the early Republic as well as to expand the scope of how we define and recognize homosocial behavior Thomas A Foster has assembled a pathbreaking interdisciplinary collection of original and classic essays that explore topics ranging from homoerotic imagery of black men to prison reform to the development of sexual orientations This collection spans a regional and temporal breadth that stretches from the colonial Southwest to Quaker communities in New England It also includes a challenge to commonly accepted understandings of the Native American berdache Throughout connections of race

class status and gender are emphasized exposing the deep foundations on which modern sexual political movements and identities are built

The Politics of Transparency in Modern American Fiction Paula Martín Salván, Sascha Pöhlmann, 2024

A much needed contribution to and critique of debates in the newly emerging field of transparency studies from the perspective of American literary studies In the twenty first century transparency has become an ambiguous buzzword both in the public and the private realms e g Wikileaks and the Snowden affair social media This volume takes its cue from the emerging field of transparency studies recent scholarly work in sociology political theory and cultural studies that identifies a hegemonic rhetoric of transparency in public and political life While scholars in this new field routinely gesture toward literature as the realm where secrecy may be productive they rarely engage with literature directly and literary studies itself remains notably absent from their debates This collection of essays seeks to redress that state of affairs by focusing on literary texts written in an American cultural tradition steeped in the interplay between transparency and exposure fear and secrecy security and surveillance and information and disinformation The essays draw on authors ranging from Whitman James and Ellison to Pynchon Morrison and Eggers to argue that American literature complicates theoretical assumptions about transparency made in other disciplines They question the field s strong theoretical emphasis on present day technopolitical practices and discourses as the location of hegemonic discourse on transparency and instead historicize such phenomena and extend them to discursive spheres that have so far been neglected such as issues of sexuality and race

After the Wrath of God Anthony M. Petro, 2015-06-01

On a cold February morning in 1987 amidst freezing rain and driving winds a group of protesters stood outside of the Unitarian Universalist Church in Amherst Massachusetts The target of their protest was the minister inside who was handing out condoms to his congregation while delivering a sermon about AIDS dramatizing the need for the church to confront the seemingly ever expanding crisis The minister s words and actions were met with a standing ovation from the overflowing audience but he could not linger to enjoy their applause Having received threats in advance of the service he dashed out of the sanctuary immediately upon finishing his sermon Such was the climate for religious AIDS activism in the 1980s In *After the Wrath of God* Anthony Petro vividly narrates the religious history of AIDS in America Delving into the culture wars over sex morality and the future of the American nation he demonstrates how religious leaders and AIDS activists have shaped debates over sexual morality and public health from the 1980s to the present day While most attention to religion and AIDS foregrounds the role of the Religious Right Petro takes a much broader view encompassing the range of mainline Protestant evangelical and Catholic groups alongside AIDS activist organizations that shaped public discussions of AIDS prevention and care in the U S Petro analyzes how the AIDS crisis prompted American Christians across denominations and political persuasions to speak publicly

about sexuality especially homosexuality and to foster a moral discourse on sex that spoke not only to personal concerns but to anxieties about the health of the nation He reveals how the epidemic increased efforts to advance a moral agenda regarding the health benefits of abstinence and monogamy a legacy glimpsed as much in the traction gained by abstinence education campaigns as in the more recent cultural purchase of gay marriage The first book to detail the history of religion and the AIDS epidemic in the U S After the Wrath of God is essential reading for anyone concerned with the intersection of religion and public health *Good Sex* Catherine M. Roach,2022-10-04 The United States may have a puritanical past but the 21st century is wide open to diverse gender expression and romance Good Sex is the manifesto or Manisexto if you will for this cultural revolution Same sex marriage is legal the MeToo movement has exploded colleges nationwide now teach consent based sexual health the media celebrates body positivity and transgender visibility has become mainstream Defining good sex as both ethical and pleasurable Catherine M Roach features such topics as equity intersectionality and shared pleasure while offering a lively discussion that is inclusively feminist queer friendly and sex positive without being divisive An accessible guidebook Good Sex provides hope that America s sexual gender and racial injustices can be addressed together After all this new gender and sexual revolution strengthens the pursuit of happiness and love Welcome to the revolution

Queer Masculinities, 1550-1800 K. O'Donnell,M. O'Rourke,2005-09-27 This book offers the most up to the minute snapshot of scholarship on queer gay historiographies in a number of geographical regions in western Europe Asia and the US It features the work of the most established scholars in the field of the history of same sex desire and promises to take the study of same sex relations in the early modern period in radical new directions **Teaching American Literature in Spanish Universities** Carme Manuel Cuenca,2002 Uno de los aspectos m s valiosos de este libro es que comienza enlazando a trav s de los dos primeros art culos la educaci n universitaria con su nivel inmediatamente anterior la escuela de secundaria una conexi n que a menudo se olvida con serios resultados para ambos En este sentido Benito Camacho Mart n el autor de uno de los art culos realiza un an lisis l cido y en cierto modo dogm tico sobre el declive de la ense anza de literatura en las escuelas de secundaria tanto en horas dedicadas como en conocimientos adquiridos Los otros art culos algunos en ingl s y otros en castellano tratan distintos aspectos de la ense anza de literatura norteamericana con un nfasis manifiesto en materiales del siglo XX y sobre todo en la literatura afro americana de hecho el libro resultar particularmente til para los profesores de esto ltimo

Gale Researcher Guide for: Colonial Women Writers Laura A. Leibman, Gale Researcher Guide for Colonial Women Writers is selected from Gale s academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research *Conspiracy Theories in the United States and the Middle East* Michael Butter,Maurus Reinkowski,2014-02-27 Conspiracy Theories in the United States and the Middle East is the first book to approach conspiracy theorizing from a decidedly comparative and interdisciplinary perspective Whereas previous studies

have engaged with conspiracy theories within national frameworks only this collection of essays draws attention to the fact that conspiracist visions are transnational narratives that travel between and connect different cultures It focuses on the United States and the Middle East because these two regions of the world are entangled in manifold ways and conspiracy theories are currently extremely prominent in both The contributors to the volume are scholars of Middle Eastern Studies Anthropology History Political Science Cultural Studies and American Studies who approach the subject from a variety of different theories and methodologies However all of them share the fundamental assumption that conspiracy theories must not be dismissed out of hand or ridiculed Usually wrong and frequently dangerous they are nevertheless articulations of and distorted responses to needs and anxieties that must be taken seriously Focusing on individual case studies and displaying a high sensitivity for local conditions and the cultural environment the essays offer a nuanced image of the workings of conspiracy theories in the United States and the Middle East

The Cambridge Companion to Puritanism John Coffey, Paul C. H. Lim, 2008-10-09 Puritan was originally a term of contempt and Puritanism has often been stereotyped by critics and admirers alike As a distinctive and particularly intense variety of early modern Reformed Protestantism it was a product of acute tensions within the post Reformation Church of England But it was never monolithic or purely oppositional and its impact reverberated far beyond seventeenth century England and New England This Companion broadens our understanding of Puritanism showing how students and scholars might engage with it from new angles and uncover the surprising diversity that fermented beneath its surface The book explores issues of gender literature politics and popular culture in addition to addressing the Puritans core concerns such as theology and devotional praxis and coverage extends to Irish Welsh Scottish and European versions of Puritanism as well as to English and American practice It challenges readers to re evaluate this crucial tradition within its wider social cultural political and religious contexts

Encyclopedia of Prostitution and Sex Work Melissa Hope Ditmore, 2006-08-30 The cliché is that prostitution is the oldest profession Isn't it time that the subject received a full reference treatment This major 2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women's studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender media education crime race technology performing arts family social work social mores pornography the military tourism child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates

Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature Introduction

In today's digital age, the availability of Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow

digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature books and manuals for download and embark on your journey of knowledge?

FAQs About Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature is one of the best book in our library for free trial. We provide copy of Puritan Origins Of American Sex Religion Sexuality And National Identity In American Literature in digital format, so the resources that you find are reliable.
