Details of every UK release on the Purple Records label from 1971 to 1978 with full colour high quality photography throughout of labels sleeves and inserts along with detailed analysis and identification of the crucial 1st pressing details of every album and single Essential reading for collectors of Purple Records Following in the footsteps of Frank Zappa The Beatles and The Rolling Stones Deep Purple s entrepreneurial management team founded the band s own vanity record label in 1971 The brainchild of Tony Edwards and John Coletta and along with additional Purple companies served to control virtually every business and financial aspect of Deep Purple s musical output including management promotion publishing

and of course recording The label signed a diverse range of additional artists with an eclectic mix of styles some of which would seem to be incongruous with Deep Purple s own hard rock genre The most comprehensively detailed book on the Purple Records label *The Book of Love* James McConnachie,2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world s most famous sex manual The Kamasutra is one of the world s best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived

Evidence of Love John Bloom,Jim Atkinson,2016-12-20 The fascinating true story behind the HBO Max and Hulu series

about Texas housewife Candy Montgomery and the bizarre murder that shocked a community Los Angeles Times Book Review Candy Montgomery and Betty Gore had a lot in common They sang together in the Methodist church choir their daughters were best friends and their husbands had good jobs working for technology companies in the north Dallas suburbs known as Silicon Prairie But beneath the placid surface of their seemingly perfect lives both women simmered with unspoken frustrations and unanswered desires On a hot summer day in 1980 the secret passions and jealousies that linked Candy and Betty exploded into murderous rage What happened next is usually the stuff of fiction But the bizarre and terrible act of violence that occurred in Betty s utility room that morning was all too real Based on exclusive interviews with the Gore and Montgomery families Edgar Award finalist Evidence of Love is the superbly written account of a gruesome tragedy and the trial that made national headlines when the defendant entered the most unexpected of pleas not guilty by reason of self defense Fort Worth Star Telegram Adapted into the Emmy and Golden Globe Award winning television movie A Killing in a Small Town as well as the new limited series Candy on Hulu and Love and Death on HBO Max this chilling tale of sin and savagery will fascinate true crime aficionados Kirkus Reviews
