buried evidence little bits of stone bone and pottery refuse heaps and firepits ancient villages and burial sites fingerprints and prehistoric blood Liz Bryan takes the clues from decades of archaeological research and presents an immensely entertaining and informative account of these ancient people First published by University of Alberta Press in 1991 this revised and updated edition of the book features photographs maps and line drawings to help illustrate this amazing story

Eastern Encounters: Canadian Women's Writing about the East, 1867-1929 Shoshannah Ganz □,2017-04-17 Eastern Encounters releases early Canadian women writers from a simple focus on autobiography and racial politics and interrogates their specific and sophisticated Asian influences With a compelling reconstruction of historical context Ganz has created perhaps the first book in a much needed series that will revisit Canadian nationalism through the important cultural exchanges she examines Though shaped with an Asian readership in mind Eastern Encounters is an important work for all who wish to challenge the notion that Judeo Christian traditions almost exclusively shaped early Canadian discourse **The Next Instalment** Wendy Roy,2019-11-28 What happens next That was the question asked of early twentieth century authors Nellie L McClung L M Montgomery and Mazo de la Roche whose stories and novels appeared serially and kept readers and publishers in a state of anticipation Each author answered through the writing and dissemination of further instalments McClung s Pearlre Watson trilogy 1908 1921 Montgomery s Anne of Green Gables books 1908 1939 and de la Roche s Jalna novels 1927 1960 were read avidly not just as sequels but as serials in popular and literary newspapers and magazines A number of the books were also adapted to stage film and television The Next Instalment argues that these three Canadian women writers all born in the same decade of the late nineteenth century were influenced by early twentieth century publication marketing and reading practices to become heavily invested in the cultural phenomenon of the continuing story A close look at their serials sequels and adaptations reveals that rather than existing as separate cultural productions each is part of a cultural and material continuum that encourages repeated consumption through development and extension of the originary story This work considers the effects that each mode of dissemination of a narrative has on the other **Haynes' Guide to Yellowstone Park** ,1919 A practical hand book *To Helvetica and Back* Paige Shelton,2016-01-05 Nestled in the valley of the ski resort town of Star City Utah is a side street full of shops that specialise in the simple charms of earlier eras Among these is the Rescued Word where Chester Henry and his adult granddaughter Clare lovingly repair old typewriters and restore old books But when a stranger to town demands the antique typewriter they re already repairing for another customer Clare fears she may need to be rescued And when the man later shows up dead in a back alley she wonders What about a dusty old typewriter could possibly be worth killing for **Haynes New Guide and Motorists' Complete Road Log of Yellowstone National Park** ,1923 Haynes New Guide Jack Ellis Haynes,1920 *The Springs of Steamboat: Healing Waters, Mysterious Caves and Sparkling Soda* Dagny McKinley,2013-03-05 Steamboat Springs is world renowned for the ski mountain that overshadows the town but it was the multitude of springs that drew Ute Indians and then the first

white settlers to this valley John Crawford Steamboat s founder envisioned a town where people traveled from around the world to take part in the healing properties of the waters The various springs were believed to cure everything from rheumatism gout and dyspepsia to virulent blood disorders and skin diseases While some springs have disappeared and others were sacrificed in the name of progress many including Old Town Hot Springs and Strawberry Park Hot Springs still beckon visitors to bask in their sparkling waters The World's Advance ,1910 *The United States Catalog* ,1924
